Student Conduct & Conflict Resolution

Division of Student Affairs
Mission:

Provide students with individualized responses to support community standards and conflict resolution that emphasize accountability and growth by

• Fostering reflection on the impact of their behaviors
• Promoting harm repair and responsible community membership
• Cultivating the wellbeing and safety of the University of Colorado (CU) Boulder community
Four Pillars

- Student Conduct
- Honor Code
- Restorative Justice
- Conflict Resolution
Code Updates

• Foundation:
  • Public Health Orders
  • Campus Policy

• Specifics:
  • Must follow public health order
  • Must follow campus policies
  • Generally must wear a mask
  • Gatherings must abide by campus expectations and public health orders
Code Updates – Campus Specific

• Must follow risk mitigation policies:
  • In a classroom this means:
    • Masks
    • Physical Distancing
  • Education and prevention recommendations:
    • Syllabus expectations
    • Slide deck expectations
    • Conversations with students
Student Classroom and Course Related Behavior Policy

• Provides guidance to faculty for classroom behavior issues.
• Always start by asking student to modify behavior, and if they refuse
  • Require them to leave
  • File a report with Student Conduct & Conflict Resolution
• Potential Outcomes
  • Often educational dialogue and sanctioning
  • Forced online learning
    • Reserved for chronic or egregious violations
Student Support & Case Management

Division of Student Affairs
Mission:

Student Support & Case Management assists students to reduce the adverse impact of challenging situations through connection with campus partners, community resources, and support systems, encouraging success through individualized planning.
What we do:

- Help students navigate CU processes
- Provide coaching
- Work with key partners
- Connect the dots
- Identify case for Student of Concern Team
- Help students persist to graduation, at their pace
Student of Concern Team:
- Threat of harm to self or others
- Campus disruption
- Structured professional judgement tools
- Provide opportunities and pathways for success
- Mechanism to remove student from campus in rare cases
