

CU Collegiate Sport Clubs Women's Water Polo

Dear _____

Message _____

Hello from the University of Colorado Women's Water Polo Club!

The CU Women's Water Polo club is part of the CU Club Sports Program offered by the CU Recreation Center. The purpose of the club is to provide athletes with the opportunity to compete at the collegiate level. This past year we placed third in our division and we have high hopes to make it to Nationals this season. Our team has the opportunity to compete in three tournaments this season. The first being at the Air Force Academy which is our crossover tournament. Another at Colorado College against the regional teams. And lastly, our conference is being held at University of Arizona all the way in Tucson.

With this in mind we ask you consider donating to our team. Your contribution will subsidize CWPA league dues, equipment and travel expenses. Any sum of money would be greatly appreciated! And we hope to play hard and win this season.

You may enclose a donation with this reply letter making checks payable to "CU Foundation – Women's Water Polo" and mail them to the address on the back of this letter.

If you wish to donate online please go to the following link: <http://www.cufund.org/giving-opportunities/fund-description/?id=9051> please make sure to specify that it is for the **WOMEN's** water polo team.
