

PSCI 2223-100 Introduction to International Relations- Park

This is a hybrid remote/online class. Lectures will be given synchronously via Zoom during the scheduled class time, but they will also be recorded for students who wish to view them asynchronously. Students who sign up for in-person recitation sections are required to attend in-person. There is NO option to join an in-person recitation section remotely. Students who are ill or isolating/quarantining will submit make-up work. Students who sign-up for a remote recitation section are required to participate synchronously via Zoom at the scheduled recitation time. Remote recitations will NOT be recorded in order to promote free discussion among students.
