CU Project Management Network

Mission:

To provide resources, professional development, and networking opportunities for current or future project management practitioners at the University of Colorado Boulder.

Steering Committee:

- Brent Phillips, OIT
- Elizabeth Gibson, Engineering Management Program
- Karen Cade, Housing IT
- Katherine Dunklau, Facilities Management
- Maria Wilson, Student Affairs

CU Project Management Network

The Network should represent:

- All “flavors” of project management and related fields on the Boulder campus: construction, operations, IT, software/agile, administration, etc.
- All related roles on the Boulder campus: project manager, project coordinator, program manager, project administrator, project planner, portfolio manager, etc.

CU Project Management Network
