Boulder Summer Session 1992

Think Summer!

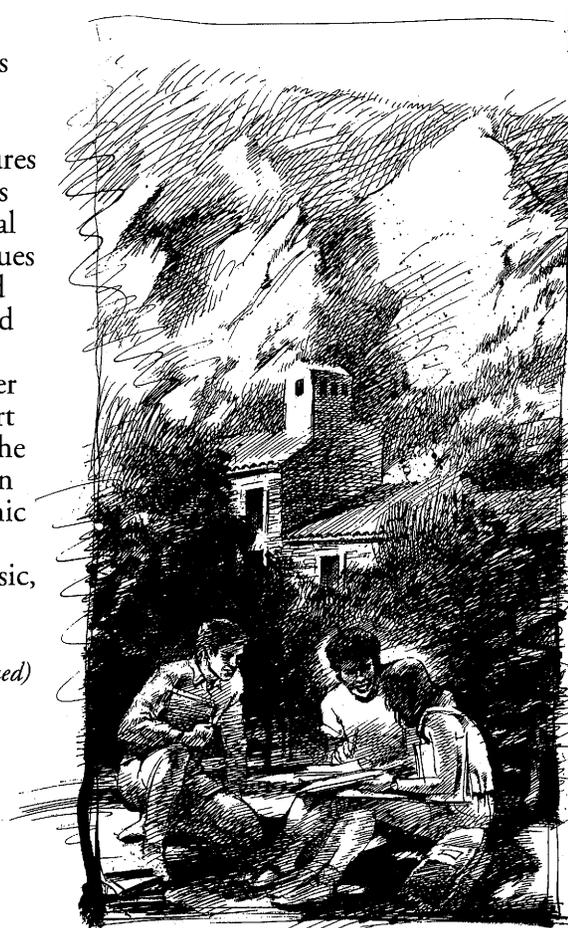

Think

Academic life on the University of Colorado at Boulder campus takes on a special quality in the summer. You have the opportunity to concentrate on a few, selected courses that you really want to take. Summer classes tend to be smaller than those during the fall and spring semesters, so you can interact with classmates and teachers one-on-one and feel part of a close learning community of faculty, fellow students, and friends.

This summer, instructors from a cross section of fields share their knowledge of diverse American cultures in classes such as "Rites of Passage," "Historical and Contemporary Issues of Black Women," and "Chicano Fine Arts and Humanities."

These and other courses, featured as part of the Celebration of the Diversity of Cultures in America, examine ethnic and cultural heritages through literature, music, film, and social and recreational activities.

Think Summer

Theatre, musicals, concerts, dance, jazz under the stars—it all happens in Boulder in the summer. Special courses offered in conjunction with two of the most famous summer festivals—the Colorado Shakespeare Festival and the College of Music's annual Colorado Lyric Theatre Festival—provide opportunities for study as well as entertainment. In addition to summer courses that enable students to fulfill specific degree requirements, other offerings complement particular areas of interest such as advanced courses designed for teachers offered by the School of Education.

Special courses featured this summer are described on the following pages. Some of these courses are offered only during summer 1992. You can choose from more than 500 other summer courses, earning credit toward a degree in almost every area of study. A selection of courses for graduate students and teachers preparing for recertification is also offered. For days, times, and credit hours of these special and regular summer courses, see the "Schedule of Courses" (beginning on page 40).

Summer on the Boulder campus is peaceful, comfortable, beautiful. Consider what a pleasant place it would be to spend this summer—thinking, reading, discovering, or just relaxing.

Experience a variety of opportunities for study, personal growth, and cultural and recreational activity—"Think Summer" at CU-Boulder!

Summer on Campus

Life at the University of Colorado at Boulder centers on our 600-acre campus, in the heart of the city of Boulder. Our scenic location is dominated by the Flatirons, dramatic rock formations that have become our most famous landmark. Summer session is an integral part of the year-round instructional program at CU-Boulder. The University operates on a semester system, with 16-week fall and spring semesters and a 10-week summer session that includes shorter terms (1 to 4, 5, or 8 weeks) scheduled within the 10-week session. For the specific dates of the various 1992 summer terms, see the calendar on page 80 of this catalog.

Your fellow students at CU-Boulder display a tremendous variety of interests that can enrich your own experience. Health and fitness are important aspects of the Boulder life-style, and whether you're interested in good nutrition or mountain biking, you can find others on campus who are like-minded. If you enjoy the arts, from abstract expressionism to Giuseppe Verdi, there are other students painting, performing, and sharing their knowledge in these areas.

About Boulder

An engaging community of 83,000 people, Boulder combines a cosmopolitan atmosphere with the flavor of a small mountain town. A walk down the open-air Pearl Street Mall reveals many of the town's numerous small restaurants and outdoor cafes, specialty shops, street musicians, colorful pushcarts, and bright flower beds.

Chautauqua Park, located in the foothills overlooking Boulder, offers a summer concert series and is host to an annual Fourth-of-July outdoor musical celebration.

Peaks and Prairies

Boulder, 5,400 feet in elevation, has wonderful views of both snow-capped peaks and expansive prairies. Boulder County encompasses five ecological zones, from above sea level (plains and grassland) to 14,000 feet (alpine tundra). Within and near the city limits of Boulder are miles of hiking trails that wind among pines and under the steep faces of the Flatirons, a range of magnificent, almost vertically inclined rock formations that provide a dramatic backdrop to Boulder and the University.

Outdoor Recreation

Outdoor recreation is a way of life in Boulder. Summertime possibilities range from hiking and biking to exploring old mining towns and sailing on mountain lakes. A good place to begin is CU-

Boulder's expansive Student Recreation Center. Especially popular is the recreation center's outdoor program, offering sports enthusiasts organized instruction in many activities, including backpacking, rock climbing, and rafting.

A Great Location

Boulder is situated where the Great Plains meet the Rocky Mountains, only 20 miles from the Continental Divide and 30 miles from Denver.

Denver can be reached easily by traveling on U.S. 36, also known as the Denver-Boulder Turnpike. Denver's Stapleton International Airport is served by most major air carriers and is located northeast of Denver, about 45 minutes from Boulder by car or shuttle service. Denver and Boulder are also connected by a public transportation system.

Campus Tours

We invite you and your family to visit us and learn about CU-Boulder firsthand. Walking tours led by student guides start at Regent Administrative Center, second-floor lobby, each weekday (except holidays) at 10:30 a.m. and 2:30 p.m. Information sessions with an admissions representative are also offered each weekday at 1:20 p.m.; please check with the receptionist in Regent 125 before 1:00 p.m. for a parking permit and room location. Advance reservations are not necessary.

Celebrating Diversity

Celebrating Cultural Diversity in America has been chosen as the academic theme for Summer Session 1992. The courses listed on the following pages explore various aspects of some of the distinctive ethnic and cultural heritages that have shaped America.

Afro-American Autobiography

July 14–August 14

The revolution in the study of Afro-American expressive culture, which began in the late 1960s, led to the publication and republication of many relevant texts, including several major Afro-American autobiographies. This course (ENGL 4722/5104) explores representative autobiographical works in Afro-American cultures, beginning with slave narratives and encompassing readings from the nineteenth and twentieth centuries, from *A Narrative of the Life of Frederick Douglass* to *Black Ice*. Students and faculty examine issues of text and textuality; ethnography and ethics; and gender and genre to develop significant and culturally informed critiques.

The course is taught jointly by Sue Zemka, CU-Boulder assistant professor of English, and visiting professor Houston A. Baker, Jr. Dr. Zemka is a specialist in Victorian literature and gender and ethnic literary studies, and Professor Baker is director of the Study of Black Literature and Culture at the University of Pennsylvania. Dr. Baker is also author of numerous works including *Blues, Ideology and African Literature*, *Modernism and the Harlem Renaissance*, *The Journey Back*, and *Issues in Black Literature and Criticism*.

For further information, contact the Department of English, Hellems 101, Campus Box 226, CU-Boulder, Boulder, CO 80309-0226, telephone (303) 492-7381.

Globalizing the Music Curriculum

June 22–June 26, morning and afternoon sessions

June 29–July 3, morning session only

This intensive course (IMUS 5088) consists of three half-day sessions held over a two-week period, and is of particular interest to teachers and students of world arts and cultures. No previous background in music instruction or non-Western music is required to enroll. Students may register for one or both of the morning sessions, the afternoon session, or any combination of the three.

The first week's morning session is taught by Brenda Romero-Hymer, a CU-Boulder professor of ethnomusicology. Professor Romero-Hymer discusses methodologies for a global approach to music teaching in the classroom. The scope of the presentation includes how to find and choose materials and how to use materials in an ethnomusicological framework. The session focuses on music from Hispano and Asian-American cultures.

CU-Boulder faculty member John Galm, percussionist and ethnomusicologist, teaches the first week's afternoon session. Professor Galm, who spent the fall of 1991 on sabbatical in Senegal, West Africa, concentrates on African music cultures, with an emphasis on the drum ensemble. In addition to information about African music cultures, the session includes instruction on the roles of individual percussion instruments in the ensemble, as well as an introduction to melodic instruments, such as the *sansa* (thumb piano).

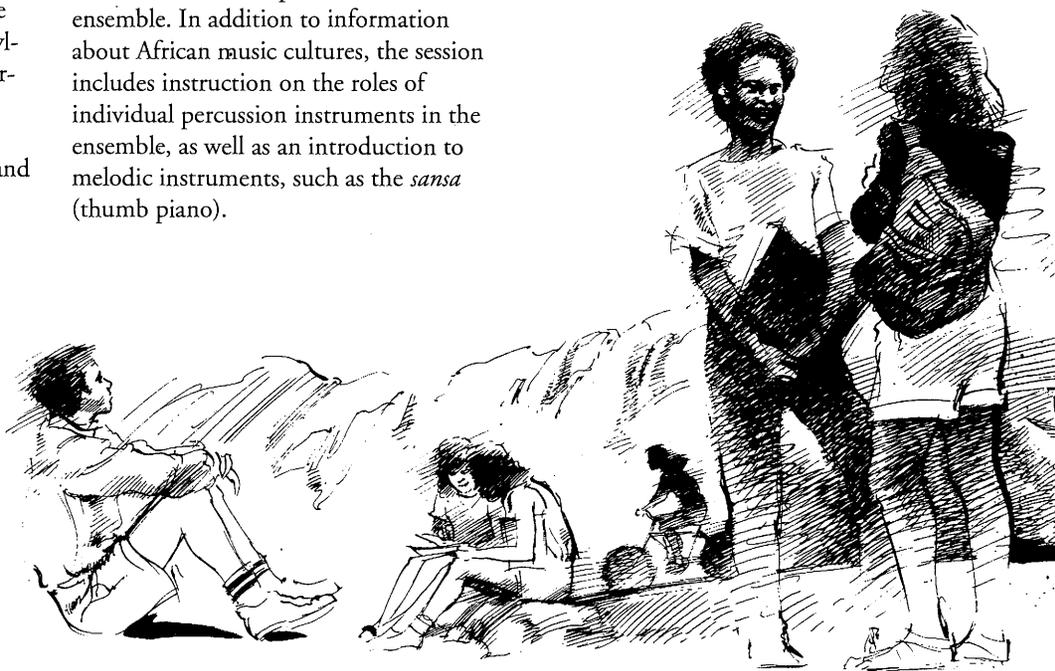

The second week's morning session is taught by Charlotte Heth, chair of the Department of Ethnomusicology and Systematic Musicology at UCLA. A specialist in American Indian music, Dr. Heth draws examples from American Indian musics to illustrate the pedagogical implications of including non-Western musics in the classroom. This session covers how to teach the principles of music, such as rhythm and melody, through American Indian music.

For further information, contact the College of Music, Imig Music Building C119, Campus Box 301, CU-Boulder, Boulder, CO 80309-0301, telephone (303) 492-7421 or (303) 492-6352.

Intensive Spanish Summer Institute

July 14–August 14

The Department of Spanish and Portuguese offers a five-week summer institute of intensive Spanish language and culture courses. This 6- or 8-credit hour Spanish immersion program includes an optional live-in Spanish language house; lunch and dinner table conversations with faculty and students; trips, excursions, and social and recreational activities; instruction in the Anderson Language Technology Center

Celebrating Diversity

with the most advanced video, computer, and interactive video technology available; and small classes meeting five hours daily with instructors.

Visiting Professor Alberto Duque López, author, journalist, and internationally recognized film critic from Bogota, Columbia, visits the class again this year. Participants have the opportunity to interact closely, both in the classroom and informally, with Mr. Duque López and the other instructors.

Participants enroll in two courses: a language skills course and SPAN 4220, Special Topics—Hispanic World Today. Upon acceptance to the institute, students are placed in the appropriate language skills course: SPAN 2150, Intensive Second Year Spanish; SPAN 2120, Second Year Spanish 2; or SPAN 3000, Advanced Spanish Language Skills. The goal of these intensive courses is the maximum development of all language skills: listening, speaking, reading, and writing. The Special Topics course focuses on Hispanic culture with numerous guest speakers, newspaper and magazine articles, short stories, plays, and films to gain insight into some of the social and cultural forces that typify the Hispanic world today.

Undergraduate students with at least one year of college Spanish and high school students with a least two years of Spanish are invited to apply. Selected participants pay tuition, room and board (optional), plus a program fee of \$200.

For further information and an institute application, contact Professor Ellen

Haynes, Department of Spanish and Portuguese, Campus Box 278, CU-Boulder, Boulder, CO 80309-0278, telephone (303) 492-6321 or 492-7308.

Islam and Muslim Communities in North America: Ethnicity, Governance, and Adaptation

July 14–August 14

Muslims in North America now number in excess of five million. These Muslim communities are comprised of immigrants from Arab countries, Pakistan, India, Iran, Turkey, and Bangladesh (among other places of origin), and African-Americans and various other indigenous peoples.

This new course (RLST 3820) focuses on Muslim community formation in North America, with special attention to ethnicity, nationality, sectarianism, cultural variations, assimilation, governance patterns, educational ventures, and conflicts/tensions between Islamic and North American law. The role of the Islamic Society in its declared task of “establishing an Islamic environment in North America” serves as a central theme.

This course is particularly interesting for students in religious studies, sociology, anthropology, American history, political science, and journalism/mass communications. Professor Fred Denny brings materials to the classroom from his recent

and ongoing field work across the U.S. and Canada.

For further information, contact the Department of Religious Studies, Woodbury 308, Campus Box 292, CU-Boulder, Boulder, CO 80309-0292, telephone (303) 492-8041.

Rites of Passage

July 14–August 14

Life magazine recently devoted an entire issue to the “rites of passage” associated with the important stages of a human life, including birth, coming to adulthood, marriage, and death. In the New York State Assembly, a proposal is being discussed for introducing rites of passage in public schools. In California, thousands of youth are being initiated into a group called Rites of Passage, Incorporated. Why is there such a surge of interest in rites of passage? And what can scholars contribute to understanding this phenomenon? What theories and methods in ritual studies are useful in constructing, criticizing, and interpreting rites of passage?

This course (RLST 4820/5820), taught by visiting professor Ronald Grimes, is an introduction to the study of ritual, concentrating specifically on rites of passage, both traditional and experimental, in North America. Attention is given to comparative materials from a variety of cultures and a diversity of religious traditions. The course considers cultural

Celebrating Diversity

and religious ways of negotiating major life-cycle transitions, especially those of birth, initiation, marriage, and death.

Ronald Grimes is a professor in the Department of Religion and Culture at Wilfrid Laurier University in Ontario, Canada, and he is the General Editor of the *Journal of Ritual Studies*.

For further information, contact the Department of Religious Studies, Woodbury 308, Campus Box 292, CU-Boulder, Boulder, CO 80309-0292, telephone (303) 492-8041.

Historical and Contemporary Issues of Black Women

June 8–July 10

Mammy, matriarch, sex object—are but three socially constructed, externally defined, controlling images applied to African-American women. In this course (WMST 3505/BLST 3505), students examine the contours of Black women's objectification and analyze how systems of race, gender, and class oppression interlock. Films, texts, and supplemental materials by and about Black women serve as the basis for class exercises, assignments, and discussions.

Michele Simpson is a local lawyer and the director of a Black environmental foundation. She developed this course and has taught it for the Women Studies Program for several years. Because of its focus and popularity, it has become an important addition to the curriculum.

For further information, contact the Women Studies Program, Cottage #1, Campus Box 246, CU-Boulder, Boulder, CO 80309-0246, telephone (303) 492-8923.

Women and Popular Culture

July 14–August 14

As modern poet Wallace Stevens wrote in "The Idea of Order at Key West," each woman is the "maker of the song" she sings and is the "single artificer of the world" in

which she lives. This course (JOUR 4872/5872) explores how women are perceived in contemporary Western culture, as well as how they perceive themselves. Through a study of contemporary literature, television news and programming, popular magazines, advertising and current newspaper articles, students examine how women help to create mass culture and their image in society.

For further information, contact the School of Journalism and Mass Communication, Macky 207, Campus Box 287, CU-Boulder, Boulder, CO 80309-0287, telephone (303) 492-0461 or 492-5007.

Mothers and Daughters in Literature

June 8–July 10

Contemporary women writers have concentrated much attention on the mother-daughter bond, celebrating its powers and examining its heartbreaks. Students in this course (WMST 3700) read and discuss short stories, a novel, poetry, and an autobiography that show the relationship from many cultural perspectives.

Judith Sornberger, a visiting professor, is an accomplished poet who has explored many of these issues in her poetry. Her book, *Open Heart*, is currently being published by Calyx Books, a distinguished feminist press.

For further information, contact the Women Studies Program, Cottage #1, Campus Box 246, CU-Boulder, Boulder, CO 80309-0246, telephone (303) 492-8923.

In addition to the special courses already listed, the Center for Studies of Ethnicity and Race in America (CSERA) offers the following courses relevant to the diversity theme during Summer Session 1992:

Chicano Fine Arts and Humanities

June 8–July 10

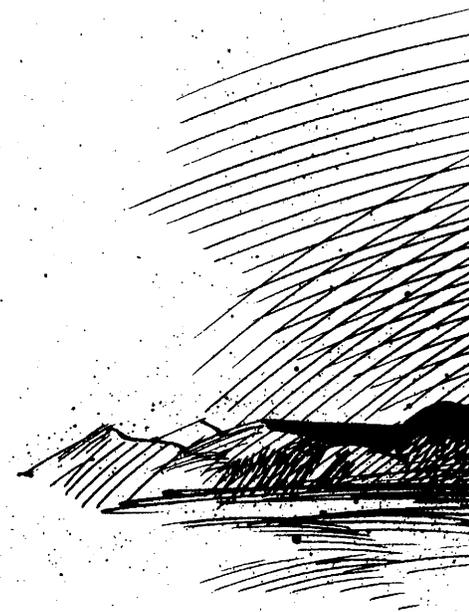

This course (CHST 1031) provides the foundation for the study of Chicano literature, music, the plastic arts, theatre, and film. Aesthetic and critical concepts and their applications in Chicano studies are also introduced.

Blacks in the U.S. Educational System

Taste and Principle in Eighteenth-Century English Painting and Literature**July 14–August 14**

How to behave and what to think in polite and impolite society were much debated questions in eighteenth-century England, as the middle class emerged into confident independence and aristocratic pretensions grew less convincing. This course (HUMN 4092) involves a study of three contrasting but interlocking areas of art and literature in England from 1730 to 1790: classical aristocratic tastes, middle-class manners including satirical comment, and the cult of sensibility.

The works of Pope, Reynolds, Johnson, Fielding, Hogarth, Richardson, Sterne, and Gainsborough are explored. Students reflect on and relate major artistic and moral concerns in eighteenth-century English painting and literature.

Guest professor Brian Davis, from England, is uniquely qualified to teach this interdisciplinary approach. He holds degrees in English literature from Cambridge and in painting and architecture from the Courtauld Institute of Art. Davis is also a concert musician.

For further information, contact the Department of Humanities, Ketchum 227, Campus Box 331, CU-Boulder, Boulder, CO 80309-0331, telephone (303) 492-6246.

Teachers are always welcome in the summer to explore timely topics in education or refine their skills in a particular discipline.

Special Topics in Education

To accommodate public school teachers' schedules, the School of Education offers summer courses in three-, four-, and five-week blocks. Three kinds of courses are available: (1) those that meet general teacher certification requirements, (2) those that meet requirements for teachers in graduate programs, and (3) those that deal with specific topics that meet recertification requirements.

In addition to offering Special Topics in Education courses (EDUC 6804), the School of Education sponsors a series of academic and social events for teachers throughout the summer. The school hosts five brown-bag seminars where professors share their research findings on such topics as school and home/community culture, alternative assessment, and language/cultural differences in the classroom. Students also have the opportunity to meet faculty and administrators from the campus at information and social gatherings.

Education offices are located in the Education Building, room 151 (undergraduate and teacher education) and room 153 (graduate education).

For further information, contact Dean Philip P. DiStefano, School of Education, Campus Box 249, CU-Boulder, Boulder, CO 80309-0249, telephone (303) 492-6937.

Archaeological Field and Laboratory Research

July 14–August 14

This course (ANTH 4350/5350) features intensive hands-on experience in the techniques of archaeological fieldwork. Students are introduced to the basics of locating, recording, and excavating archaeological sites, as well as to the important interactions between research problems and field strategies. Laboratory work involves the preliminary cataloging and processing of material recovered in the excavation.

The class is tentatively scheduled to be held in the mountains south of Steamboat Springs and requires students to live as a group in a field camp or other temporary housing for the duration of the project. This course should appeal to anthropology majors, particularly those specializing in archaeology, as well as to historians or anyone interested in Colorado's past or Native American prehistory in general.

The instructor, Dr. Douglas Bamforth, specializes in the archaeology of hunters and gatherers on the Great Plains. His archaeological field experience includes survey and excavation on the Plains, as well as in central Nevada, coastal and desert California, and southwestern Germany.

For further information, contact the Department of Anthropology, Helms 90, Campus Box 233, CU-Boulder, Boulder, CO 80309-0233, telephone (303) 492-7586 or 492-7947.

Plants of Colorado

July 14–August 14

Explore the botanical diversity of Colorado in this course (EPOB 4520) offered at the University of Colorado Mountain Research Station (MRS) near Niwot Ridge in the Colorado Rockies. The course combines lectures, field trips, and laboratory study to investigate the flora of Colorado, ranging from the eastern plains to the alpine tundra. Emphasis is on vascular plants (ferns, conifers, and flowering plants) occurring within this great variety of ecological zones. The evolution of the flora as a whole, as well as that of particular groups of plants, is investigated.

The course is taught by Tom A. Ranker, curator of Botany, University of Colorado Museum and faculty member in the EPO Biology department. Dr. Ranker has considerable botanical field experience in both temperate and tropical regions including the continental United States, Canada, Mexico, the Caribbean, Central America, and Hawaii.

Students may arrange for room and board at the Mountain Research Station. Those choosing not to live at the station may take advantage of the daily shuttle service that runs from the Boulder campus to the station.

For further information, contact the Department of EPO Biology, Ramaley N122, Campus Box 334, CU-Boulder, Boulder, CO 80309-0334, telephone (303) 492-8981, or the Mountain Research Station, Campus Box 450, Nederland, CO 80309-0450, telephone (303) 492-8841.

Course offerings include anthropology, astronomy, general biology, interpersonal communication, and expository writing.

Estimated fees (including tuition, room, board, and the program fee) for 1992 are \$1,965 for in-state students, and \$2,680 for out-of-state students. A limited number of day students who live within commuting distance of the Boulder campus can be accepted. YSSS applications must be received by May 15, 1992. Scholarships are available on a limited basis and scholarship applications must be received by May 1, 1992.

These networks allow students, faculty, and staff to access a host of computing resources (including the library's public access catalog), to exchange

Student Services

electronic mail with others on campus or around the world, and to connect with national resources such as supercomputing centers and databases.

CNS maintains an extensive database of campus information (CULine) that includes course availability, student job listings, calendars of activities, and the popular question-and-answer service, Ask Ralphie.

A team of computing advisors is available in Duane Physics C119, in the Engineering Center CR2-23, and in Norlin Library N310 to provide help for users. Advisors are also available by telephone at 492-1615. Users can also send electronic mail to CUBLDR::HELP if they have questions or suggestions about CNS services. University Memorial Center

The University Memorial Center (UMC) is the focal point for campus nonacademic activities. The UMC was built as a memorial to those who died preserving our democratic freedoms. Recent renovations have enhanced the use of the building as a multicultural center.

The UMC houses a reception desk that provides campus information; a games area for bowling, billiards, and an arcade; the Fine Arts Center with an art gallery, browsing room, and music listening rooms; the photo ID office; and the University Book Center. The food service areas include a cafeteria, grill, delicatessen, pizza parlor, vending area, Mexican cantina, and catering service with several private dining areas. Students also appreciate the convenience of a computerized ticket service; a copy center; and a variety of retail shops and services, including a travel agency, and banking facilities.

The UMC also provides a conference center with special meeting rooms; the Glenn Miller Ballroom; the Forum Room

for lectures and movies; attractive lounges; and office space for the University of Colorado Student Union (student government), Legal Services, Off-Campus Student Services, Environmental Center, nonacademic room scheduling, KUCB radio station, and numerous student organizations.

Veterans Office

The Veterans Affairs Office is part of the Office of Financial Aid and assists eligible students in receiving Veterans Administration educational benefits. As a condition of receiving benefits, prospective students must be accepted to a degree program at CU-Boulder, or acceptance must be imminent.

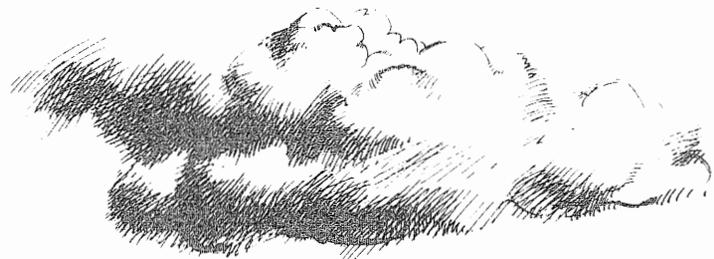

Students whose degree-granting institution is *not* CU-Boulder must obtain a statement from the academic advisor at their home campus granting prior approval of course work and credit hours at CU-Boulder. The Veterans Affairs Office cannot certify enrollment for benefits without this approval.

CU-Boulder is approved for veterans benefits under the following programs: Montgomery G.I. Bill, Chapter 30; Vocational and Rehabilitation, Chapter 31; Veterans Educational Assistance Program (VEAP), Chapter 32; Dependents'

Educational Assistance Act, Chapter 35; and the Selected Reserve (and National Guard) Educational Assistance Program, Chapter 106.

The office has a counselor to assist students with planning academic schedules in relation to V.A. regulations and also certifies all enrollments for V.A. educational benefits. An eligible student must provide the office with a list of summer courses as soon as registration is complete. A student may be eligible for advance payment if the student has not used educational benefits within one calendar month from the beginning of the applicable term.

Students who plan to use their V.A. educational benefits while taking courses at CU-Boulder should contact the Veterans Affairs Office, UMC 165, telephone (303) 492-7322.

Nondegree Student Admission

If you want to attend CU-Boulder as a nondegree student, use the nondegree student application on page 71. You may apply as a nondegree student if you:

- want to take summer courses but you are not working toward a degree at CU-Boulder (including students wanting to transfer from another institution or another campus of the University of Colorado for the summer only)
- have already received an undergraduate or graduate degree from CU-Boulder and do not wish to apply to another degree program
- are a high school junior who is interested in attending CU-Boulder the summer before your senior year
- are a certified teacher with a baccalaureate degree who seeks only to renew a current certificate and who does not require institutional endorsement or recommendation
- are on nondegree student academic suspension, and wish to raise your grade point average and work to have your academic suspension released

Nondegree Requirements

With the exception of high school students, nondegree students must be 18 years of age or older and have a high school diploma or its equivalent in order to qualify for admission. You may register for courses on a pass/fail basis; however, such courses count toward the maximum number of pass/fail credits allowed if you change to degree status. Nondegree students who have completed 6 semester hours of credit at CU-Boulder must maintain a 2.00 cumulative grade point average in order to avoid suspension. Admission as a nondegree student does not guarantee future admission to a degree program.

Former Boulder degree students who have not yet received a degree cannot register as nondegree students. These students must apply for admission as degree students (see page 21).

If you have already applied for admission to an undergraduate degree program at Boulder for summer session or fall semester 1992, you should call (303) 492-2451 to see if the nondegree application is also necessary for you.

We will send you information after you are admitted that explains when payments are due. Nondegree applicants are exempt from the application fee.

Applications and credentials submitted for admission cannot be returned to applicants.

For more information about admission procedures and application status, call (303) 492-6301.

Nondegree Students Transferring to a Degree Program

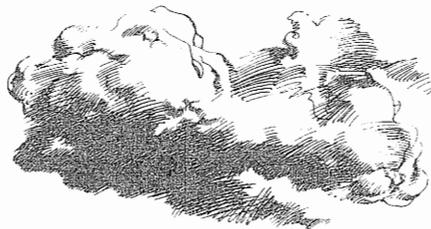

Undergraduate Students

If you are currently enrolled or you have been enrolled at any CU campus as a nondegree student, you must contact the Office of Admissions for an application.

With the approval of the appropriate dean's office, a maximum of 12 semester hours (less in some departments) taken as a nondegree student will transfer to your degree program.

Graduate Students

Students wishing to transfer to a graduate degree program should refer to the "Graduate School" section of the *University of Colorado at Boulder Catalog*. A department may recommend to the graduate dean the acceptance of as many as 9 semester hours toward a master's degree and 21 semester hours toward a doctoral degree. Limits and transfer credit criteria may vary by department.

Degree Student Admission

Degree students who are enrolled at CU-Boulder in classes during spring semester 1992 and continuing through summer session 1992 do not need to submit an application for summer session. Summer registration for continuing students is from March 18 through June 2 (see pages 32 and 80).

Undergraduate Degree Students

Students who want to enter an undergraduate degree program at CU-Boulder during summer 1992 should request an application for admission (do not use the nondegree application in this catalog).

You should apply for admission as an undergraduate degree applicant if:

- you want to begin a degree program at CU-Boulder during the summer of 1992
- you are a former CU-Boulder student who is returning to a degree program this summer and who did not attend during spring semester 1992
- you have been academically suspended from a CU-Boulder degree program and wish to raise your grade point average and work to have your suspension released. If you are suspended at the end of spring semester 1992, you need not reapply for admission

You can request an application for admission for undergraduate degree

programs by contacting the Office of Admissions, Regent Administrative Center 125, Campus Box 30, CU-Boulder, Boulder, CO 80309-0030, telephone (303) 492-2456.

Applications and credentials submitted for admission cannot be returned to applicants.

For more information about admission procedures and application status, call (303) 492-6301.

See page 20 for information on how nondegree students transfer to degree programs.

Intrauniversity Transfer

CU-Boulder undergraduate students *who are enrolled for spring semester 1992* and wish to transfer to another college or school on the Boulder campus for summer session 1992 should consult the *University of Colorado at Boulder Catalog* and with the college or school they wish to enter for appropriate instructions, deadlines, academic requirements, and application forms. Some colleges and schools allow intrauniversity transfer for fall and spring semesters only.

Former undergraduate students *who are not enrolled for spring semester 1992 on the Boulder campus* and wish to transfer to another college or school on the Boulder campus for summer session 1992 should contact the Office of Admissions for an application for admission.

Graduate Degree Students

You may register for summer session without submitting an application if you are continuing from spring semester 1992, in good standing, and did not complete a degree at the end of spring semester 1992.

You must consult with your department for appropriate application forms and instructions if you are a new applicant for graduate study or a former student applying to a different degree program.

If you are a former graduate degree student who did not attend spring semester 1992 and are returning to your previous graduate degree program and level, you must reapply for admission. Request an application for admission for graduate degree programs by contacting the Office of Admissions, Regent Administrative Center 125, Campus Box 30, CU-Boulder, Boulder, CO 80309-0030, telephone (303) 492-2456.

All graduate students, including those who received a degree in May, *must* attend as nondegree students or submit a new graduate admission application and be admitted in order to pursue another degree.

Applications and credentials submitted for admission cannot be returned to applicants.

See page 20 for information on how nondegree students transfer to degree programs.

Teacher Certification

Students interested in teacher certification should refer to the "School of Education" section of the *University of Colorado at Boulder Catalog*. If you are renewing your current certification, see the "Nondegree Students" section (see page 20). If you hold a baccalaureate degree and seek initial teacher certification, you should apply to the School of Education for the teacher certification program. For information on the deadlines for admission to the teacher education program, contact the Office of Teacher Education, Campus Box 249, CU-Boulder, Boulder, CO 80309-0249, phone (303) 492-6555.

Foreign Student Admission

Foreign students are those who already have, or will be applying for a temporary U.S. visa. (If you have established permanent resident status in the United States and have an alien registration number, you are not considered a foreign student.)

Foreign Nondegree Applicants

You may apply as a nondegree student for summer session if you are in the United States in an appropriate nonimmigrant status that extends your lawful stay through the summer. The University of Colorado at Boulder does not issue form I-20 or assume any immigration responsibility for you if you are a nondegree student.

Students holding temporary visas may gain admission as nondegree students only with permission from Foreign Student and Scholar Services. Contact Foreign Student and Scholar Services, Office of International Education, Campus Box 123, CU-Boulder, Boulder, CO 80309-0123, phone (303) 492-8057.

If you are a foreign student and wish to apply for admission as a nondegree student for the summer only, you should complete the nondegree student application on page 71 of this catalog and send it to Foreign Student and Scholar Services.

As a foreign student applicant you must send the following with your application:

- a letter from your foreign student advisor, dean, or other appropriate official at the school you currently attend certifying that you are in good standing and that you are eligible to, and intend to, return to that school in the fall term
- a photocopy of your immigration forms I-20, I-94 (both sides), or other documentary evidence regarding your immigration status
- documentary evidence of your financial support for the summer

Foreign Student and Scholar Services determines your eligibility for nondegree student status. Admission as a nondegree student is for the summer only and does not constitute admission to a degree program or permission to continue enrollment beyond the summer.

If you are not already in the United States, we encourage you to not come to the United States for the purpose of attending summer session as a nondegree student at the University of Colorado at Boulder. The University cannot issue forms I-20 or other immigration documents for this purpose.

Foreign Degree Applicants

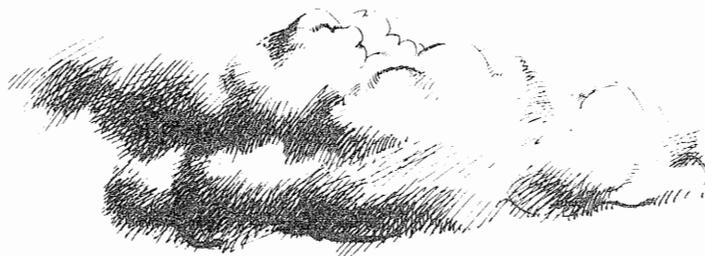

If you want to apply for an undergraduate or graduate degree at the University of Colorado at Boulder, you should contact the Office of Admissions for appropriate instructions and application materials. (Do not use the nondegree application in this catalog.)

After Admission

Upon arrival in Boulder, you should check in, with passports and immigration documents, at Foreign Student and Scholar Services. The staff will talk with you about instructions for registration and other information necessary for you as a new foreign student.

If you are a sponsored student whose tuition and fees are paid to the University by a sponsoring agency, you must provide, before registration, documentary evidence of that sponsorship and a billing authorization to the Bursar's Office, Regent Administrative Center 102, Campus Box 48, CU-Boulder, Boulder, CO 80309-0048.

Also, send a copy of the documents to Foreign Student and Scholar Services. If you are not a sponsored student, you must be prepared to pay summer session tuition and fees at the time of registration.

Tuition, Fees, and Expenses

Summer expenses will vary depending on your program of study and your residency classification. Summer session 1992 tuition rates are shown in the charts on page 24. See page 26 for a sample budget of estimated expenses for financial aid planning purposes.

Summer students also must pay student activity fees. An estimated fees chart is shown on page 25 for planning purposes. The exact amount of fees was not finalized at the time this catalog was printed.

Deposit. All new and readmitted degree students pay a \$200 enrollment deposit before registration. Some degree programs require new students to attend an orientation program as an introduction to the University. You must pay your enrollment deposit before registering at orientation. The enrollment deposit is waived for nondegree students.

At on-campus registration, new and readmitted degree students who have not previously paid the deposit (\$200) for summer session 1992 must do so before registering.

Your enrollment deposit is held until you graduate or officially withdraw within established dates and guidelines (see page

36 for withdrawal information). At that time, your deposit will be credited toward any outstanding financial obligations you may have, and a refund will be mailed to you in approximately six weeks.

Matriculation Fee. If you are a degree student new to a program, you must pay a nonrefundable matriculation fee of \$15 at registration. If you are a nondegree student who is admitted to degree status, we will assess a \$15 matriculation fee when you first register as a degree student.

Graduate Students

Out-of-state students enrolled as master's "Candidate for Degree" in order to take a comprehensive examination for a master's

degree must pay for 3 semester hours at 60 percent of the 3-credit-hour charge for out-of-state graduate students.

Additional Tuition for Graduate Students

Tuition, Fees, and Expenses

Estimated Summer 1992 Student Fees

The fees you pay support a number of campus programs and services. The UCSU (University of Colorado Student Union) fee supports the University Memorial Center, the Student Recreation Center, Wardenburg Student Health Center, student government programs, and other activities. Other fees support the student information system (SIS), and a student computing fee of \$5 is assessed to students who are enrolled in 6 or fewer credit hours and \$10 is assessed to students who are enrolled in 7 or more credit hours. The regional transportation district (RTD) bus pass fee was initiated during the 1991-92 academic year. The \$10 per semester fee allows all students to unlimited rides on the local and express buses by showing a validated student ID when boarding. A reduced rate of \$1 and a student ID pays for rides on the regional routes.

Fees are based on the number of weeks you are enrolled. Students who enroll for more than one summer term, or overlapping summer terms, will pay fees for all of the applicable terms, to an estimated maximum of \$103. Exceptions are as follows: students registering for independent study are assessed fees for 10 weeks; students registering for intensives courses *only* do not pay fees.

| ENROLLMENT | ESTIMATED MANDATORY STUDENT FEES* |
|--|-----------------------------------|
| One week | \$10.30 |
| Two weeks | 20.60 |
| Five weeks Term A (June 8–July 10) or Term B (July 14–August 14) | 51.50 |
| Eight weeks Term C (June 8–July 22) | 82.40 |
| Ten weeks Term D (June 8–August 14) and independent study only | 103.00 |
| Term E or F—intensive course only | 0.00 |

*Student fees for summer 1992 were not finalized by the date this catalog was printed (January 1992).

Paying Your Bill

You must pay your tuition and fee bill in full by 4:00 p.m. June 26. However, if you register for a term B, E, or F class only or a combination of term B, E, and F classes, your deadline is 4:00 p.m., August 3. Students who register July 20 or later for any term will be required to pay their bill in full when registering.

The deferred payment plan is not available during the summer. We will mail a bill for any remaining balance to your summer address, or permanent address if a summer address is not on record for you. A copy also will be available at schedule/bill distribution June 5 and July 13. *If you do not receive a tuition and fee bill, you are still responsible to know the amount of your bill and to pay on time.*

University policy requires that financial stops be placed on your records if you do not pay your entire tuition and fee bill by June 26, 1992. This stop prevents you from registering, receiving a diploma, or receiving a transcript of academic work at the University; the only exceptions are loans maturing after graduation.

Tuition Drop Boxes. Drop off your tuition payments, telephone payments, and any other bills owed to the Bursar's Office in either of the drop boxes at Regent Administrative Center (at the north and south entrances).

Mail Early. Postmarks are not honored. If you are mailing your payment, mail early so we receive it by the deadline.

Late Charges. If your payment arrives after the deadline, you must pay late charges at the rates below.

| Balance Due | Late Charge |
|--------------|-------------|
| \$ 1 – 99.99 | \$ 5 |
| 100 – 299.99 | 10 |
| 300 – 499.99 | 20 |
| 500 – 699.99 | 30 |
| 700 – 899.99 | 40 |
| 900 and over | 50 |

Personal Checks. If you pay any University bill with a check that is returned from the bank, you may be subject to a variety of penalties as permitted by law and University policy.

Late Registration Fee. The University charges a late registration fee to all students (including those registering for master's or doctor's thesis) who do not register by the deadline. The late registration fee is \$20 on the first day, \$25 on the second day, and \$30 thereafter.

Schedule Adjustment. Be aware of the deadlines for dropping and adding classes to avoid being charged for credits you drop after the schedule adjustment deadline.

You are charged for all added credits. However, you will not receive a tuition and fees refund for credits dropped after the *fifth working day* of a 5-week term or the *tenth working day* of an 8- or 10-week term (*i.e.*, June 13 for term A classes *regardless of the number of times the class meets*). Drop classes by 4:00 p.m. on the following dates in order to have your tuition and fee bill adjusted:

- June 12 for term A
- July 20 for term B
- June 19 for terms C and D
- the *second* day of classes for intensives that last two weeks or less
- the *fifth* day of class for a course lasting more than two weeks

Withdrawals. Continuing and nondegree students who cancel their summer registration by June 1 will not be

Tuition, Fees, and Expenses

assessed any financial penalty. New and readmitted students must pay a nonrefundable \$200 enrollment deposit. For other withdrawal deadlines, refer to the "Summer Withdrawal Assessment Schedule" on page 36.

Residency Classification

New students are classified as in-state or out-of-state for tuition purposes on the basis of information provided on their application for admission and other relevant information. If you are applying for in-state tuition, you may be required to submit evidence substantiating your claim of in-state eligibility. If you feel your initial classification is incorrect, you may address inquiries to the tuition classification coordinator (see address below).

Petitioning for In-State Classification

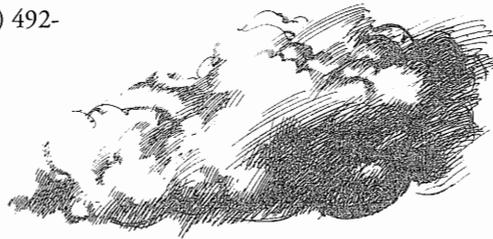

If you feel your classification is incorrect or you are eligible for a change to in-state status, you must submit a petition with documentation in order to have your status changed. For the necessary petition forms and an explanation of the Colorado tuition classification statute, contact the Tuition Classification Coordinator, Regent 105, Campus Box 68, CU-Boulder, Boulder, CO 80309-0068, telephone (303) 492-

6868. A complete explanation of in-state tuition classification is also published in the *University of Colorado at Boulder Catalog*. If you are a student at another CU campus, you should address your inquiries to the appropriate Office of Admissions and Records.

If you are a resident of a participating western state enrolled in a graduate program approved by the Western Interstate Commission on Higher Education, you are entitled to in-state tuition rates. Call or write the tuition classification office or academic departments for further information.

Petitions for residency classification are due by June 12, 1992, for terms A, C, and D. Petitions for term B are due by July 9, 1992. Petitions for terms E and F must be submitted by the first day of class.

Further information on tuition, fees, and deposits is available from the Bursar's Office, (303) 492-5381. *The Board of Regents reserves the right to change tuition without notice.*

Estimating Expenses

Expenses for summer session students at CU-Boulder vary, depending on whether you are an in-state or out-of-state resident, where you live, and your personal needs and interests. The following figures are estimated expenses for a single student taking 6 credit hours in the College of Arts and Sciences.

SAMPLE BUDGET FOR SINGLE STUDENT LIVING OFF CAMPUS 1992 Summer Session (10 weeks)

¹Classification of students as in-state or out-of-state for tuition purposes is governed by state law. Detailed information is available from the tuition classification coordinator.

²Tuition figures are based on 6 semester hours of course work in the College of Arts and Sciences. See the tuition charts on page 24 for tuition rates for other colleges and schools.

³This figure is approximate. Student fees were not finalized at the time this catalog was printed (January 1992). Additionally, there is a one-time, nonrefundable matriculation fee of \$15 for new degree students. This fee is assessed at the time of initial registration only and is not included in the sample budget.

⁴Out-of-pocket estimate for 10 weeks. Continuing students who have student health insurance for spring semester 1992 are automatically covered for summer session. A separate summer session health insurance plan is available to students not already covered.

Financial Aid

To apply for financial aid for summer 1992, complete a 1991-92 United Student Aid Funds (USA Funds) SingleFile Form, as well as a *Summer Aid Application*, for the Office of Financial Aid. You must send the completed SingleFile Form to USA Funds so it is received by May 1, 1992.

Submit your summer aid application to the financial aid office by the priority date of March 2, 1992, in order to receive campus-based aid (including Perkins Loan, Summer Work-Study, and grants other than Pell Grants). For all other aid, you must submit the *Summer Aid Application* at least four weeks *before* the beginning of summer classes. Your *Summer Aid Application* is processed *only* if information from your SingleFile Form is available. Summer aid applications are available in the Office of Financial Aid, Environmental Design Building, room 2. The financial aid office will mail a missing information letter to you if additional information is needed to complete your file. Return the missing information by the deadline printed on the letter in order to be considered for summer aid. You must submit a copy of a 1990 tax return for *both you and your parents* (if dependent). Need-based funding for financial aid during summer session is usually limited, if available at all.

In order to receive aid, you must be enrolled at least half-time in a regular degree program during summer session 1992. Three semester hours is considered half time for undergraduate students,

except for the Pell Grant. You must enroll for at least 4 semester hours to be considered half time for a Pell Grant. Graduate students should consult with the Graduate School to determine half time according to their status.

To apply for a Stafford Loan for summer, you must file the 1991-92 SingleFile Form. Eligibility for summer Stafford Loans is dependent upon the cost of attendance and the amount borrowed during the academic year. For example, students who were eligible for a \$4,000 Stafford Loan during 1991-92, but borrowed only \$2,000, are still eligible for the remaining \$2,000 for the summer, depending upon the cost of attendance.

Additionally, you may borrow summer funds through the PLUS loan or the Supplemental Loan for Students (SLS). Eligibility is dependent upon the amount you borrowed during the academic year, when you borrowed during the year, and on the cost of attendance. We will send you a summer award offer if you qualify for summer financial aid. If you qualify for loans, we will also include appropriate loan applications and instructions on how to apply. You *must decline or accept* your awards. Your Stafford and/or SLS/PLUS loan will be processed once you register for classes for the summer, and after you return your summer award offer accepting the loans.

Important Dates

Summer aid applications are available now and are due to the financial aid office by March 2, 1992.

If you are applying for aid for fall, spring, or summer 1992-93, you must file the 1992-93 SingleFile Form as soon as possible after January 1.

Applications for 1992-93 are available in the Office of Financial Aid or from local high schools.

Summer Hourly Employment

Summer jobs are posted in the student employment area of the Office of Financial Aid and on CULine. Positions include working as clerical assistants, food service workers, grounds keepers, night clerks, painters, conference aides, lab assistants, student librarians, cashiers, and peer counselors.

The Job Location and Development (JLD) coordinator is available to assist you in locating suitable off-campus hourly employment. If you are interested, come to the Office of Financial Aid or call (303) 492-5091 to arrange an appointment.

JLD also administers an on-call service to place you in temporary assignments, including baby-sitting, yard work, clerical, and general labor positions. If interested, pick up an application form from the student employment area of the Office of Financial Aid.

In addition, JLD offers a job-match service to help match your specific skills with an appropriate employer. Applications are available in the student employment area of the financial aid office.

Grades

Following is important information about summer course loads, full-time status, our grading system, and how grade point averages are calculated. You will also be interested in knowing more about transcripts and privacy of records.

Course Load Definitions

Undergraduate. In the summer, undergraduate students enrolled in 6 semester hours or more qualify for full-time status.

Graduate. Summer graduate students qualify for full-time status if they are enrolled for at least 3 semester hours in course work numbered 5000 or above; 4 semester hours in a combination of undergraduate, graduate, or professional course work used for graduate credit; or any number of thesis hours.

For further information and guidelines regarding other course load regulations, check the specific college and school sections of the *University of Colorado at Boulder Catalog*.

If you receive financial aid, veterans benefits, or are living in University housing, you should check with the appropriate office regarding course load requirements for eligibility purposes.

Grading System

The following grading system is standardized for all colleges and schools of the Boulder campus. Each instructor is responsible for determining the requirements for a course and for assigning grades on the basis of those requirements.

GRADE SYMBOLS

| | |
|-----------|--|
| <i>IF</i> | = incomplete—regarded as <i>F</i> if not completed within one year. |
| <i>IW</i> | = incomplete—regarded as <i>W</i> if not completed within one year. |
| <i>IP</i> | = in progress—thesis at the graduate level. |
| <i>P</i> | = passing—under the pass/fail option, grades of <i>D-</i> and above convert to a <i>P</i> . Other specified courses may also be graded on a pass/fail basis. |
| <i>NC</i> | = registration on a no-credit basis. |
| <i>W</i> | = withdrawal or drop without discredit. |
| *** | = class grades were not submitted by the time final grades were processed or student is currently enrolled in the course. |

Explanation of *IF* and *IW*

An *IF* or *IW* is an incomplete grade. Policies with respect to *IF/IW* grades are available in the individual college and school dean's offices. Use of the *IF* or *IW* is at the option of the academic dean's office.

You must ask for an incomplete grade. An incomplete grade is given only when you, for reasons beyond your control, have been unable to complete the course requirements. You must have completed a substantial amount of work satisfactorily before approval for such a grade is given.

Your instructor decides whether to grant your request for *IF* or *IW*, and also sets the conditions whereby the course work must be completed. Your instructor may set a time limit of less than one year for completion. You are expected to complete the requirements within the established deadline and not retake the entire course. In some cases, your instructor, with approval of the department, will determine that you need to retake the course. If you retake the course, you will need to register again for the course and pay the appropriate tuition.

After you complete the course requirements or retake the course, the *IF* or *IW* grade symbol will still appear on your transcript. A second entry is posted on your transcript to show the final grade for the course.

At the end of one year, *IF* and *IW* grades for courses that are not completed or repeated will be regarded as *F* or *W*, respectively. The academic dean's office normally will not approve requests for an extension of time to complete the course beyond the one-year deadline.

Grade Point Average

To calculate your grade point average (GPA), add the hours and the credit points for all of your courses and divide the total credit points by the total semester hours. Courses with grade symbols of *P*, *NC*, *W*, *IP*, *IW*, and *IF* are excluded when totaling the semester hours. *IF*s that you do not complete within one year are calculated as *F* at the end of the one year grace period. All grades of *F*, including those earned when registered as pass/fail, are calculated in your GPA. If you retake a course, both final grades earned are used to determine your University GPA.

University of Colorado policy bases your GPA on your level, *i.e.*, undergraduate, graduate, graduate nondegree, and professional. If you are in or may have been in more than one level, you will carry a separate GPA for each level.

Your academic dean's office can give you information about your individual grade point average calculations in relation to academic progress and graduation from your college or school.

Academic Standing

Good academic standing in most undergraduate colleges and schools requires a 2.00 GPA. Consult your dean's office about college or school minimum GPA requirements and probationary policies.

Grades

Grade Reports and Transcripts

We will mail grade reports for any of the summer terms (term A through term F) to your permanent address approximately two weeks after the end of the summer session.

Your transcript includes a complete academic record of your courses, undergraduate and graduate, taken at all campus locations or divisions of the University of Colorado.

A transcript of your academic record at the University of Colorado may be ordered in person at Regent Administrative Center 105, by phone at (303) 492-8987, by FAX at (303) 492-4884, or by mail from the Office of the Registrar, Transcript Section, Campus Box 68, CU-Boulder, Boulder, CO 80309-0068.

Transcripts that include summer term grades are available two weeks after final examinations end. A transcript that is to have the degree recorded will be available the last week of September. Transcript requests should include the following:

- your full name (include maiden or other name if applicable)
- your student number or date of birth
- your last term and the campus you were attending

- whether your current semester grades and/or degree are to be included when you order a transcript near the end of a term
- full name of the recipient
- complete mailing address
- your signature (your authorization to release your records to the designee)

The office requires five working days after receiving your request to process a transcript. There is no charge for a transcript; however, for a \$3 special handling fee, a transcript can be processed by the next working day. Transcripts mailed directly to you are labeled "issued to student."

Transcripts are prepared only at your request. If you have financial obligations to the University that are due and unpaid, we will not grant you a transcript. Due to University policy, copies of transcripts from other institutions cannot be furnished.

Your Rights to Privacy of Your Education Records

The Family Educational Rights and Privacy Act (FERPA) of 1974 protects the privacy of education records, establishes your right to inspect and review your education records in all offices, and provides guidelines for the correction of

inaccurate or misleading data through informal and formal hearings. Periodically, but not less than annually, the University informs students of the stipulations in the act. You also have the right to file complaints with the FERPA office concerning alleged failures by the institution to comply with the act.

If you are a currently enrolled student, you may withhold disclosure of directory information under FERPA. To request that information not be released, you should inquire at the registrar's office before the eleventh day of classes each term. Once requested, information will not be released until you are no longer enrolled or request that the registrar's office discontinue withholding information.

Boulder campus students may request the form that describes the Family Educational Rights and Privacy Act from the Office of the Registrar, Regent Administrative Center 105, Campus Box 68, CU-Boulder, Boulder, CO 80309-0068.

Housing

Summer housing choices range from University facilities for single and married students to off-campus rentals in all areas of Boulder. These facilities are available through the offices designated below.

All Summer Students

Summer students applying for summer housing in the residence halls should complete and return the University of Colorado residence halls application for summer 1992 on page 73 of this catalog. The completed application should be mailed to Residence Halls Reservation Center, Hallett 80, Boulder, CO 80310. Include an advance payment of \$80 to complete your summer housing application. All residence hall facilities are reserved on a first-come, first-served basis, without regard to race, religion, or color.

University housing reservations (and advance payments) and University admissions confirmation procedures (and deposits) are separate transactions, one of which does not guarantee the other. For information regarding admission to the University or confirmation procedures, call the Office of Admissions at (303) 492-6301.

Most rooms are rented on a room and board basis; however, there is a limited number of room-only accommodations for upper-division students. No meals are served on Sundays during summer session and refunds are not provided for meals missed.

Rates for summer session 1992 were not yet determined when this publication went to press (January 1992); however, an increase over 1991 is anticipated. If you

reserve a room, we will inform you of any rate increase. Rates are subject to change. You must pay your room and board for the entire period reserved at the time you check in.

You may move in after 8:00 a.m. on June 4 for the first 5-week term, the 8-week term, and the 10-week term, and on July 12 for the second 5-week term. Unless you give advance notice, you must occupy your room no later than the first day of classes for the term in which you are enrolled or your room may be released to another student. You must move out of your room before 10:00 a.m. on the day after the term ends. If changes in the University academic calendar require changes in residence hall occupancy and meal service dates, notice will be sent with room assignments.

If you are taking a short-term course (less than five weeks) you may arrange to live in a residence hall. For further information, write to the Residence Halls Reservation Center.

Freshman Degree Students

If you are a freshman degree student during summer session or a freshman attending your first two academic semesters (fall and spring), you are required, subject to the availability of space, to live in a University residence hall. Exceptions include students who are married or live with parents in the Boulder area and have permission to commute.

You may also request permission to live off campus for other reasons. Your request is considered on its merit, taking into account your individual circumstances. For information regarding freshman permission to reside off campus, contact the Assistant Director of Housing, Hallett 64, Boulder, CO 80310. You must have permission from the assistant director of housing to live off campus before you confirm your intent to enroll at the University.

If you are a freshman admitted for summer session 1992 and intend to continue on the Boulder campus in the fall, we encourage you to submit both your summer and fall housing reservations at the same time and as soon as possible.

Freshmen who want fall housing and who are admitted for summer or fall but confirm their intent to enroll late or submit housing materials late (usually after mid- to late May) cannot be guaranteed space in a University residence hall for fall. If space is not available, you will be offered assistance in finding off-campus housing.

Housing

Residence Halls

All residence halls offer a variety of attractive and comfortable accommodations, including single and double rooms and a dining room within the building or nearby. Residence halls that will be used during summer session 1992 were not designated when this catalog went to press (January 1992).

Freshmen and sophomores usually share a designated residence hall. Other areas are set aside for upper-division students. A limited number of single rooms are available upon request; however, single rooms cannot be guaranteed.

A limited number of furnished buffet apartments are available without a meal plan in Reed Hall for seniors and graduate students only. Except in the case of mutually requested roommates, all assignments in Reed are singles. Private bath, two closets, and a kitchenette with stove and refrigerator are included. Rates per apartment were \$707.04 for summer session 1990 based on calendar occupancy from May 31 to August 10. Summer 1992 rates are expected to increase.

If you meet the residence hall application deadline, we notify you by mail of your specific residence hall assignment before the beginning of the term you plan to attend.

Family Housing

The University owns and operates a variety of buffet, one-, two-, and three-bedroom furnished and unfurnished apartments for student families, married couples, and single parents. Residents come from all parts of the world and form a unique and diverse community. For further information, contact the Family Housing Office, 1350 Twentieth Street, Boulder, CO 80302, or call (303) 492-6384.

Off-Campus Housing

If you are looking for summer housing off campus, visit the Off-Campus Student Services Office, a service of student government. The office has listings of rooms, houses, and apartments for rent in the Boulder community and a list of students looking for roommates. You may pick up a computerized list of available rentals (\$1.00 plus \$.15/page), use the free telephones for a rental or a roommate search, and talk with assistants about the Boulder area in the office in UMC 336. Information also is available through the mail. To request the forms necessary to take advantage of this service, contact the Off-Campus Student Services Office, Campus Box 206, CU-Boulder, Boulder, CO 80309-0206, telephone (303) 492-7053.

Assistants are available to advise you about leases, security deposits, effective techniques for living with a roommate, and ways to avoid landlord/tenant problems. The office sells Boulder maps (\$1.25) and

provides free copies of the Boulder Tenants' Guide (an easy-to-understand summary of tenants' rights and responsibilities), the Boulder Model Lease, the *Roommate Survival Guide* (a pamphlet describing communication techniques and other tips for living with a roommate successfully) and handouts on furniture rental, moving tips, local banking services, and other off-campus housing related matters.

If you are interested in eating your meals on campus, you may choose from two meal plans. For information about the residence hall meal plan, call (303) 492-6871; for information about the University Memorial Center meal plan, call (303) 492-8832.

Visit the Off-Campus Student Services Office Monday through Friday between 9:00 a.m. and 4:00 p.m. or call (303) 492-7053. During July and August, the office is also open on Saturdays from 10:00 a.m. to 2:00 p.m.

Remember, freshman students must obtain written permission from the University housing department before obtaining off-campus accommodations for summer session, as well as for fall and spring semesters.

Registration

Summer registration information is mailed to continuing students along with their fall registration materials in early March. New summer degree students receive summer registration information when they confirm their intent to enroll. Nondegree summer students receive registration information upon admission.

Academic advisors will be available in Regent 302 on June 5 between 8:30 a.m. and 4:00 p.m. Representatives from several colleges and schools will be available to help you select courses and find alternate selections if the courses you want are full.

Whether you are a continuing degree student or a new student at CU-Boulder, you will receive immediate confirmation of your courses when you call CU Connect to register for summer classes.

The maximum credit load allowed for all colleges and schools during summer session is 15 credit hours. Law students may register for no more than 8 hours.

If you're a nondegree student, you should be aware of limitations on the transfer of credit hours to a degree program. Consult your dean's office for further information.

You may register for intensive classes on the first day of class at the Office of the Registrar, Regent Administrative Center 105, from 9:00 a.m. to 4:00 p.m. A late registration fee is charged for registering after the first day of class (see page 34 for information on late registration).

Independent Study and Controlled Enrollment Courses

If you are interested in taking a course with an 800- or 900-level section number, you should contact the department for permission and for the five-digit course call number before you register. Enrollment in

these courses is limited by the appropriate departments. Beginning June 8 these courses can be added only by the departments offering the courses or by special action form. If you use a special action form, take the signed form to the registrar's office in Regent 105. You have until July 13 to register for independent study course work. Independent study is subject to term B drop/add deadlines.

Summer Parking Permits

Students who wish to park a vehicle in a parking lot on campus must purchase a permit (a valid vehicle registration must be presented). Parking permits for summer session will be sold on Friday, June 5 at the Coors Events/Conference Center from 8:00 a.m. to 3:00 p.m. After that day, permits will be sold at the Parking Management Office, 1050 Regent Drive. Permits must be paid for by cash or check. Boulder campus motor vehicle regulations are in effect in the summer. For more information, call (303) 492-7384.

Summer ID Validation

If you're a continuing student, you can have your photo ID validated for summer at schedule/bill pickup on June 5 between 8:30 a.m. and 4:00 p.m. in the foyer of Regent Administrative Center. If you register on campus, the last page of your summer payment form will serve as your summer ID. After you've registered for courses, you can have your form validated in the foyer of Regent Administrative Center on June 5. Beginning Monday, June 8 from 9:00 a.m. to 4:00 p.m., you

can go to the Office of the Registrar in Regent 105, or the Bursar's Office in Regent 150, to have your form or your ID validated. Your summer schedule/bill can also serve as your ID for summer session.

Only new summer degree students who register for fall or those degree students who need a replacement ID should go to the Photo ID Office in UMC 25 to have a permanent photo ID made.

Continuing Student Registration

Continuing students may register any time *after* their assigned time (time assignments begin March 18) through June 2.

Refer to your *fall invitation to register* for information regarding registration stops and your PIN. Use this information to register for summer (after any required advising) during the times listed below.

Academic advising is required before registering for summer for continuing students majoring in the following fields:

- undergraduate students in afroamerican studies, architectural engineering, civil engineering, mechanical engineering, and open-option engineering.
- graduate students in applied mathematics, classics, Spanish, mechanical engineering, kinesiology, and aerospace engineering.

Summer session registration time assignments for continuing students are based on predicted cumulative hours (the total

Registration

number of hours completed in addition to the hours in progress for spring 1992):

- *seniors* may register beginning at 7:00 a.m., Wednesday, March 18
- *graduate and law students* may register beginning at 7:00 a.m., Thursday, March 19
- *freshmen with 12 hours or less and juniors* may register beginning at 7:00 a.m., Thursday, March 19
- *sophomores* may register beginning at 7:00 a.m., Friday, March 20
- *freshmen with 13 hours or more* may register beginning 7:00 a.m., Friday, March 20

Remember, you can call any time after your time assignment begins, but because this registration is conducted on a first-come, first-served basis, it's to your advantage to call as soon as possible.

Pay your \$200 enrollment deposit if you have not done so already. If we do not have an enrollment deposit on account for you, you should have received an enrollment deposit form with your fall invitation to register. You must pay the deposit before you will be eligible to register for summer or fall.

See the "Calling CU Connect" section on page 34 for information on how and where to use CU Connect to register for classes.

If you register for summer classes and then decide not to attend after June 1, you will be assessed a financial penalty. See page 36 for withdrawal information.

New and Readmitted Degree and Nondegree Students

- If you're a new freshman or transfer student in the College of Arts and Sciences, you must attend a two-day orientation program on June 4-5 or July 12-13. You will receive advising and register for your classes during orientation. We'll mail your orientation information after we receive your confirmation form. Call the orientation office at (303) 492-6766 for more information.
- New freshman and transfer students in the College of Engineering and Applied Science and the College of Music will register by phone at on-campus registration, June 5 or July 13.
- All other new and readmitted degree and nondegree students should register between May 1 and June 2 after receiving or picking up registration materials.

Please make every effort to register for summer classes by June 2. Because summer registration is conducted on a first-come, first-served basis, you will have a better chance of getting the courses you want if you register early. Refer to pages 32-34 and 80 for registration dates.

Read your *summer invitation to register* carefully. It contains your registration time assignment (the earliest date and time you may call CU Connect to register by phone).

Your invitation also contains your *personal identification number* (PIN) which, when combined with your student number, is an access code for CU Connect. Keep your PIN confidential. If you need to

change it, come to the registrar's office in Regent 105.

Your invitation may also indicate a registration "stop" on your record. Financial, academic, or miscellaneous stops can occur any time in the registration process and can prevent your enrollment in courses. Be sure to check your record and take care of any stops before you register.

In addition, there may be a statement on your invitation to register about advising being required before you can register. If you are required to see an academic advisor, make an appointment as soon as possible. Please take your completed Summer Confirmed Registration Form from page 39 with you when you go for your appointment.

Remember, after advising (if required), you can call any time *after* your time assignment begins.

If you are a new or readmitted degree student at CU-Boulder this summer and you have not yet paid your enrollment deposit (\$200 for both in-state and out-of-state students), you need to do so before you will be allowed to register.

Register for classes (see "Calling CU Connect" on page 34 for information on how and when to use CU Connect).

If you register for summer classes and then decide not to attend, you may be assessed a financial penalty. See page 36 for withdrawal information.

Registration

Registration for Term B Only

If you want to take term B classes only, you may register by telephone after you receive your registration materials any time through July 13.

If you register for term B or an independent study course only and decide not to attend after June 1, you will be assessed a financial penalty (even if you registered *after* June 1). Refer to page 36 for withdrawal information.

On-Campus Registration

June 5 and July 13

Two registrations will be held on campus for students who do not receive their registration materials. Register on June 5 for any summer term or by July 13 for terms B, F, or independent study *only*. If you already have your materials but didn't register by June 2, call CU Connect on these days to register for courses.

If you register for summer courses after June 1 and then decide not to attend, you will be assessed a financial penalty (see page 36 for withdrawal information.)

Late Registration

After June 5

You may be allowed to register for summer classes later than June 5 if enrollment levels have not been met. If you register after June 5 for terms A, C, or D, or after July 13 for terms B, I, or independent study, you will be required to pay a late registra-

tion fee of \$20 the first day, \$25 the second day, and \$30 thereafter before you can register. New or readmitted degree students also must pay the \$200 enrollment deposit before they register. Late fees for intensives (terms E and F) are assessed if you register after the first day of the class. Take your late-payment form to the cashier's window in Regent to pay these charges.

If you do register late, you should receive a bill in the mail from the Bursar's Office within two weeks. If you don't receive a bill within that time period, be sure to contact the Bursar's Office to find out your total amount due and the deadline.

Calling CU Connect

Plan your course schedule using the Summer Confirmed Registration Form on page 39.

Call CU Connect, (303) 938-8110, from any touch-tone phone, either on campus or off campus. If you call and CU Connect is busy or not available, please call at another time. System hours are Monday through Friday, 7:00 a.m. to 7:00 p.m. and 8:00 p.m. to 10:00 p.m. You may also call on Sundays from 11:00 a.m. to 9:00 p.m.

CU Connect will not be available May 25, June 3, 4, or July 3.

The computerized telephone voice that responds to your call will request the following information:

- the action code: 7003#
- the summer term code: 924#
- your University student number:
_____ - ____ - _____ #
- your personal identification number (PIN): _____ #

Entering the above information will log you onto the system. You can then enter your courses from your Summer Confirmed Registration Form, using the touch-tone key pad. Press the pound key (#) after every transaction and wait for the telephone voice to respond before proceeding with your next entry.

- To *add* a course, press 2* before the course call number, then # after the number.
- To *drop* a course, press 3* before the course call number, then # after the number.
- To select the *pass/fail* grading option, press *2 between the course call number and #.
- To request a course for *no credit*, press *1 between the course call number and #.
- To add an *independent study* or *controlled enrollment course*, you must ask for permission and the appropriate five-digit course call number from the department offering the course.
- To request a *variable credit* course, determine how many credits you would like to receive for the course. Then, enter the number of credits you have chosen when prompted by CU Connect.

Automatic Search

If you have been closed out of a course section, CU Connect can conduct a search for an open section. Simply press 7# when prompted by the computerized telephone voice.

Registration

Course Time Changes

Sometimes an academic department must change the time a course is offered after this catalog has been published. If this is the case, the department cancels the original section and adds a new section that reflects the time change. If you request a course and CU Connect tells you the course has been cancelled, please try the search option (7#). CU Connect will let you know if the new course section with the time change is available and fits in with your schedule.

Listing Your Schedule

Once you have registered, you can use the list function to play back your schedule; just enter 5# after you enter your PIN. If CU Connect lists all of the courses you added, you have entered them correctly and you are registered for the courses. You may adjust your schedule by dropping or adding individual courses.

Help Line

If you are having difficulty with telephone registration, call our special help line, (303) 492-1033, from 9:00 a.m. to noon or 1:00 p.m. to 4:00 p.m., Monday through Friday. We will give you personal assistance.

Getting Your Schedule

If you register by May 22, your schedule/bill will be mailed to your summer address (or permanent address if we don't have a summer address for you). If you receive your schedule/bill in the mail, you do not

need to pick up a copy on campus, unless you've made changes to it.

If you register by June 2 and don't receive your schedule/bill in the mail, you can pick it up on June 5 in the foyer of Regent Administration Center, from 8:30 a.m. to 4:00 p.m. (or on July 13 for terms B, F, or independent study). Schedule/bills will also be available beginning June 8 in the registrar's office, Regent 105, from 9:00 a.m. to 4:00 p.m.

Updating Your Address

A correct permanent address is vital during the summer. A great deal of information will be sent to this address during summer session, such as grades and financial aid notifications. This should be considered your "home base" address and can be your parents' address, a Boulder address where you reside all year, or the address of someone who knows how to reach you. If you'd prefer to receive your financial aid notifications and updates at an address other than your permanent address during the summer, please leave a *summer address*.

You can update your addresses at on-campus registration or at the registrar's office in Regent 105. You can also call (303) 492-6581 to update your addresses.

Understanding Your Schedule

If you pick up your schedule/bill on June 5 (or July 13 for terms B, F, or independent study), it will reflect any courses you registered for before that date. (If you receive your schedule/bill in the mail, it will reflect any courses you are registered for through the transaction date.) If you

have a message instead of a course title or if a course you requested does not appear, it means you are not registered for that course. Keep your class schedule as a record of your registration.

Adjusting Your Schedule

You'll be able to adjust your schedule through June 2 by dropping and adding courses via CU Connect. If you need to change your schedule after June 2, you can do so during schedule adjustment (drop/add), beginning June 8. To drop or add a class, follow the procedures you use to register (see page 36 for drop/add deadlines). Be sure to keep your confirmed registration form as a record of the courses you request and receive.

If you want to change your credit hours or adjust pass/fail, credit/no credit, or variable credit status after you initially register for the course, please go to the registrar's office in Regent 105 to have the change made for you on line. This is for your own protection! If you make these changes via telephone, you must first drop the course before changing your status and there is the possibility you won't be able to add the course once you have dropped it.

Registration

Drop/Add Deadlines

If you drop a class by the appropriate deadlines listed below, your bill will be adjusted. *If you are dropping all of your summer classes, see “Dropping All of Your Summer Courses (Withdrawing from Summer Session)” on this page.*

The deadlines for:

- adding a class
- adjusting tuition for a dropped class
- designating pass/fail status
- dropping a class without receiving a W on your transcript
- changing credit/no credit status
- designating a different credit load
- requesting variable credit

are 4:00 p.m. on the following days:

- June 12 for term A
- June 19 for terms C and D
- July 20 for terms B, I, and independent study courses
- the second day of class for intensives lasting two weeks or less
- the fifth day of class for intensives lasting more than two weeks

After these deadlines, students must obtain their instructor’s signature to drop courses through June 19 for term A, July 27 for term B and independent study, and June 30 for terms C and D. Thereafter, you may not drop courses unless there are circumstances clearly beyond your control (*i.e.*, accident, illness); in addition to the instructor’s approval, you must also obtain approval from your academic dean.

Dropping All of Your Summer Courses (Withdrawing from Summer Session)

Continuing and nondegree students who register for courses and then decide not to attend summer session must cancel their summer registration by dropping *all* summer courses by 4:00 p.m. on June 1 to avoid any financial penalty. Refer to the “Summer Withdrawal Assessment Schedule” below for financial penalties assessed for withdrawing *after* June 1 (even if you registered *after* June 1).

New and readmitted students who withdraw from summer session by dropping all summer courses *before* June 1 forfeit their \$200 enrollment deposit. Refer to the “Summer Withdrawal Assessment Schedule” below if you withdraw *after* June 1 (even if you registered *after* June 1).

To drop all of your courses (withdraw from summer session) or cancel your

summer registration, call CU Connect *through the drop/add deadline* of the term(s) for which you are registered, or fill out a withdrawal form in the registrar’s office, Regent 105, or send a letter to the Withdrawal Coordinator, Campus Box 7, CU-Boulder, Boulder, CO 80309-0007. Withdrawals from summer session *after the drop/add deadline* may require an instructor’s or dean’s approval.

If you do not withdraw, you will receive failing grades in the courses for which you were registered and you must pay full tuition and fees.

No Credit

If you want to register for course work for no credit, you must do so when registering or before the drop/add deadline. Tuition is the same whether or not credit is received in a course.

No changes in registration for credit are permitted after the drop/add deadline for each term.

*If registered for a combination of terms in summer session, be sure to withdraw (drop all of your courses) by the earliest deadline indicated above.

Registration

Pass/Fail (P/F)

If you want to take a course on a pass/fail basis, you must indicate this during registration or during the regular schedule adjustment period. Only 6 semester credit hours of course work may normally be taken pass/fail in any given semester, including summer session. Exceptions to the pass/fail regulations are permitted for certain courses that are offered only on a pass/fail basis.

If you register on a pass/fail basis, your name appears on the regular class roster and a letter grade is assigned by the instructor. When grades are received in the Office of the Registrar, your grade is automatically converted to *P* or *F*. Any grade of *D-* and above converts to the grade of *P* and is not calculated into the GPA. Grades of *F* are included in calculating your GPA.

You should refer to your college or school section of the *University of Colorado at Boulder Catalog* for special requirements or procedures.

Final Examinations

Final examinations are given in most University courses. There are certain courses, such as graduate seminars, excepted from this general expectation. Final examinations are given during the last two class periods in the term. Early examinations are not permitted.

Time Out Program

The University's Time Out Program (TOP) is a planned leave program for a minimum of one semester or a maximum of one year. Currently enrolled CU-

Boulder students who are in good standing in their college or school can apply for TOP. The academic dean must approve your leave, and you must pay a \$30 program fee when you apply.

For further information on TOP, or for an application, contact the Office of the Registrar, Regent 105, Campus Box 7, CU-Boulder, Boulder, CO 80309-0007, or call (303) 492-8673.

Faculty and Staff Summer Registration and Tuition Benefits

If you are a permanent faculty or staff member at the University, you may take 1 to 6 free credit hours each year. (The academic year begins with summer session, and the number of free hours is determined on a prorated basis from full-time status.) Enrollment usually occurs on a space-available basis during the schedule adjustment period, unless you wish to register early. In that event you will be charged full tuition and fees.

Tuition Benefits and Registration Procedures. All faculty and staff who wish to use their tuition benefits when they enroll for Summer Session 1992 must take a copy of their personnel action form (PAF) to the Bursar's Office by 4:00 p.m., May 1. If you are a new student (degree or nondegree), you must turn in the appropriate application for admission to the Bursar's Office with your PAF. Registration information is available from the Bursar's Office when you turn in your PAF. For further information, call (303) 492-5381.

Registering for Fall

If you are a new or readmitted degree student this summer and are eligible to register for fall semester 1992, fall registration materials will be mailed to you at your summer address approximately two to three weeks after you register for summer. You will receive a *Fall 1992 Registration Handbook and Schedule of Courses* as well as information on when you may register. If you do not receive any registration materials within three weeks of your summer registration, or by August 7, please come to the Office of the Registrar, Regent 105, between 9:00 a.m. and 4:00 p.m., or call (303) 492-6970.

If you're a new summer freshman or transfer student in the College of Arts and Sciences, you will register for fall during your summer-to-fall orientation program. For information, please call the orientation office at (303) 492-6766.

Creating Your Schedule

To create a summer schedule, use the Summer Confirmed Registration Form on the next page, as well as the course listings that follow. The information below should help explain the course listings. Refer to page 34 of this catalog for more information on using the telephone registration system, CU Connect.

Understanding the Schedule of Courses

At the top of each page are the following abbreviations:

Call No.—A five-digit number (begins with the number four) to be used for telephone registration for summer session.

Subj.—The subject name abbreviated to four spaces.

Course No.—The course number. Courses are numbered according to the following system: 1000 and 2000 levels (lower division) for freshmen and sophomores and 3000 and 4000 levels (upper division), primarily for juniors and seniors. Normally, courses numbered 5000 to 8000 are for graduate students only; see college and school sections for special provisions. Any exception to this system is explained in the course description.

Credits—The number of semester hours of credit the course offers (3 means 3 semester hours; 2-4 indicates that credit is variable, and students must indicate when registering whether they want 2, 3, or 4 semester hours). Credits are expressed in semester hours.

Course Title—An abbreviated description of the course.

Session Code:

- A = First 5-week term
- B = Second 5-week term
- C = 8-week term
- D = 10-week term
- E and F = Intensives

Inclusive dates for each course are noted in the "Schedule of Courses" beginning on page 40.

Section No.—This is the section number. When an L precedes the number (i.e., L004), it indicates a laboratory (lab) that is to be taken along with the lecture. When an R precedes the number (i.e., R010), it indicates a recitation (rec) that is to be taken along with the lecture. Some classes have all three: lecture, lab, and recitation.

Time—Meeting time of the class.

Days—Meeting days of the class (T is Tuesday and R is Thursday).

Bldg.—The building abbreviation.

Rm.—The room number.

Instructor—Instructor's name is printed when available.

Max. Enroll.—Approximate class size.

University Writing Program

IF YOU WISH TO ENROLL IN A UNIVERSITY WRITING PROGRAM COURSE AT THE 1000-LEVEL, YOU SHOULD ENROLL IN A SECTION OF UWRP 1150 WHETHER OR NOT YOU HAVE PREVIOUSLY TAKEN A COURSE IN THE UNIVERSITY WRITING PROGRAM. SHORTLY AFTER THE START OF THE SEMESTER, YOU WILL BE PLACED IN EITHER EXPOSITORY WRITING (UWRP 1150) OR ARGUMENTATIVE WRITING (UWRP 1250) ACCORDING TO THE FOLLOWING GUIDELINES:

1. IF YOU HAVE PREVIOUSLY TAKEN AND PASSED, WITH AT LEAST A C, A UNIVERSITY WRITING PROGRAM COURSE, YOU WILL BE PLACED IN THE NEXT HIGHER COURSE. (FOR EXAMPLE, IF YOU HAVE TAKEN AND PASSED UWRP 1150, YOU WILL BE PLACED IN UWRP 1250.) HOWEVER, FOR THE PURPOSE OF ADVISING, YOU WILL BE REQUIRED, DURING THE FIRST DAY OF CLASS, TO WRITE DIAGNOSTIC ESSAYS THAT WILL INDICATE YOUR SKILL LEVEL.

2. IF YOU HAVE NEVER TAKEN A UNIVERSITY WRITING PROGRAM COURSE, YOU WILL BE PLACED IN A COURSE APPROPRIATE TO YOUR SKILL LEVEL, AS DETERMINED BY THE DIAGNOSTIC ESSAYS THAT YOU WILL BE REQUIRED TO WRITE DURING THE FIRST DAY OF CLASS. PLACEMENT WILL BE COMPLETED BY THE SECOND DAY OF CLASS.

ADVISORY TO STUDENTS IN THE COLLEGE OF ARTS AND SCIENCES: THE WRITTEN COMMUNICATION REQUIREMENT CAN BE SATISFIED BY TAKING A THREE-CREDIT, UPPER-DIVISION SEMINAR UWRP 3020. TOPICS ARE AVAILABLE AT ARTS AND SCIENCES ADVISING AND THE UNIVERSITY WRITING PROGRAM OFFICE, TB1, ROOM 113.

NOTE: UNIVERSITY WRITING PROGRAM COURSES DO NOT FULFILL THE HUMANITIES REQUIREMENT ON THE COLLEGE LIST, UNLESS YOU TOOK A S 100 DURING OR BEFORE THE FALL SEMESTER OF 1985.

I hereby certify that, to the best of my knowledge, the information furnished on this application is true and complete without evasion or misrepresentation. I understand that if found to be otherwise, it is sufficient cause for rejection or dismissal.

I have read and accepted the limitations on transfer of nondegree student credit to a degree program. I understand that a maximum of 12 semester hours of nondegree credit will transfer to an undergraduate degree program. The graduate departments may recommend a maximum of 9 overall transfer hours be transferred to a master's degree program; 21 to a doctoral program. I realize that lower maximums may apply in specific programs and that credit may be lost when transferring to a degree program if departmental limits are exceeded.

All checks and money orders should be made payable to the University of Colorado Residence Halls. This application is for summer accommodations only.

NOTE: University regulations require that all freshmen live in the University residence halls for the summer term as well as the following academic year unless they are married or live with parents or relatives in the Boulder area and have permission to commute.

CANCELLATIONS: If a cancellation is received in the Residence Halls Reservation Center prior to two weeks before the beginning of the term or period for which the reservation is made, half the advance payment will be refunded. If a cancellation is received after two weeks prior to the beginning of the term, the entire payment will be forfeited.

UNIVERSITY LIABILITY: The University shall assume no responsibility for the theft, destruction, or loss of money, valuables, or other personal property belonging to, or in the custody of, the student for any cause whatsoever, whether such losses occur in the student's room, storage room, public area, elsewhere in the hall, or in baggage handling related to shipment or storage. Students are encouraged to carry their own personal property insurance.

WITHDRAWALS AND REFUNDS: If a resident withdraws from the University at the end of a term that is shorter than the term indicated on the front of this application, no liquidated damages will be charged, provided two-weeks notice is given.

Residents who check out of the residence halls at any other time and for any other reason will be charged for the period of occupancy plus 10 days. There will be no refund for check-out during the last 10 days of the term. The period of occupancy is terminated only by formal check-out at the building office.

Freshmen may not move out of the residence halls during the term unless they withdraw from the University or are released by the Assistant Director of Housing, Hallett Hall 64.

TERMINATION BY THE UNIVERSITY: Upon reasonable notice (normally 48 hours) the University reserves the right to terminate this Agreement for: (1) failure of the student to make payment of charges promptly, (2) failure to comply with *A Guide to Residence Hall Living* or University of Colorado Student Conduct Policies and Standards which are by reference made a part of this Agreement, (3) suspension from the University, (4) disciplinary action, (5) behavior which is incompatible with the maintenance of order and propriety in the residence halls.
