

Internships

Ongoing Program: Open to Applications

The Climate Action Network Internship Program is an opportunity to gain experience working on an international level with a multinational community of NGOs and to contribute to solving the problems of climate change.

CAN interns will have the opportunity to work on vital projects and participate in the program remotely using their own computers and internet connection.

For detailed information and application:

<http://www.climatenetwork.org/jobs-and-internships>

Who can apply?

While at times, CAN may have specific needs, we generally encourage anyone who is strongly interested in contributing to the efforts to fight climate change to apply.

What are the requirements?

- Strong interest in climate change issues;
- Ability to effectively communicate in written and spoken English;
- University degree in progress, preferably in a related field;
- Experience working with NGOs;
- Strong organizational and time management skills;
- Ability to work independently in a remote office environment;
- Ability to meet deadlines and work under pressure;
- Strong interpersonal skills;
- Intermediate to advanced knowledge of: Microsoft Office, Google Drive, Dropbox CMS, Social Media, and Skype;
- Personal computer and reliable internet access.
