

Legislative Aide, Colorado Senate Republicans

A Legislative Aide in the Colorado General Assembly is essentially the legislator's personal staff. An Aide works with one legislator. An Aide handles all aspects of the legislator's office – phone, e-mail, calendar, schedule meetings with stakeholders, constituent service, bill research, etc. A senior Aide may also supervise a junior Aide as well as interns.

This is a full-time position (40 hours per week) during the legislative session (January 9 – May 8). This is not a year-round position, however, opportunities to extend the service time exist. Compensation is \$20/hour with insurance benefits and enrollment in PERA, the state's pension program.

The position of Legislative Aide can be the beginning of a career in government whether at the staff level, departmental level, lobbying or, perhaps, elected official. Please, send your resume to:

jerry.wheeler@state.co.us

If you are interested in a legislative aide position with the Colorado Democrats instead of the Republicans, you can email Jerry Wheeler and ask that your resume be forwarded. Be sure to thank him for assisting you!
