With your partner, pick two coins.

1. What are their city-states?

Coin 1:

Coin 2:

2. Write down one interesting thing about the coinage or about the city-state:

Coin 1:

Coin 2:

3. Pick one of the coins. Find at least two hoards that include your coin.

Hoard 1:

Hoard 2:

4. Where were the hoards found? What is their date?

Hoard 1:

Hoard 2:

5. How many coins were in each hoard?

Hoard 1:

Hoard 2:

6. What were the other coins found in each hoard?

Hoard 1:

Hoard 2:

7. Is there overlap between the coins found in each hoard, beyond your own coin?

8. Plot the hoard findspots on the map. Pick one of the hoards and plot the city-states of all the coins found in that hoard on the map (if they are not on this map, make a note in the margin).

9. What is one interesting thing you think this hoard demonstrates about your coin?
