Education

University of Illinois at Chicago, M.A., 1990, and Ph.D., 1996, Philosophy
Dissertation: “The Best Test Theory of Extension,” directed by Charles Chastain

University of Washington, Seattle, B.A., 1987, Philosophy

Areas of Specialization: Philosophy of Mind, Philosophy of Cognitive Science,
Philosophy of Psychology, Philosophy of Science, Metaphysics, Epistemology

Areas of Competence: Philosophy of Language, Logic

Academic Positions

University of Colorado at Boulder
2013–, Professor of Philosophy (and Dept. Chair, 2023–)
2009–2013, Associate Professor of Philosophy
2005–2009, Assistant Professor of Philosophy
2007–, fellow of the Institute of Cognitive Science
2007–, core member, Committee on the History and Philosophy of Science

University of Edinburgh, Eidyn Research Centre and School of Philosophy, Psychology,
and Language Sciences

2016–2021, Regular Visiting Professor
2013–2016, Professorial Fellow (20% faculty appointment)

New York University, Dept. of Philosophy
2018–2019, Visiting Scholar, Center for Mind, Brain, and Consciousness

Western University, Ontario, Rotman Institute of Philosophy
April–May, 2019, Visiting Fellow (two weeks)

Ruhr-Universität, Bochum
May–July, 2017, Research Fellow, Center for Mind, Brain, and Cognitive Evolution
June, 2016, Research Fellow, Group in Situated Cognition and Center for Mind, Brain,
and Cognitive Evolution

Australian National University

Feb.–April, 2012, Visiting Fellow, Research School of the Social Sciences, Philosophy

Macquarie University, Visiting Academic, Cognitive Science, March, 2012 (one week)

Texas Tech University

2001–2005, Assistant Professor of Philosophy,

2000–2001, Visiting Assistant Professor of Philosophy

University of Washington, Seattle

1998–2000, Visiting Scholar

Winter, 2000, Lecturer

Part-time appointments at Green River, Highline, Tacoma, and William Rainey Harper community colleges and the College of DuPage, 1991–2000

Publications

Books Authored

Epistemology in the Subpersonal Vale, with J. Adam Carter, under contract with Oxford University Press

Ten Lectures on Cognition, Mental Representation, and the Self. Volume 30 in the Brill series *Distinguished Lectures in Cognitive Linguistics* (Brill, 2023, 485 pp.) (lecture series delivered to the *China International Forum on Cognitive Linguistics*)

Cognitive Systems and the Extended Mind (Oxford University Press, 2009, 288 pp.; paperback, 2010)

Books Edited

The Future of the Extended Mind, co-edited with Keith Harris and Tobias Schlicht, under contract with Oxford University Press

Journal Articles, Book Chapters, and Review Essays

“Self-knowledge in a Human Mind Flattened from Above,” forthcoming in a volume edited by C. Wright, G. Melis, and G. Merlo, Oxford University Press

“Cognitive Systems, Predictive Processing, and the Self,” themed issue of *Review of Philosophy and Psychology* 13 (2022): 947–972

“Representation in Cognitive Science: Content without Function,” contribution to book symposium on Nicholas Shea’s *Representation in Cognitive Science*. *Studies in History and Philosophy of Science* 92 (2022) 260–263

“Epistemic Value in the Subpersonal Vale,” co-authored with J. Adam Carter, *Synthese* 198: 9243–9272, (2021)

“Group Minds and Natural Kinds,” *Avant: Trends in Interdisciplinary Studies*, special issue on social cognition, Vol. X, No. 3 (2019): 1–28.

“What Is a Cognitive System? In Defense of the Conditional Probability of Co-contribution Account” *Cognitive Semantics* 5 (2019): 175–200.

“The Self in the Age of Cognitive Science: Decoupling the Self from the Personal Level,” *Philosophic Exchange* 47 (2018), 1–36:
https://digitalcommons.brockport.edu/phil_ex/vol47/iss1/2_.

“Representation and Mental Representation,” *Philosophical Explorations* 21, 2 (2018), 204–225, special issue on enactivism, representationalism, and predictive processing

“Acting Up: What Difference Does an Action-Oriented Approach Make to the Study of Cognitive Development?” co-authored with Giovanni Pezzulo, Gottfried Vosgerau, Uta Frith, Antonia Hamilton, Cecilia Heyes, Atsushi Iriki, Henrik Jörntell, Peter König, Saskia Nagel, Pierre-Yves Oudeyer, and Antonella Tramacere. In A. Engel, K. Friston, and D. Kragic (eds.) *The Pragmatic Turn: Toward Action-Oriented Views in Cognitive Science* (Cambridge, MA: MIT Press, 2016), pp. 53–81

“Triple Review of J. Stewart, O. Gapenne, and E. A. Di Paolo (eds.), *Enaction: Towards a New Paradigm for Cognitive Science*; Anthony Chemero, *Radical Embodied Cognitive Science*; and Mark Rowlands, *The New Science of the Mind*,” *Mind* 125 (Jan., 2016), 497: 209–228

“Embodied Concepts, Conceptual Change, and *A Priori* Knowledge; or, Justification and the Ways Life Can Go,” *American Philosophical Quarterly* 53, 2 (April, 2016): 169–192, special issue on varieties of externalism

“Embodied Functionalism and Inner Complexity: Simon’s 21st-Century Mind,” in R. Frantz and L. Marsh (eds.), *Minds, Models, and Milieux: Commemorating the Centennial of the Birth of Herbert Simon* (Basingstoke: Palgrave Macmillan, 2016), pp. 7–33

“Embodiment, Consciousness, and Neurophenomenology: Embodied Cognitive Science Puts the (First) Person in Its Place,” *Journal of Consciousness Studies* 22 (2015): 148–180, special issue: *Consciousness Unbound: Going Beyond the Brain*

“Necessity Is Unnecessary: A Response to Bradley,” *Noûs* 48, 3 (2014): 558–564

“The Functionalist’s Body: Interview with Robert D. Rupert” *Avant: Trends in Interdisciplinary Studies* 5 (2014), 2: 258–268

“Against Group Cognitive States,” S. Chant, F. Hindriks, and G. Preyer (eds.), *From Individual to Collective Intentionality* (Oxford: Oxford University Press, 2014), pp. 97–111

“On the Sufficiency of Objective Representation,” in U. Kriegel (ed.), *Current Controversies in Philosophy of Mind* (New York: Routledge, 2013), pp. 180–196

“Memory, Natural Kinds, and Cognitive Extension; or, Martians Don’t Remember, and Cognitive Science Is Not about Cognition,” *Review of Philosophy and Psychology* 4, 1

(2013): 25–47, special issue on memory and distributed cognition

“Embodiment, Consciousness, and the Massively Representational Mind,” *Philosophical Topics* 39, 1 (2011): 99–120

“Empirical Arguments for Group Minds: A Critical Appraisal,” *Philosophy Compass* 6, 9 (2011): 630–639

Grants, Honors, and Awards

Visiting International Professor Grant, Research School of the Ruhr-Universität Bochum (to support a series of visits to RUB, 2020–2022)

Course Development Grant, College of Arts and Sciences, U. Colorado, for the development of an on-line version of a first course in philosophy of science, spring 2020

Arts and Sciences Fund for Excellence, Conference Grant, 2023

Benson Center Faculty Grant, to support sabbatical visit from Jennifer Matey, fall, 2019

Research fellowship, Rotman Institute of Philosophy, Western University, April 21–May 5, 2019

College Scholar Award, CU-Boulder (one semester’s teaching release, to support research), Spring Semester, 2018

Research fellowship, Ruhr-Universität, Bochum, May–July, 2017

Member of international network of scholars supported by Templeton Grant “Knowledge beyond Natural Science.” Project leaders: Crispin Wright and Peter Sullivan

Research fellowship, Ruhr-Universität, Bochum, June, 2016

Special Event Grant (for 2012 SPP), Graduate Committee on the Arts and Humanities, University of Colorado

On-Campus Conference Grant (for 2012 SPP), Dean’s Fund for Excellence, University of Colorado

Visiting Fellowship, Australian National University, Philosophy (February–April, 2012)

Visiting Academic, Macquarie University, Cognitive Science (March 13–19, 2012)

Kayden Book Award, for *Cognitive Systems and the Extended Mind*, 2011, University of Colorado, Boulder

Course Development Grant, College of Arts and Sciences, U. Colorado, for the development of an on-line version of a first course in symbolic logic

Travel Grants, Dean’s Fund for Excellence/Arts and Sciences Fund for Excellence, University of Colorado (2008, 2009, 2010, 2011, 2013, 2013, 2017, 2018, 2018)

Research Grants (for travel), University of Colorado Graduate Committee on the Arts and Humanities (2008, 2009)

Provost’s Faculty Achievement Award, CU-Boulder, 2007

National Endowment for the Humanities Fellowship for College Teachers, 2005–2006

National Endowment for the Humanities Summer Stipend (for research), 2002

Sabbatical Leave, U. of Colorado, Boulder, Spring Semester 2012; Academic Year 2018–2019, Spring Semester 2025

Courses Taught and Other Pedagogical Work:

Lower-division: Introduction to Philosophy, Introduction to Philosophy of Science, Contemporary Moral Problems, Introduction to Ethics, Business Ethics, Philosophy and Psychology, Reasoning/Critical Thinking, Symbolic Logic, Contemporary Philosophy, Problems in the Philosophy of Religion, and Modern Philosophy

Upper-division: Philosophy of Mind, Minds, Brains, and Computers, Cognitive Science, Metaphysics, Philosophy of Science, Philosophy of Language, History of Modern Philosophy, Epistemology, and Comparative Epistemology

Graduate-level: Philosophical Psychology, Philosophy of Mind, Philosophy of Language, Philosophy of Science, Epistemology, Seminar in Philosophy of Mind, and Comparative Epistemology

Courses developed: Comparative Epistemology (TTU)

Master's students

Eric Carter, "Color and After-Images" (completed summer, 2002), committee member

Marissa Kelberlau, "Anti-Realism, Van Fraassen, Epistemology, and Metaphysics" (completed summer, 2003), committee member

Robert Williams, "INUS Abnormalism: A Semantic Theory of Singular Causal Statements" (completed summer, 2004), committee chair

Joseph Long, "Special Predication: A Naturalistic Account of the Special Sciences" (completed summer, 2004), committee chair

Derek Kern (defended December, 2007), committee member

Brett Hackett (defended July, 2008), committee member

Lark Fleming (defended January, 2009), committee member

Jennifer Kling (defended April, 2009), committee member

Amber Arnold (defended May, 2010), committee member

Katriel Statman (defended May, 2010), committee member

Jason Hanschmann (defended Jan., 2012), committee chair

Jay Geyer (defended Nov., 2012), committee member

John Thibdeau (Religious Studies, defended Nov., 2012) committee member

Walter Gorsuch (defended Jan., 2013), committee member

Addison Ellis (defended Jan., 2013), committee chair

Nicholas Byrd (defended May, 2014), committee member

Lasse Andersen (Edinburgh, completed Aug., 2014), committee chair/primary supervisor

Ken Macmurray (Edinburgh, completed Aug., 2015), committee chair/primary supervisor

Laura Wauthier (Edinburgh, completed Aug. 2016), committee chair/primary supervisor

Brittney Currie (Edinburgh, completed Sept. 2016), committee chair/primary supervisor

Judith Carlisle (defended April, 2018), committee chair

Lenhardt Stevens (defended May, 2018), committee member

Adam Sell (Western Sydney University, 2019), external examiner

Ph. D. students

Ken Daley, committee member (defended Aug., 2007)

Ben Pageler, advisor (defended March, 2011)
 Mike Zerella, committee member (defended December, 2011)
 Kristin Mickelson, committee member (defended Jan., 2012)
 Tyler Hildebrand, prospectus committee member
 Chad Vance, committee member (defended April, 2013)
 Kelly Vincent, prospectus committee member
 Andrew Chapman, committee member (defended May, 2015)
 Dan Calder, partial supervision, 2015 (U. of Edinburgh)
 Rebecca Renninger, advisor (defended May, 2016)
 Matt Pike, advisor (defended May, 2017)
 Linus Huang, external examiner (U. of Sydney, 2017)
 Blaine Kenneally, partial supervision (U. of Edinburgh) (completed Dec., 2018)
 Elmarie Venter (Ruhr University, Bochum), second reviewer (korreferent) (completed June, 2020)
 Lisa Thomas-Smith, committee member (defended Jan., 2021)
 Michael Sechman, advisor (defended May, 2021)
 Erich Riesen, committee member (defended July, 2022)
 Andrew Waldeck-Young, advisor
 Justin Trupiano (UC-Boulder, Emergent Technologies and Media Art Practices),
 prospectus committee member

Other supervision of students outside of the classroom:

Chair of M.A. Report Committee, Charles Presley, “Content under Pressure: The Broad and Narrow of Segal’s Argument against Externalism” (completed Spring, 2005)
 Reader of Cameron Buckner’s honors thesis, “Answer Sets as Possible Worlds: An Analysis of P-Log” (completed spring, 2004, Texas Tech)
 Director of Ph.D. Student First-Year Research Assistantships: Joseph Wilson, Andrew Young, Erich Riesen, Alex Beard, and Amanda Loeffelholz
 Supervisor of Ph.D. Student Qualifying Papers: Andrew Waldeck-Young, Erich Riesen, and Evan Frook
 Supervisor of research visit to CU-Boulder by René Baston (Ph.D. student, Heinrich Heine U., Düsseldorf), Fall, 2017, funded by the Deutscher Akademischer Austauschdienst
 Undergraduate honors thesis advisor to Bauback Kia, defended fall, 2007
 Undergraduate honors thesis advisor to Kyle Rindahl, defended April, 2013
 Undergraduate honors thesis advisor to Evan Dedolph, defended Nov., 2106
 Undergraduate honors thesis committee member for twenty-five students at CU-Boulder

Presentations and Professional Activities:

Comment on “Thinking on Our Feet: Towards an Embodied Functionalism,” to be delivered at the 2025 meeting of the Pacific Division of the APA

“Distributed Cognition, Self-knowledge, and Self-improvement,” philosophy colloquium, Heinrich Heine U., Dusseldorf, Oct. 2024

“Mixed-Resource Modeling and the Elimination of the Personal Level,” COGS

colloquium, University of Sussex, Oct., 2024 (<https://www.sussex.ac.uk/cogs/seminars>)

“Mixed-Resource Modeling and the Elimination of the Personal Level,” *Kinds of Minds* workshop, Ruhr U., Bochum, Oct. 2024

“Self-knowledge in the Flattened Mind,” CU Boulder Institute of Cognitive Science Colloquium Series, April, 2024

“Consciousness and the Cognitive Sciences” short talk for a broad audience, Jamestown Mercantile series “Science with Strangers,” Jamestown, CO, March 2024

“Extended Cognition and ‘The Extended Mind’,” at “*The Extended Mind*” at Twenty Five, 38th Annual Boulder Conference on the History and Philosophy of Science, held jointly with the UC-Boulder Morris Colloquium on Philosophy, August, 2023

“Representation and Embodied Representation,” presented remotely as part of Trinity College, Dublin’s Project *Representation: Past, Present, and Future*

“Stretching Cognition beyond Its Causal-Explanatory Limits,” Keynote lecture, Spring School of the Deutsche Forschungsgemeinschaft Research Training Group on Situated Cognition, March 28–31, 2022
