

## The Top 10 Corporate and Securities Articles of 2025

The *Corporate Practice Commentator* is pleased to announce the results of its thirty-first annual poll to select the ten best corporate and securities articles. Teachers in corporate and securities law were asked to select the best corporate and securities articles from a list of articles published in legal journals during 2025. More than 440 articles were on this year's list. Because of the vagaries of publication and indexing, some articles on the 2025 list have an earlier date and not all articles containing a 2025 date were published or indexed in time to be included in this year's list. Because of a tie there are eleven articles on this year's list.

The articles, listed in alphabetical order of the title, are:
