

**TESOL Certificate Application  
Department of Linguistics**

**Application Procedure:**

1. Print this page and complete the form below
2. Log onto MyCUinfo and print out your unofficial transcripts
3. Type up one to two paragraphs (approximately 150 words) describing your interest in teaching English. We understand that some applicants' plans with regard to teaching English may be undefined while others' may be very focused. Regardless, please let us know about your interests in TESOL and background or experiences you think are relevant (e.g., tutoring, foreign language ability, living/working in another country, etc.)
4. Submit all three of the items above either:
  - On paper to the linguistics department office (Hellems 290)
  - As email attachments to maria.thomas-ruzic@colorado.edu

**NOTE:** One of the required certificate courses – LING 4910 (TESOL Practicum) – does not count toward the linguistics major or minor
