

Journal	Main Coding	Impact Factor	Year Founded
Methodological Innovations	Fieldwork Methods	Not available	2006
Development Engineering	Development	IF not available yet	2014
Engineering Project Organizations Journal		IF not available	2011
International Journal of Service Learning in Engineering	Engineering Education	IF not available	2006
Journal of Engineering for Sustainable Community Development	Development	DISCONTINUED 2012	
Water Research	Water	5.5	1967
Environmental Science & Technology	Environment	5.3	
Annual Review of Environment and Resources	Environment	5.0	
American Journal of Epidemiology	Health	4.6	1911
Science of the Total Environment	Environment	4.1	1972
Journal of Cleaner Production	Sustainability	3.8	
Water Resources Research	Water Resources	3.5	
Chemosphere	Environment	3.3	
Waste Management	Environment	3.2	
Journal of Hydrology	Water Resources	3.1	
Landscape and Urban Planning		3.0	
Social Science & Medicine	Health	2.9	1982
Journal of Environmental Management	Environment	2.7	
American Journal of Tropical Medicine & Hygiene	Health	2.7	1921
Tropical Medicine & International Health	Health	2.3	1996
BMC Public Health	Health	2.3	2001
International Journal of Environmental Research and Public Health	Public Health	2.1	2004
Journal of Engineering Education	Engineering Education	2.1	1993
World Development	Development	2.0	1973
Journal of Construction Engineering and Management	Construction	1.8	1983
International Journal of Sustainable Development and World Ecology	Development	1.8	1994
Natural Hazards	Disasters	1.7	1988
Environmental Monitoring and Assessment	Environment	1.7	1982
Qualitative Inquiry	Fieldwork Methods	1.7	1995
Environment & Urbanization	Environment	1.6	1989
Environmental Technology	Environment	1.6	1990
Journal of Water and Health	Health	1.5	2003
Water	Water	1.4	2009
Journal of Environmental Engineering	Environment	1.3	1983
Natural Hazards Review	Disasters	1.1	2000
Water Science & Technology	Water	1.1	1969
Environmental Engineering Science	Environment	1.0	
Science and Engineering Ethics	Engineering Education	1.0	1995
Sustainability	Sustainability	0.9	2009
Journal of Management in Engineering	Management	0.9	1985
Journal of American Water Works Association	Water	0.9	1914
Water Policy	Water	0.8	1999
Pan American Journal of Public Health	Health	0.8	1922
Fieldwork Methods	Fieldwork Methods	0.8	1989
Construction Management and Economics	Construction	0.8	1983
International Development Planning Review	Development	0.8	2002
International Journal of Engineering Education	Engineering Education	0.6	1985
Journal of Water, Sanitation, and Hygiene for Development	Development	0.4	2011
Engineering Management Journal	Management	0.3	1991
Journal of Professional Issues in Engineering Education and Practice	Engineering Education	0.3	1983
Development in Practice	Development	0.0	
Environment, Development and Sustainability	Environment	0.0	1999

International Journal of Environment and Waste Management	Environment	0.0	
International Journal of Mass Emergencies and Disasters	Disasters	0.0	1983
Journal of Environment and Public Health	Public Health	0.0	2009
Water Alternatives	Water	0.0	2008
