

Level 2 Mentors

Elizabeth Benz

Hello! My name is Elizabeth (Liz) Benz and I am so excited to be serving as a mentor in P2P for the second year in a row, as well as being on the Executive team. I am a Junior in Leeds and am majoring in Operations and Information Management. I grew up in St. Louis, Missouri but have been a Colorado girl since I was 10 when I moved to Parker. I am a brother of the co-ed Business Fraternity Alpha Kappa Psi and recently served as Pledge Master. I am also the Human Resources Manager at Trep Cafe in Leeds and am loving learning the ropes of running your own business. I am a really bubbly girl who loves to get out and have fun with friends; whether it's hiking the Flatirons, hitting the Hill, shopping on Pearl, or just lounging on Farrand. I take school very seriously and would love to help some Freshmen with this first year at Leeds. Skobuffs :)

Nicole Buggy

I'm a senior accounting student at Leeds with a certificate in Corporate Social Responsibility. I will be attending CU's five year accounting program. When I'm not working or doing school work, I like to swim and snowboard. I love the water and am always trying to go swimming in the lake or tubing down by the creek. In the winter, snowboarding becomes my life! I enjoy staying busy and like going out and doing things. I hate to sit still.

Matthew Coats

Hi I'm Matt. I'm currently a sophomore studying Management and Marketing. I spend a lot of my time playing sports and studying, but I have no problem watching 4 hours of Netflix either. I like to attend all of the home basketball games, so I would be surprised if you didn't see me at one. I hope I can help you be successful in Leeds!

Let's make it an awesome year, guys!
