

UNIVERSITY OF COLORADO BOULDER

Graduate & Family Housing Lease Agreement

2025-2026

THIS LEASE AGREEMENT ("Lease") is entered into between The Regents of the University of Colorado, a body corporate, ("University") and the undersigned resident ("Resident"). In consideration of this Lease, the University hereby leases to Resident, and the Resident hereby leases from University the premises ("Premises") described as _____, Boulder, CO, together with the furnishings and fixtures therein. During the term hereinafter set forth, the Resident agrees to use the Premises as a residence on the conditions following.

1. RENTAL. The Resident shall pay to the University at the Student Life Cashier's office, the rent for the first month or prorated portion thereof, prior to move-in unless otherwise agreed to by University. Thereafter, the Resident shall pay to the University during the term of this Lease \$ _____ per month either online at the [University's housing portal](#) or by sending a check to the Student Life Cashier's Office, Room 159, UCB, Boulder, Colorado, office number S327A. Monthly payments shall be made *on or before the first day of each month* for the remainder of the Lease. **LATE RENT:** Rent is considered delinquent if the University does not receive payment before the close of regular business on the first day of each month of this Lease. A \$25.00 penalty shall be assessed if all rent is not paid by the close of regular business hours on the *ninth calendar day of each month*. Accounts delinquent in payment for more than 30 days may be subject to termination of Lease. Failure to pay rent owed will result in the student's debt being placed in their University Bursar account, and non-students will have their debt sent to a collection agency. This will prevent further enrollment and will result in a hold on the student's academic transcripts. Resident agrees to pay annual rental rate increases as of July 1st and as per effective dates(s) that occur within the inclusive dates of this lease agreement.

2. SECURITY DEPOSIT Resident will maintain a security deposit of \$1,000 at or prior to the execution of this Lease. Without limiting the Resident's obligation for payment of any rent, damages, late fees or other charges associated with this lease, the University will apply this sum to the payment of such charges not otherwise paid by Resident. The University will remit the difference, if any, to the Resident within 60 days after the expiration or prior termination of the Lease. In addition to other legal remedies, Residents leaving the University with outstanding balances will be subject to withholding of transcripts and/or diplomas or have their debt referred to a collection agency.

3. UTILITIES. The University will arrange for and bear the cost of electricity and natural gas. The Resident will arrange for and bear the cost of local telephone service if such service is desired. The Resident shall not install equipment that requires modifications to existing wiring or attachment of the phone unit to the wall. The University shall furnish water, wireless internet access, and trash collection service without extra charge. Items that exceed available voltage and/or require alterations in the ventilation or apartment structure will not be permitted. Washers are permitted only where hook-ups are already provided. Dishwashers are allowed only in apartments with individual hot water heaters.

4. OCCUPANCY. Resident, and approved Occupants, agrees to occupy the Premises exclusively as a residence. Upon University's request, the Resident shall provide proof that Resident has legal custody of any children on the Premises. All non-familial-related occupants must maintain full-time eligibility with the University in order to occupy the Premises. Proof of eligibility will be required before the time any other occupant is added to the Lease. Non-familial occupants will be required to provide proof-of-eligibility for each semester they remain on the Lease.

A. Before making any occupancy change under this Lease, the Resident must inform the University of any change in the number and/or identity of the persons occupying the Premises and obtain the University's prior approval of any such change. If Resident fails to obtain prior approval, the University reserves the right to terminate this Lease or transfer the Resident to another unit.

B. If a Resident is convicted of a sex offense and/or required to register as a sex offender while living in Graduate & Family Housing, Resident must notify the Director of University Housing, or designee, of such conviction. The nature of CU Boulder's housing environment was designed to be conducive to academic learning and, for example, includes a communal living environment with close proximity to sleeping quarters of others and with residents that may include minor students and children. Based on the nature of CU Boulder's housing environment, CU Boulder does not authorize registered sex offenders to reside in Graduate & Family Housing, absent rare, extenuating circumstances provided by the Resident following the process of CU Boulder's Procedures for [Student Criminal and Disciplinary History Disclosures: Pre-Admission and Post-Admission Review](#), clearly demonstrating that there is not unreasonable risk to the safety or security of the CU Boulder housing environment. Residents who are required to register as sex offenders are encouraged to seek off-campus housing options.

The University of Colorado Boulder requires sex offenders to identify as such when they apply for Graduate & Family Housing. All non-student Residents (including faculty, staff, postdocs, and family members) must disclose their sex offender status to Graduate & Family Housing at the time they apply for an apartment. In addition, all Residents of any kind have an ongoing duty to notify Graduate & Family Housing if they are determined to be a sex offender at any point during their residency. Any failure to identify a sex offender in accordance with this provision is grounds for breach and termination of the lease.

C. As required by federal law, every Resident will be given the option of providing confidential contact information in the event of an emergency or in cases where the Resident is reported to be missing or of concern. During the check-in process, every Resident will be asked to identify that confidential contact. If the Resident does not wish to list a contact, they may decline to do so.

5. ALTERATIONS. The Resident **shall not** make any alterations to the Premises without prior written approval from the University Housing Office. No additional electrical outlets, wall sockets or voltage shall be installed. It is understood and agreed that all alterations, decorations, additions and improvements (or "Fixtures"), installed, shall immediately become the property of the University upon installation. The University may request that Fixtures installed be removed by the Resident, within the term of this Lease and full restoration of the Premises by the Resident to the condition existing before the term of this Lease. If Resident fails to remove any fixtures, furniture, furnishings, or personal property owned by Resident or installed by Resident in the Premises upon the expiration or termination of this Lease, Resident shall be deemed to have abandoned the same, in which case the University may move and store the same at Resident's expense, or appropriate the same for itself, and/or dispose of the same in its discretion and in any manner it deems fit. The Resident will care for the Premises, including Fixtures and furnishings thereon, and deliver the same at the expiration or prior to termination of the Lease in a good, sanitary condition, ordinary wear and tear excepted. Charges will be assessed by the University to the Resident for any cleaning or repairs required to return the Premises, fixtures and furnishings to a good, sanitary condition. Resident may not disable smoke detectors or carbon monoxide detectors.

6. INSPECTION, MAINTENANCE, PRESERVATION, UPGRADES, AND REPAIRS. Authorized personnel of the University are permitted to enter the Premises at reasonable hours and in a reasonable manner for the purpose of inspection, preservation, maintenance, upgrades and repairs, and to enter upon the Premises at other times deemed necessary by the University to meet emergency conditions (or "Repairs"). In circumstances where the University determines it is unsafe to enter the Premises, inspections may be done virtually. Resident requested repairs shall be made by the University, as determined necessary by the University. The cost of such Repairs determined to be the willful act or neglect of the Resident, including overloading of any electrical circuits, will be charged to and paid by the Resident. Items found in or around Graduate & Family Housing that the University determines poses a health or safety threat will be removed by the University.

7. ADDITIONAL OCCUPANTS, ASSIGNMENT, AND SUBLETTING. Additional Occupants may be authorized by the University with prior written approval from the University Housing Office. All occupants, in addition to the Resident, residing in the Premises must be eligible to live in Graduate & Family Housing and be added to the Lease by the Resident prior to moving in. The Resident shall not transfer, assign or sublet all or any portion of the Premises. Any re-assignment of this Lease or subletting of the Premises will subject the Resident to termination of this Lease.

8. TERM OF LEASE. The term of the Lease shall begin at 10:00 a.m. on _____ and end at 10:00 a.m. on July 1, 2026. Any lease renewal will be contingent on the continued eligibility of the Resident/Leaseholder.

9. ELIGIBILITY REQUIREMENTS. Graduate & Family Housing exists for the intended purpose of providing housing for those affiliated with the University (e.g. student, staff, faculty) and their immediate families. The Resident and all non-familial-Occupants (as defined in the Graduate & Family Housing Handbook) must be enrolled as a full-time student as defined by the [Office of the Registrar](#) at the University of Colorado OR a member of the faculty or staff employed at 85% full time. Eligibility is based on information submitted at the time of application and subsequent evaluations of Resident's eligible status. Changes in family, student, or employment status with the University may subject the Resident to termination of this Lease, if eligibility criteria are no longer met. The Graduate & Family Housing eligibility criteria allow students up to one semester on an approved [Leave of Absence](#) as defined by the Office of the Registrar during their stay in Graduate & Family Housing.

10. RESIDENT'S RESPONSIBILITIES: Violations of any of the following standards by the Resident, the Resident's guest(s), family member(s), or Occupant(s) may subject the Resident to termination of this Lease by the University:

The Resident is responsible for the appearance and cleanliness including clearing of snow, ice, trash, or possessions of the Resident or the Resident's guest(s), in Premises, storage area, and the areas immediately adjacent to the Premises and storage area. B. UNIVERSITY PROPERTY. Residents may not use the Premises, other CU Boulder property, or University provided technology for commercial activities.

C. FIRE HAZARDS. The Resident shall not permit conditions in the Premises that will in any way create either a risk of fire, fire itself, or conflict with the rules and ordinances of the local fire department and the University of Colorado. No motor vehicles or gas/propane equipment will be permitted inside the Premises, on decks, patios, common areas, entryways, or storage areas. The purposeful setting off a false fire alarm, or tampering with fire safety equipment, is not permitted.

D. PETS. The Resident **shall not** keep or allow visitors to bring in the Premises or around the Graduate & Family Housing area, any pets or other animals. This prohibition will apply to any Resident's visitors, regardless of the length of stay. Small aquatic life (fish and small turtles) contained in an aquarium, not to exceed 30 gallons, are permitted.

E. DISTURBANCES. The Resident shall neither make nor permit the making of any disturbing noises upon the Premises by Resident, Occupants, Resident's family or guests, nor permit anything to be done by such persons that interferes with the reasonable rights, comforts, conveniences, or quiet enjoyment of the other Residents or Occupants of Graduate & Family Housing. The Resident is responsible for Resident's children, Occupants and guest(s) in and around the Graduate & Family Housing areas. Incidents reported to CU Police, or other University staff, involving inappropriate behavior by the Resident, Occupants, Resident's family members and/or guest(s), may subject the Resident to disciplinary sanctions, provisions and/or termination of this Lease.

Resident will be held responsible for charges for additional cable services and/or repairs requested by the Resident while occupying the Premises. G. CONSTRUCTION. The Resident agrees to move personal belongings on the Premises, at the Resident's expense, when the University requires it to make improvements to the Premises or University property related to health and safety.

H. CONTROLLED SUBSTANCES. Resident, family, Occupants, and guest(s) may not possess, use, manufacture, produce,

distribute or aid in the use, manufacture, production, or distribution of any controlled substance in the Premises or on Graduate & Family Housing property or grounds. Such violations of municipal, city, state or federal laws will result in the termination of the Lease and disciplinary proceedings as outlined in the [Student Code of Conduct Policies and Procedures](#) and other applicable University policies.

I. WEAPONS AND FIREARMS. Resident agrees that as a condition of renting the Premises, Resident will not bring or store any weapon or firearm, including any handgun(s) carried in accordance with the Colorado Concealed Carry Act, §18-12-201, *et seq.*, C.R.S. on or in the Premises, including common areas without a pertinent addendum to this Lease. With regard to any weapons other than handguns carried in accordance with the Colorado Concealed Carry Act, §18-12-201, *et seq.*, C.R.S., University policies, rules and regulations, prohibit weapons and firearms anywhere on the premises of Graduate & Family Housing, including apartments and common areas. Notwithstanding any other language in this Lease, the University may immediately terminate this Lease for violation of this paragraph.

J. SMOKING. The [Smoke Free Campus Policy](#) prohibits smoking on all University property, both indoors and outdoors, including any Graduate & Family Housing Premises, balcony, patio, hallway, or public area. This policy includes vaping and e-cigarettes. Residents are responsible for the impact that smoking may have on neighbors, intended or not, and disrupting neighbors with the smell of smoke may constitute a Lease violation.

K. DISABILITY ACCOMMODATIONS. Residents with disabilities who require a reasonable accommodation to any of the requirements of this Lease or for any other housing/living needs, such as an assistance animal, must submit a request to [Disability Services](#). Residents with service or approved assistance animals must also abide by the expectations provided by [Disability Services](#).

L. MARIJUANA PROHIBITED. CU Boulder prohibits the possession, use, or distribution of marijuana on campus. M. PEST CONTROL. Residents are prohibited from using any pesticides in the Premises or on University property. University shall respond to any reports of pests, including roaches, bedbugs, mice, or any other insect or vermin. University reserves the right for its staff and representatives to enter and treat the Premises for pest control and management. Regular pest control measures include inspections, structural and housekeeping controls, and material treatments as needed. To report a pest sighting, Residents must immediately contact the front desk at (303) 492-6384, or Housing Facilities Services at (303) 735-5555. Residents will be responsible for any costs associated with temporary relocation or personal belongings related to pest control. Residents may be temporarily or permanently reassigned within Graduate & Family Housing for pest control. The University may terminate this Lease if it remediates a room for bedbugs more than twice.

11. LIABILITY AND INSURANCE. The University's liability under this Lease is subject to the provisions of the Colorado Governmental Immunity Act. It is specifically understood and agreed that nothing contained in this paragraph or elsewhere in this Lease shall be construed as an express or implied waiver by the University of its immunity or as an express or implied acceptance by the University of liabilities arising as a result of actions which lie or could lie in tort. The Resident shall indemnify and hold the University and its agents harmless from any and all claims and judgment for loss, damages, or injury to persons or property caused by or contributed to by the acts or omission of the Resident, Occupants, or Guests. *It is hereby notified that the Premises are located within the Boulder Creek Flood Hazard Area and that Resident should take the necessary precautions to provide for the protection of their personal property and equipment located within this space in the event of flooding.*

12. TERMINATION BY RESIDENT. The Resident may elect to terminate this Lease with at least thirty (30) days written

notice to University by submitting the Intent to Vacate form available in the Resident Portal. Resident agrees to comply with the vacating instructions provided in the Graduate & Family Housing Handbook. Additionally, the Intent to Vacate form must be submitted at least (30) days prior to the departure date, including at the end of the Lease term. Residents who terminate their Lease before the end of the Lease term are responsible for a financial penalty equivalent to one month's rent or the remaining rent balance for the lease, whichever is less. Exceptions to this penalty are outlined in the Graduate & Family Housing Handbook.

13. TERMINATION BY UNIVERSITY. The University may terminate this Lease, with prior written notice to the Resident, and re-enter the leased Premises with complete right to exclude the Resident and any other Occupants from possession of the aforesaid Premises as indicated in any of the above paragraphs of this Lease and in the following circumstance(s):

- a) If a faculty or staff Resident is terminated from employment at the University, or to an appointment less than 85% full time, or when a student change in status is such that the Resident is no longer eligible for housing.
- b) If the Resident has provided false information on the application or other records in the University Housing Office or to another university office, including but not limited to Human Resources or Admissions.

- g) If the University must treat a Resident's Premises more than twice for bedbugs.
- h) If the Premises becomes uninhabitable for any reason, at the discretion of the University.

Termination of this Lease by the University may exclude Resident from being eligible to live in Graduate & Family Housing in the future.

14. ABANDONMENT. Should the Resident abandon the Premises without notice, Resident will be responsible for the remainder of the rent due to this Lease, until such time the University is able to rent to another Resident or a penalty equivalent to a minimum of one month's rent.

15. HOLDOVER TENANCY. If the Resident does not vacate the Premises and return all keys, or have digital keys deactivated by office staff, on the established vacate date, the Resident shall be charged the daily rental rate of the unit plus additional liquidated damages fee of \$200 per day until keys are returned to the office, or digital keys deactivated, and shall be on the same terms and conditions specified in this Lease. Resident's damages arising from a delay in satisfying the conditions in this section are difficult, if not impossible, to ascertain, and the liquidated damages stated in this section is the University's good faith estimate of the actual damages that Resident would incur. Resident's continued occupancy of the Premises after the termination of this Lease does not constitute a renewal or extension of this Lease.

16. FEDERAL AND STATE LAW AND UNIVERSITY LAWS, POLICIES and RULES AND PROCEDURES. The Resident will comply with all Federal and State of Colorado laws and regulations, all University laws and policies, and those relating to its use of the Premises including, but not limited to, the [Graduate & Family Housing Resident Handbook](#), [Student Code of Conduct Policies and Procedures](#), the Office of Institutional Equity and Compliance's Resolution Procedures and the [Campus Use of University Facilities \(CUUF\) policy](#). The aforementioned policies are hereby incorporated by reference and made a part of the Lease. The University reserves the right to amend or further make such other rules and regulations as are necessary to fulfill its responsibilities to maintain order, property and an educational atmosphere. The subject of such rules and regulations may be, but is not limited to the preservation of safety, care, and cleanliness of the Premises or the security, comfort and welfare of all members of the University community and a proper educational environment.
