

Step-by-Step Guide to the Scholarship Application in MyCUInfo

1. Navigate to the **Student** tab in [MyCUInfo](#).
2. Click the **'Financial Aid'** tab.

The screenshot shows the MyCUInfo interface for a student. The top navigation bar includes the University of Colorado Boulder logo and the 'myCUinfo' branding. Below the logo, the 'Student' tab is highlighted with a red circle. The main navigation menu contains 'Academics / Schedule', 'Billing Information', 'Financial Aid' (highlighted with a red circle), and 'Dates and Deadlines'. The 'Financial Aid' section is expanded, showing a list of actions: 'Check Your To-Do List', 'View Your Award Status', 'Accept/Decline your Awards', 'View Your Estimated Expenses', 'Apply for Summer Aid', and 'Apply for Scholarships'. A red arrow points to the 'Apply for Scholarships' button. To the right, there is a 'HAVE A QUESTION?' box with contact information and a 'Students' social media widget.

3. Click **'Apply for Scholarships'**.

The screenshot shows the MyCUInfo interface with the 'Financial Aid' tab selected. The 'Apply for Scholarships' button is highlighted with a red arrow. The interface is similar to the previous screenshot, but the 'Financial Aid' tab is now the active one. The 'Apply for Scholarships' button is clearly visible and highlighted.

4. Now you are in the scholarship application where you will answer questions for the general application.

Supplemental Questions

- Justice Issue Area(s): Please select from the list below the justice area(s) or other community issue(s) you are interested in being actively involved with as a Puksta Scholar. The following is a list of suggested areas, or you may identify your own.
- Other justice issue area(s) or community issue area(s) of interest not previously selected.

- An essential part of the Puksta Scholars program is translating ideas into action. Please narrow your broad social justice issue into a statement of a problem and proposed project that would address this problem. Make sure to include a discussion of the root causes of the problem as well as the anticipated impact of your project. (300 word limit)
- What are your academic interests? How might your participation in Puksta Scholars enhance your academic and even professional interests and how might your academic interests enhance your Puksta Scholar work? Please note that many Puksta scholars pursue projects that are seemingly disconnected from their majors (e.g. a pre-med student is working on immigration reform). Successful applicants are able to relate their project and academic interests by discussing such things as target populations, content, skills, knowledge sets, or orientations towards social justice.
