 UNIVERSITY OF NORTHERN COLORADO
 Charting New Paths For A Healthier Future

Hosted by Dean Samet and the CU Consortium on Climate Change and Health

Climate Change and Health Symposium

March 12 | 10:00am–4:00pm | Shore Family Forum and Rotunda Room 110 Nighthorse Campbell Native Health Bldg, Anschutz Medical Campus

Registration free—RSVP to colorado.sph@ucdenver.edu by Thursday, March 8

Please confirm your attendance, advise of specific dietary requests for lunch, and indicate if you are interested in presenting a poster.

Professor Alistair Woodward
 Head of Epidemiology and Biostatistics at the University of Auckland, Dr. Woodward co-lead on the IPCC health chapter in the last assessment and helped in completing Tony McMichael's posthumous book on climate change.

Join us for the 2018 Climate Change and Health Symposium, featuring speakers, a panel discussion, and poster session covering topics such as worker health, climate and infectious disease, climate change education, and research challenges.
