

"PACS classes have completely transformed how I view and deal with conflict and those skills will apply to both my personal and work life."
2023 PACS Student

www.colorado.edu/pacs

CERTIFICATE IN **PEACE, CONFLICT & SECURITY**

ONLY **18** CREDITS

PACS students are concerned with how issues of conflict, violence & injustice arise between countries and people, and how to resolve these problems using nonviolent means.

The PACS certificate provides knowledge and hands on training in conflict resolution techniques to address conflict more effectively in personal, professional, and international settings.
