What are the Middle School Ensembles?

The University of Colorado Middle School Ensembles (MSE) program offers an extra-curricular performance opportunity designed for middle school band, orchestra, and choral students. In collaboration with the University of Colorado, as well as local high school students considering a career in music education, this program is an excellent opportunity to supplement your child's school music experience. For 2021, MSE is going virtual and looks forward to providing this amazing opportunity for students throughout the state of Colorado!

Band, Choir and Orchestra

Any woodwind, brass, percussion, string musician, or vocalist in grades 6-8 with at least one year of experience performing in school is welcome to participate in this program. We accept all interested students.

The "Virtual MSE" program for 2021 includes full group activities and classes, sectional and masterclass instruction for small groups of students, and private or small group lessons. All rehearsals, sectionals, and activities will be held **ONLINE ONLY** in 2021. Instruction is provided by music education undergraduate and graduate students at CU to create a learning experience not just for your child, but for future music teachers as well. Our program will culminate with a high-quality streamed concert performance showcasing the students accomplishments.

Registration

All program information and online registration, can be found on the program's website:

<http://music.colorado.edu/mse>

• Priority registration for the program **EXTENDED** to Jan. 13th, 2021 •

A registration fee of \$60 if you register by Jan 13th (or \$75 after that date) covers all financial obligations with the MSE program. There is an optional shirt available for purchase for \$10.
