NVC Venture Registration Guide

Registering for the New Venture Challenge

We are glad you are interested in registering for the New Venture Challenge 15! To participate, follow the instructions below.

If you have any questions about the process of applying to the challenge, contact Stan Hickory at hickorys@colorado.edu. For technical support on the platform, contact support@startuptree.co

There are four (4) steps to registering for the NVC15:

1. Create your user profile
2. Create your venture profile
3. Add your team members to the venture profile
4. Register your new venture for the New Venture Competition

Create Your User Profile

Head to the [user sign up link](#).

Step 0: On this screen you will see an input for First Name, Last Name, Email and Password. The password selected must be at least 8 characters long and have one symbol, one lowercase letter and one uppercase letter. Hit Sign Up once you are ready for the next step.

Step 1: On this screen upload a profile picture and specify your gender identity (optional) and your location (optional). Once done, hit Next.

Step 2: On this screen select your Affiliation with CU Boulder. If you select Alumni or Student you will see an additional input area appear allowing you to specify your Graduation Year, College and Degree Type. Once done, hit Next.

Step 3: On this screen select your Skills. These will appear on your profile and allow other users to find you and understand your background.

Step 4: On this screen provide your profile bio. This will help your profile stand out and provide helpful information to users and mentors.

Step 5: On this screen please answer any custom questions set by CU.

Create a Venture Profile

Step 1: Head to the [NVC StartupTree platform](#).

Step 2: Scroll down and click on “Add a Venture”.
