

Looking for a way to learn about International Development, while immersing yourself in East Africa?

Chances are you're a perfect fit for a trip immersion experience and/or internship with the **Global Livingston Institute!** We customize placements in research, operations and program shadowing capacities to your academic interests, experience & passions.

See what we have in store for the Summer of 2020!

****Opportunity available to any/all students (undergraduate/graduate preferred, also open to incoming undergraduate freshman & independent travelers.***

**GLOBAL
LIVINGSTON
INSTITUTE**
LISTEN. THINK. ACT.

Summer 2020 Opportunities (June or August)

Immersion Trip Experience

- Travel to Uganda (Kampala, Lake Bunyonyi, Kabale, Lake Mburo National Park) and Kigali, Rwanda.
- Expose yourself to a series of dialogues and interactions with community leaders in the public, private and non-profit sectors.
- Meet with community leaders and learn about approaches for different stages of development.

International Internship Experience

- Take part in GLI's internship program based in Uganda. Before diving into your tailored internship, you will first go on an immersion trip experience to learn about GLI's Listen. Think. Act philosophy and programs first hand. Be sure to check out **our website** for new internship opportunities, which will be posted in January!
