

Voters of Tomorrow - Colorado Chapter Executive Board Positions

We are looking for **passionate and politically engaged Gen Z individuals** looking to help Gen Z take more control of our democracy. We are **urgently hiring for our executive board positions**, which are all **5 hour a week volunteer-based positions**. The positions are all virtual, though members in close geographic proximity will be able to meet up from time to time. **The time is now** for Gen Z to turn out more voters, encourage young people to run for office, and make our voices heard in our democracy!

This experience is a fast track to state-wide advocacy, political experience, and an opportunity to engage with politically active Gen Z individuals across the state and country. Geographic diversity across Colorado is important, so **anyone living throughout the state is encouraged to apply**. Students in high school and university should apply as well as any Gen Z members who are in the workforce. Those selected to the E-Board will be **empowered to make their own decisions and gain firsthand experience doing real work in Colorado**.

To apply, send an email to colorado@votersoftomorrow.org with a resume and references.

Vice President
