- Alcoholic beverages and drugs are prohibited in the Student Recreation Center, on any Recreation Center Property and at all Intramural sanctioned events. Participation while under the influence of these substances is also prohibited these areas. Violations will be grounds for immediate ejection, forfeiture and possible season suspension.

FORFEIT POLICY
- Teams will have one (1) week to complete their match.
- It is up to each team to coordinate a time that will work best with their team.
- If a team is unresponsive or uncooperative in deciding a game time, then the other team will receive the win via forfeit.
  - Example: Team A has reached out to Team B multiple times to figure out a game time. Team B hasn’t responded to any of the messages.
  - Team A would receive the win via forfeit since team B is unresponsive.
- Teams may ask for an extra three (3) day extension to accommodate with their player’s schedules.
  - Example: Team A and Team B have been communicating through email to determine a game time. Team B states that they need more time because they have other commitments. As long as both teams and the Intramural Sports staff agree on the extension, then the extension request would be granted.
- If a team is unresponsive for one match then that team would forfeit out of the remainder of the sport.
  - Participants are still eligible to play in the other divisions they are in.
  - Example: Mike is on a team for Xbox One and PC. His PC team has been forfeited out of the pool play and tournament. Mike is still eligible to play in the Xbox One League since that team is still in good standing.
