

Appendix F

Suggested Stakeholder Questions

Contact Email:

Demographic

How long have you lived in Moffat County?

What brought you (or your family if you have lived here a long time) to the County?

What is your profession?

Outdoor Recreation Interest

Do you visit public lands regularly?

If so, what do you enjoy doing and where do you go?

When you have visitors, where do you take them in the county?

Where do you see conflicts over outdoor recreation development?

Are you aware of any ideas or proposals for outdoor recreation access that you think are important? And who is championing these projects?

Do you see any problems with access or opportunity to recreate?

Do you anticipate any conflicts between existing/your use of public lands and other recreation opportunities?

Outdoor Recreation Economy

What activity do you see the most?

Are there other activities that you think visitors would enjoy, and if so would improvements be needed (eg. corals, boat docks, restrooms?)

What do you think Moffat County is most known for?

Do you think there are other activities that would be appropriate to promote in the county?

Are there other notable economic development projects in the works in Moffat County?

If visitation increased in an area you are familiar with, are there specific concerns you would have?

If visitation grows, what issues or challenges do you think the county would face in general?

Public Lands

Do you utilize public lands for professional or personal purposes? And how often?

If you do visit or use public lands, what do you think about the current condition of Moffat County's public lands? Do you have specific examples of places you are concerned about?

Have you seen an increase in visitors on public lands in the county?

Infrastructure

In general, what kinds of outdoor infrastructure would you like to see Moffat County invest in?

More trails?

More parks?

More specialized outdoor rec parks (bike parks, climbing parks, etc)?

How do you feel about the current condition of Moffat County's park and outdoor infrastructure?

What do you think could be improved?

Are there any infrastructure issues that keep you from going to a certain park or trail?

What places would you suggest need more investment in outdoor infrastructure?

Is there anything we haven't asked that you think is important for us to know about Moffat County and economic development?

Is there anyone else you'd recommend we speak with?

May we use your name when reaching out to them?

May we contact you again to follow up?
