## Statement of Collaborative Intent (Letter of Commitment) for Subagreements

In August 2016, CU Boulder joined a pilot program for outgoing subagreements through the Federal Demonstration Partnership (FDP). The pilot phase of the FDP Expanded Clearinghouse is over and the Expanded Clearinghouse is now an ongoing FDP Initiative. What this means for CU Boulder:

- The FDP Clearinghouse is only for select universities. No non-university or for-profit partners are part of the FDP Clearinghouse.
- For all outgoing and incoming subs on a proposal, Proposal Analysts, PIs and others pulling together information should check the FDP website, [www.fdpclearinghouse.org/organizations](http://www.fdpclearinghouse.org/organizations), to see if the entity is part of the FDP Clearinghouse.
- If the other institution is an FDP member or participating organization, OCG does not request or provide Subrecipient Commitment Forms.
- All entities on the FDP Clearinghouse website request a letter of commitment from the other institution. This letter of commitment provides information not available on the entity's Clearinghouse profile.
- For all other institutions that are not listed on the FDP website, we collect or provide a Subrecipient Commitment Form.

The Statement of Collaborative Intent follows below and functions as CU Boulder's Letter of Commitment. It may be used with FDP member or participating organizations. For questions regarding whether to use the Statement of Collaborative Intent or the Subrecipient Commitment Form, please contact the OCG Proposal Analyst or Subcontract Officer assigned to the respective department by consulting the [OCG Unit Directory](#).
