PI, Co-PI and Approver Acceptance of Responsibility

The PI and Co-PIs of a sponsored project agree to accept responsibility for the scientific and fiscal conduct of the project and to provide all required award deliverables. If project requirements are not properly fulfilled and/or deliverables are not met by the PI and Co-PIs, that responsibility will rest with the approver.

Note: Eligibility status will be evaluated at proposal and upon receipt of an award.

Regent policy 5L: The Policy on Approved Faculty Titles (including descriptions) is located at: <https://www.cu.edu/regents/policy-5l-policy-approved-faculty-titles>
