SHELTER IN PLACE

- Choose appropriate shelter location with the best protection.
- Only take personal items if space allows.
- Remain sheltered until instructed that it is safe to leave.
- Monitor alerts.colorado.edu for latest information.

SEVERE WEATHER

- Severe weather can occur at any time.
- Keep calm and be aware of your surroundings.
- Seek substantial shelter, NOT your vehicle.
- After hazard has passed, move outside and away from buildings.

ACTIVE HARMER

- **RUN:** if you have a clear exit and can do so safely.
- **HIDE:** if escape isn't possible. Silence phones, close and lock doors, and turn off lights.
- **FIGHT:** as a last resort. Commit to your actions and use improvised weapons.

FLASH FLOOD

- Get to high ground immediately.
- Don't drive or walk through flooded areas.
- Don't leave campus until flash flood alerts have been cleared.

FIRE

- Leave building immediately when signaled by fire alarm.
- Activate nearest fire alarm.
- Close doors as you evacuate the area.
- Stay low, smoke and heat rise.
- If safe, attempt to extinguish fire.

EVACUATION

- Follow emergency alerts and get yourself to safety.
- Do not use elevators
- Carry only necessary belongings (keys, wallet, phone, etc.).
- Do not re-enter spaces.

HEALTH & SAFETY HAZARD

- Move away from hazard.
- Call 911 and EH&S (303-492-6025) to report. Be specific with details.
- Alert others to stay away from the area.
- If situation is life-threatening, pull fire alarm to evacuate the building.
- Close doors and windows to contain the material.

MEDICAL EMERGENCY

- Use Personal Protective Equipment if needed.
- Check for scene safety before approaching the victim.
- Check victim response by shouting and tapping.
- Begin CPR if needed and send someone for an AED.
- Do 30 chest compressions, 2 inches in, at 100 beats per minute.
- Continue CPR until help arrives.

During an emergency, always call 911. Stay calm. Help is on the way.
