Placements for Boulder County Mental Health Partners

(See above for application process)

Warner House	This is a comprehensive community support system for people with serious mental illness. Volunteers act as “basic attenders,” which are here to be and go with clients in daily activities and routines. In addition, they provide an attitude of acceptance for the client rather than a need to fix or change them or their situation. Some activities that volunteers have done with clients include: playing games and music,
---------------------	---

	<p>arts and crafts, walking or hiking, and assisting clients with errands. It is essential that you are a self starter and able to initiate activities with clients on your own for this position.</p>
Youth Advocacy	<p>This program is designed to support youth in the community with one on one mentoring. The program serves youth who are receiving either individual or family services at Mental Health Partners. These youths are in need of supervision, assistance getting jobs, connection to the community, recreation, and assistance restructuring their lives and avoid activities that could potentially lead to risky behaviors.</p> <p>Volunteer Youth Advocates (VYA) are at least 21 years of age, Receive training in Clinical Notation in our clinical database, Possess and maintain a clean driving record and valid driver's license, Pass the Mental Health Partners' required background checks (standard and child team)</p> <p>**VYAs must commit to one year of service</p>
Boulder School Programs	<p>Students/clients are staffed into Day Treatment that have special education needs related to emotional disturbances (SIED determination). The goal is to increase skills so that we have healthy kids and successful students. Individual, family and group therapy, milieu treatment, case management and psychiatric services are provided on site at the school. This volunteer position requires a team player who has experience in working with youth, that easily connects with youth, someone that will jump right in and is accepting and flexible. Volunteer position(s) are available to provide group milieu support in an academic setting and support of leisure time activities in the Day Treatment setting. Individuals must be capable of providing clear communication and limit setting with middle and high school students at Halcyon and K-5th graders at Elementary Day Treatment. This position requires that individuals are comfortable and skilled at working with diverse cultures and needs in an active academic setting.</p> <p>To ensure consistency and support for the students, volunteers are required to make a commitment through the academic year.</p>
Chinook Clubhouse	<p>Chinook Clubhouse is a program dedicated to enhancing the recovery of men and women with mental illnesses. It provides opportunities for members to live, work, learn, and socialize while contributing their talents in a community of mutual support.</p> <p>The Chinook Clubhouse works with the Colorado Division of Vocational Rehabilitation to offer transitional employment opportunities. Work is at the heart of our program, driven by the philosophy that it restores a person's dignity, self-respect and independence. 45-50 members come to the Clubhouse each day. See more information at: http://www.chinookclubhouse.org/</p>

<p>Movement to End Sexual Assault (MESA)</p>	<p>MESA’s mission is to end the suffering in our community caused by sexual assault. Many volunteer as an advocate on the 24-Hour Crisis Hotline. A Volunteer Hotline Advocate is often the first point of contact for those affected by sexual assault. You can make a difference by offering non-judgmental emotional support, crisis counseling, and resource information to victims of sexual assault and other interested parties. We offer a comprehensive training program for hotline volunteers, giving you the tools to feel comfortable and successful in this important position.</p> <p>Training is 40 hours of intensive education on the psychological, medical and legal implications of sexual assault, as well as all forms of oppression and how they are interconnected. Crisis intervention and counseling skills are developed through discussion, role-plays and feedback.</p> <p>Volunteers must complete the application and screening interview process, attend all training sessions, and have access to a private telephone.</p> <p>Volunteers should also attend two evening meetings per month and fulfill at least a 6 month commitment. More information can be found at: http://www.movingtoendsexualassault.org/</p> <p>**This is the one program at MHP that you can directly apply to: http://www.movingtoendsexualassault.org/?site_id=1033&page_id=34897&id_sub=34897</p>
<p>Employment Program</p>	<p>The Journeys Employment Program values their clients right to pursue meaningful employment. The program aids job seekers who receive services at Mental Health Partners find and maintain jobs.</p> <p>The role of a volunteer is to help clients explore various career paths, create resumes, and help teach interviewing skills. Volunteers are also able to co-facilitate classes offered through the Employment Program</p>
