

Audition Materials for 2023 University of Colorado High School Honor Band

Record/perform your audition (as per the guidelines listed below) in the following order:

1. Before playing your audition, clearly state your name, grade, school, and auditioning instrument.
2. Perform **two major scales** of the player's choice, two octaves, in sixteenth notes with a tempo no slower than quarter note = 60.
3. Perform a **chromatic scale** of the player's choice, two octaves in straight eighth notes, quarter note = 80.
4. Perform **musical selections** of the player's choice that demonstrate technique and musicality (one technical plus one lyrical selection recommended). You may use the selections for the [Colorado All-State audition materials](#), use the audition materials for the [University of Colorado College of Music](#), or select your own etudes.

Students proficient on more than one instrument within the same family (flute/piccolo, high clarinet/low clarinet, all the saxophones, trombone/euphonium, etc.) should submit a separate audition on each instrument, using **separate** audition recordings.

Percussion students should submit a recording that includes etudes on snare drum, mallets, **and** timpani.

DO NOT add any reverb or alter the audition recording in any way. No metronome allowed.
