PLC Enrichment Funding Agreement

Please fill out this form and send to the PLC Director, Jason.b.Hanson@colorado.edu, to have it signed.

Please choose the due date of your post-experience PEG Report. The grant report date must occur before the start of classes in the semester following the end date of your experience. For example, if your experience ends on June 1, your grant report must be submitted before the first day of classes in the fall semester. Please consult professional staff to help with this date if needed.

This agreement is meant to communicate the **agreed upon award amount**, the **experience timeline**, and your **grant report due date**. Your signature is required before the funding can be allocated.
