

Colorado Legislative Internships 2019

The Colorado 2019 Legislative Session begins on Friday, January 4th, and will adjourn on Friday, May 3rd. Interns support many aspects of the Colorado General Assembly, including individual members, party organizations, and groups that advocate with respect to specific legislation.

Check out the following links for internship information and application information. Many positions have already been filled, but some options remain. Working in the state legislature provides excellent hands-on and insider opportunity in policymaking.
