FAMILY WELCOME SESSIONS
New Student Welcome Day - Friday, January 11

8:30–9:30 a.m. // Check-In & Resource Fair

UMC Glenn Miller Ballroom

A one-stop shop for students and families to learn about the different resources available on campus. Breakfast will be provided and you can check in for Orientation here!

9:30–10:00 a.m. // Welcome

UMC Glenn Miller Ballroom

Be inspired as you begin your CU Boulder journey! We will welcome you to campus, share logistics about the day, and introduce you to our Journey Leaders, who will guide your student throughout the day and provide you with insight and tips for being a successful member of the Buff Community.

10:10–11 a.m. // College and School Information Sessions

College of Engineering and Applied Science
Humanities (HUMN) 250
This session will help your student successfully transition into the College of Engineering and Applied Science by maximizing their strengths and learning about strategies engineering students use to succeed. (College of Engineering and Applied Science only.)

College of Arts & Sciences - First Year Students
University Memorial Center (UMC) Aspen Rooms
This presentation will introduce your student to the exciting academic opportunities that await in the College of Arts and Sciences and highlight the values that a liberal arts education provides students for being successful in the workplace and in future academic endeavors. This interactive session will provide insight on how your student can maximize their CU Boulder experience.

College of Arts & Sciences - Transfer Students
University Memorial Center (UMC) Glenn Miller Ballroom
This presentation will introduce your student to the exciting academic opportunities that await in the College of Arts and Sciences and highlight the values that a liberal arts education provides students for being successful in the workplace and in future academic endeavors. This interactive session will provide insight on how your student can maximize their CU Boulder experience.

Leeds School of Business
Humanities (HUMN) 150
Advisors will discuss business degree requirements, how to set up for a successful first year and tips to graduate in four years. The opportunities at Leeds are vast and this session will help your student understand how to customize their business degree and get the most out of their experience. (Leeds School of Business only.)

College of Music
Center for Academic Success and Engagement (CASE) 390
This session will help your student successfully transition into the College of Music by providing them with an overview of advising resources and self-management strategies that are used to optimize learning, development as musicians and degree progress.

College of Media, Communication and Information
Humanities (HUMN) 1B80
CMCI is a new college for a new era. Join us for a presentation about the academic experiences and opportunities students will have in the College of Media, Communication and Information. (CMCI only.)

School of Education
University Memorial Center (UMC) 457
Learn about the pathways to becoming a licensed teacher and community leader. We will discuss various teacher licensure programs, the Leadership and Community Engagement major, the Education minor, the Leadership Studies minor, and the 4+1 BA and MA program. All are welcome.

Environmental Design
Environmental Design (ENVD) 102
This student and faculty led session will help your student discover the unique opportunities to address sustainable solutions for the built natural environment. Learn about community-based studio projects and state-of-the-art design facilities that will prepare your student for successful careers in architecture studies, landscape architecture studies, urban planning studies and other interdisciplinary design fields. All are welcome.
11:10 a.m. – 12:00 p.m. // Navigating the Transition

**University Memorial Center (UMC) Glenn Miller Ballroom**

Join New Student & Family Programs to learn how we support families and students during their transition to CU Boulder. We will offer information about services we provide, ways to engage with the university and how to be supportive of your student as they begin their academic journey.

12:00–1:30 p.m. // Lunch

During check-in, all students and guests received a meal card good for one meal. There will be two dining options available – the Center for Community Dining Center (C4C) or the Alferd Packer Grill on the 1st floor of the University Memorial Center (UMC). Please be aware that the dining options vary and due to the high volume of guests, there may be a short wait time. If you did not receive a meal card, Journey Leaders will have cards available.

1:30–4:30 p.m. // Family & Student Lounge

**University Memorial Center (UMC) 457**

Need a break? Join us for light refreshments and a place to sit and relax during this busy day. If you have any lingering questions from any of the sessions throughout the day, there will be a student staff member from New Student & Family Programs present to help answer any questions.

1:30–2:20 p.m. // Family Session | Round 1

**Supporting Your Student’s Academic Success**

Does your student ever say “What academic resources are available to me?” Student support professionals will facilitate a discussion about how to support your student’s academic pursuits while encouraging independence and skill-building along the way.

**Student Privacy, Billing and Financial Aid**

We’ll share everything a new CU Boulder family member needs to know about privacy of student records and how to get access plus a general overview of billing, textbooks, payments, financial aid and important deadlines.

**Love Where You Live**

Your student’s housing experience is one of the most important considerations when transitioning to a new institution or starting college for the very first time. This session is designed to provide basic information on housing available to students on campus, as well as resources available to students seeking off-campus accommodation. Additional topics will include how to make the most of your living situation from move in to move out.

2:30–3:20 p.m. // Family Session | Round 2

**Supporting Your Student’s Academic Success**
