

Parkmobile Visitor Parking Reference Guide

To Start a Visitor Parking Transaction:

- 1 Go to **www.parkmobile.com** and sign in to your Parkmobile account
- 2 Under "Direct Parking," select "Start Parking" → "Visitor" tab
- 3 Enter the Visitor's name, license plate information, zone number, and click "Start Parking"
- 4 Choose the parking location, select "Start Parking" again, and choose the parking duration
- 5 Confirm your information and start parking!

Parkmobile Perks

- Easy to register and use
- Save "Favorite" and recently used zones
- Saves you time and money
- Use suggested nearby zones for quicker parking
- Extend your parking session on-the-go (where permitted)
- Optional customizable parking expiration reminders
- Link payment to MasterPass, PayPal, Chase Pay or Visa Checkout account (where accepted)
- Add up to 5 license plate numbers to your account
