

LEGISLATIVE INTERN

- Social Media social media content and other digital communications such as newsletters and website blog posts
- Policy Research conducting thorough research and creating fact sheets based on elements of the proposed bill
- Operations managing calendars, scheduling meetings, responding to constituent emails and phone inquiries, organizing in-person town halls and other events in the district

Part-time, flexible. 10-25 hours a week. Interns are unpaid volunteers; however, student internship credit can be arranged with your school. It is the student's responsibility to contact his or her advisor and obtain academic credit within the institution's guidelines.
