Field Hockey

Dear _____

Message_____

Greetings from the University of Colorado Field Hockey Team!

CU's co-ed Club Field Hockey team is attempting to raise funds to compete at the collegiate level. The University is only able to provide us with very limited financial support, which is not sufficient to meet the costs of competition in a collegiate environment. Nor is it sufficient to allow our team to grow, or to expand our competition schedule.

We have 20 members, both men and women, who are very excited to expand our playing territory to other places such as California and Arizona. This is one of our team goals besides expanding our team in order to increase the number of students that benefit from participation in a collegiate club sport. Also, we're hoping to allow as many members the chance to travel and compete against other collegiate teams in national tournaments. We want to support the growth of collegiate club sports and field hockey across the country.

Each member pays dues every season. We are undergoing fundraising in order to meet the diverse costs of equipment, field time, coaching, and traveling. We depend on the generosity of our sponsors in order to continue our program at the University of Colorado. Any contribution would be greatly appreciated and your donation may be tax deductible. Please make any checks payable to "CU Field Hockey" and mail them to the address on the back side of this letter. It is also possible to make a donation online by visiting the Club Sports website, select Field Hockey, and click on the link titled "Make a Donation". We thank you in advance for your generosity.

Your sponsorship amount will be the amount you indicate below. Remember, 100% of your donation benefits our program. Your support is greatly appreciated. Thank you!
