Samantha Register, Methods Lab Coordinator

Fall 2024

Hello! I am a PhD candidate in the Department of Political Science who studies American Politics and Political Methodology. As Methods Lab Coordinator, I provide assistance with statistical analysis and troubleshooting programming issues in R or Stata. Here are some common issues and areas for which the Methods Lab Coordinator can provide assistance:

- Downloading software
- Installing packages
- Troubleshooting error messages
- Interpreting software outputs
- Statistical modeling
- Finding data sources
- Data cleaning

#### **Scheduling a meeting with me:**

All meetings can be scheduled over Zoom in 30-minute intervals via my website. Please be sure to schedule appointments at least 24 hours in advance to ensure my availability. If you anticipate needing to meet with me for more than 30 minutes, please schedule consecutive appointments. If you need to cancel the appointment, your email confirmation for the appointment will contain a link allowing you to cancel the meeting should you be unable to attend.

I look forward to working with you this semester!

#### **Office hours:**

Tuesdays and Wednesdays, 10am to 4pm (Mountain Standard Time)
