## LRAP AWARD YEAR

Each LRAP award is structured as a forgivable loan to the recipient, with the specific terms set forth in a promissory note. Generally, the note provides for the loan to be forgiven after the recipient completes a year of work in qualifying employment. In other words, you must work continuously in qualifying employment throughout an award year in order to receive an LRAP award. You may elect an award year that begins either on January 1 or July 1. Please indicate which award year you would prefer. We suggest that you choose the award year that begins as soon as possible **after** your start date.

January 1, 2026

July 1, 2026

## ITEMS TO BE INCLUDED WITH THIS APPLICATION

If this is a renewal application, you may omit the personal statement describing your commitment to public interest work, how you have demonstrated this commitment in the past, and the nature of your qualifying employment. **Please note the LRAP Committee will find a personal statement from renewal applicants under Category 3 to be very helpful in evaluating your application.**

Signed copy of applicant's (and spouse/domestic partner, if applicable) most recent Federal Income Tax Return. **Redact all social security numbers.**

Confirmation letter from employer (or future employer) with annual salary, starting date, and description of employment.

**If you indicated your employment qualifies for LRAP under Category 3**, the confirmation letter must indicate the employer's specialized area(s) of practice; the percentage of your work spent on each of the identified practice areas; and the hourly rate (if any) at which you work is billed to clients.
