Are you engaged in research, scholarly or creative work?

Do you want to connect with professionals in your field?

Are you considering graduate or professional school?

Do you want to learn about the latest in your field?

PACE provides funding for students to present, perform or exhibit their work at professional and academic conferences and exhibitions.

All full-time undergraduates at CU Boulder are eligible to apply.

All CU Boulder faculty, instructors, staff, postdoctoral fellows or graduate students can mentor PACE applications.

- Other Expenses
  75 Word Maximum:
- Explain any funding you expect to receive to support your participation in this conference or exhibition and/or explain the steps you have taken to receive financial support beyond this application.

Mentors provide the following:

Presentation, Performance, or Exhibition Information
- 150 Word Maximum:
  - Comment on this project’s potential impact on the discipline or field of study, explaining what contribution it makes and how it fits into the "bigger picture."
- 150 Word Maximum:
  - How will you support and advance the goals stated above? (Student response will appear above.)

Conference or Exhibition Information
- 150 Word Maximum:
  - Comment on the significance of the conference or exhibition in the discipline or field of study.
  - Will you attend the conference or exhibition with the student?

Estimated Expenses
- 75 Word Maximum:
  - Provide additional budgetary information as needed.

Apply

1. Students apply by submitting the PACE Application, then
2. Mentors receive an email with a link to access the PACE Mentor Endorsement form.
3. The application is complete when both the student and mentor have submitted their forms.
4. Completed applications are reviewed and decisions sent in 2 to 4 weeks.
5. Decision notices are sent to students by email from UROP@Colorado.edu.
