

Underage Enrollment Acknowledgement and Agreement

Students who are enrolled in for-credit courses offered by the Master of Science in Data Science program at the University of Colorado Boulder are granted the same rights and have the same responsibilities as any other graduate student, regardless of age. Therefore, it is required that you, as an underage student, along with your parent/legal guardian, review the information listed below and sign the acknowledgement indicating that you understand and accept responsibility for the decision to enroll. Students under the age of 18 must have a parent or guardian sign this form. If you are an emancipated minor, please contact msds-support@colorado.edu for support.

Please be prepared and have your parent or guardian with you in order to read through and complete this form.

Please email msds-support@colorado.edu with the signed form.

1. I understand and agree that by enrolling in a course offered by the University of Colorado Boulder on Coursera, the student will be a graduate student subject to [Graduate School Policies](#), [Boulder3 \(B3\) Graduate Program Policies](#), and relevant [Coursera Platform Policies](#).
2. I understand that the student must adhere to all program policies and deadlines as outlined in the [MS-DS on Coursera Student Handbook](#).
3. I understand that there could be classroom discussion, Slack discussion or materials that the student/parent may not consider age appropriate for an underage student.
4. I understand that the grade received by the student is part of the student's permanent college academic record and may affect the student's eligibility for college scholarships or freshman/first-time status at other institutions of higher education.
5. I understand that the student's university email address is the official means of communication of the University of Colorado Boulder. The student is responsible for checking their university email account once they are enrolled and registered in courses. Students may email msds-support@colorado.edu if they have questions during their courses and enrollment.
6. I agree to the drop and withdraw policies and understand that I am ineligible for a refund if I do not meet the [following criteria](#).
