# Put Continuing Education On Your Schedule

The Division of Continuing Education is on the schedule for thousands of people each year. Consider these University of Colorado credit courses for Spring 1996.

**The Boulder Evening Schedule.** Early evening classes on the campus are ideal for people who must work during the day.

**The Session I Schedule.** Schedule the first seven weeks of the semester with evening classes and avoid "the end of the semester crunch."

**The Session II Schedule.** Need another class? The second seven weeks of the semester is a perfect time for "one more course."

**The Applied Music Schedule.** Individual instruction on a variety of instruments through the applied music program. You and the instructor arrange the schedule.

**The Independent Study un-Schedule.** Courses via correspondence give you the ultimate un-Schedule. Register any-time. Work at your own pace. More than 80 courses in 17 areas. Or talk to us about Individualized Instruction.

## STUDENT ART CONTEST

**N**aufpactos is the name given to my art work, which grew out of the three weeks I spent during the summer of 1994 traveling through Greece. Much of the initial part of the trip was spent riding throughout the countryside and into the mountains of Greece. The latter part of the trip was spent relaxing on the beaches and islands of Mykonos.

The differences in the landscapes between the two were very drastic as were the people and cultures within them. The countryside is based on shape and line, with its rows of olive trees. The beaches are based on color and a smoothness of texture, which are reflected in the architecture. Naufpactos is a fort town that is a combination of the two. It is located on the face of a mountain, with the waterfront below.

The beach front is made up of these soft sculpted rocks in bright colors. I surrounded the bed of rocks with eucalyptus leaves that came from the mountain at the top of the fort at Naufpactos. I sewed the rocks into my journal as a way of preserving a craft that's so apparent in Greece. The different colored rocks, in a way, represent the different ancient cultures that all resided in and built Greece.

**T**his *Registration Handbook and Schedule of Courses* (RHSC) contains information you need to register for the spring 1996 semester, adjust your schedule, and pay your bill. If policies or procedures change, you will receive further information. Keep this handbook throughout the semester. Additional copies may be purchased from the CU Book Store for \$1.25.

The requirements, policies, and course descriptions of each college and school are printed in the *University of Colorado at Boulder Catalog*. You are responsible for knowing and following the catalog policies for your year of entry into a specific program at CU-Boulder.

Although this handbook was prepared on the basis of the best information available at the time, all information is subject to change. Changes may occur

at any time in course meeting times and days or in University, college, or school policies. In addition, courses may be canceled at any time. It is your responsibility to be aware of such changes by consulting departmental advisors, checking departmental materials, and reading all of your registration materials carefully.

All pages of this handbook, both cover and interior pages, are printed on recycled paper.

## WELCOME

Welcome to a new semester at the University of Colorado at Boulder. This *Registration Handbook and Schedule of Courses* is a road map for new and returning students alike, both to the academic courses offered and to the many services and programs available to our students. When used in conjunction with the *University of Colorado at Boulder Catalog*, it is also a map to the entire history of human endeavors from the sciences and mathematics, through rich cultural studies, to the ponderable question of the origins of the universe. Once you are settled and enrolled in your courses, I ask you to peruse the richness of these documents and the opportunity of working with many of the best faculty in the nation. Your years here are a unique opportunity that will seldom appear again in your lifetime.

Remember that the disciplines offered in college catalogs are inventions of the human mind and are not inventions of nature. The practical problems faced by society are almost always interdisciplinary. Dealing effectively with these societal issues requires some understanding of history, the social sciences, the arts and humanities, and the physical sciences. The University of Colorado at Boulder is prepared and wants to assist you in meeting these demands.

This is a unique opportunity for you. Learning opens our minds and serves us throughout our lives.

I extend my best wishes for a successful and enjoyable semester.

Sincerely,

Roderic B. Park, Interim Chancellor

---

Welcome to CU-Boulder! The staff and I wish you well as you begin your preparations for the coming semester. In this *Registration Handbook and Schedule of Courses* are all the courses offered next semester, including the core courses that are available, as well as information concerning registration and more general University matters.

This semester, we are using a new voice response system to process your telephone registrations. You should notice no changes in the registration function other than a different voice speaking to you. In future semesters, we expect to enhance the voice response system to give you even more services than are available now. I will describe these as they become available.

For the eighth consecutive semester, an original work of art by a current CU-Boulder student appears on our cover. We are proud to promote the annual student art contest, which has resulted in the display of student art to a wide and diverse audience.

The cost of producing the *Registration Handbook and Schedule of Courses* each semester is shared by the use of funds from the University's budget and from the sale of advertisements. We limit the amount of advertising allowed in the *Registration Handbook and Schedule of Courses* so that a healthy balance between content and ads exists. We hope you will note those companies who have purchased ads here and that you will support them by using their products and services whenever you can.

We seek to improve our registration methods and the publications that support them. We welcome your comments and suggestions on how we can improve them. Our location and phone number are listed in the directory on page 40.

Again, we wish you well on a successful and happy semester this spring at CU-Boulder.

William R. Haid, Registrar and Director of Enrollment Services

## REGISTRATION OVERVIEW

### Confirmed Registration

All students participate in confirmed registration for spring semester 1996. (See pages 20-22.) Confirmed registration takes place throughout the months of November, December, and the beginning of January.

You may drop and add courses anytime after you register, through January 11 (8:00 p.m.). CU Connect, the telephone registration system, will also be available for you to adjust your schedule once the spring semester begins.

### Registration Deadline

All students must complete registration by 8:00 p.m. on January 11, 1996 to be guaranteed enrollment for spring semester 1996. Students who do not register by this date (including graduate students) are subject to late registration and a \$50 late fee. (See page 37 for information on late registration.)

### Orientation

New freshmen and transfer students in arts and sciences, business, and engineering are required to attend an orientation in January. These students will receive their registration materials and *register* at the mandatory orientation.

New freshmen and transfer students in music are also required to attend an orientation in January. However, these students will be mailed their registration materials by the registrar's office after they have confirmed with Admissions and should complete registration prior to their orientation.

There is no orientation for new freshmen and transfers in architecture and planning. However, these students are encouraged to call their dean's office for advising. These students will be mailed their registration materials by the registrar's office after they have confirmed with the Admissions Office.

# GENERAL REGISTRATION INFORMATION

**B**efore you register, read the following information. Many of the questions you may have about registration procedures are answered here. The information is listed by subject or topic and is in alphabetical order.

**Note:** If you require accommodations because of a disability, notify the Office of the Registrar, Campus Box 20, CU-Boulder, Boulder, CO 80309-0020, or call (303) 492-4822. If you are deaf or hard of hearing, call 492-5871 (TTY).

## Addresses—Very Important!

- *Keep your addresses updated at all times.*

Three addresses on your student record must be kept current: your mailing address, permanent address, and summer address.

Your **mailing address** is your address during the school year, *e.g.*, the residence hall, apartment, or house where you live during the fall and spring semesters. Your invitation to register, outstanding tuition and fee bills, refund checks, and financial aid information are mailed to you at this address from late January through mid-May. (**Exception:** Your permanent address is used during the winter semester break.)

Your **permanent address** is considered your “home-base” address. It can be your parents’ address, a Boulder address, or the address of someone who knows how to reach you. Schedule/bills and ID validation stickers are mailed to this address before the semester begins. In addition, grades and financial-aid notifications are mailed to your permanent address. This address is used during the summer months (mid-May through late August), unless you indicate a summer address (see below) and during the winter semester break.

Your **summer address** is your address during the summer months (mid-May through late August). If you don’t indicate a summer address, your permanent address is used during the summer months. **Exception:** Grades are

always mailed to your permanent address.

Note that you can have a number of address combinations: a different address for mailing, permanent, and summer, or the same address for any two or all three of these categories.

You can look up any of your addresses on CUline (see page 13) and, when needed, fill out a change-of-address form at the Office of the Registrar in Regent 105, in the Office of Financial Aid in Environmental Design, room 2, or call (303) 492-6581 to update your addresses. Note that these addresses are used by the registrar’s office, bursar’s office, and financial aid office. Other offices, such as the library, housing, and Wardenburg, have separate address systems, and changes must be made there as well.

## Advising

- *Check your invitation to register for advising requirements!*
- *See pages 39-40 for academic department locations and phone numbers.*

If you are required by your college or school to consult with an advisor *before* registering for courses, you are notified on your invitation to register (see page 19-20) or when you call CU Connect. If you receive such a message and you are an arts and sciences or engineering student, call your faculty advisor, your major department, or your dean’s office to make arrangements for advising (see pages 39-40 for phone numbers). If you are a student in any other college or school and you receive an advising message, call your dean’s office.

After you have been advised and the restriction is removed by your advising department or dean’s office, you may call CU Connect to register.

The Office of Undergraduate Academic Affairs (Willard 226; 492-4433) can help with general advising issues. Within this office, the Advising Resource Center (492-8811) has

advisors to help “open option” students or students who are thinking of changing their major. Peer advisors are also available to help students with both academic and personal concerns. In addition, some colleges hold workshops for students on general education requirements (core curriculum and college list).

## Changing Your Major

- *Request this change at your new department.*

If you want to change or declare a major, go to the new major department and ask about the required procedures. If your change of major involves moving into another college or school, an intrauniversity transfer (IUT) must be done. (See page 16.)

**Note:** If you are or will be receiving financial aid and are working on two majors (same degree) or a major and a minor and don’t plan to graduate from both majors (or your major and minor) at the same time, your financial aid may be in jeopardy. For more information, contact the Office of Financial Aid in the basement of Environmental Design, or call (303) 492-5091.

## Class Standing

Undergraduate class standing is based on the total number of semester hours passed, as follows:

Freshman .....	0-29
Sophomore .....	30-59
Junior .....	60-89
Senior .....	90-123
5th Year Senior .....	124 and above

## Controlled Enrollment and Independent Study Courses

- *You must receive authorization from the sponsoring department to register for these courses.*

Enrollment in courses with a 740-799,

## GENERAL REGISTRATION INFORMATION

800-, or 900-level section number is controlled by each department. The department staff either gives you the five-digit course call number so you can register for the course via CU Connect, enrolls you in the course directly on the computer, or gives you a special action form to take to a central drop/add site (during the final drop/add period *only*) or to the registrar's office.

### Course Reservation Program

The Course Reservation Program assists you in getting the courses you need to graduate by giving you an opportunity to reserve space in a course and enroll in that course for the next semester before the next registration period begins. All undergraduate courses offered at CU-Boulder, except for controlled enrollment courses, are included in the Course Reservation Program.

You are eligible to participate in the Course Reservation Program for *fall*

1996 if your name is on a wait list for a course as of midnight on January 23, and you remain on the wait list through 4:00 p.m. on January 26. **Note:** This applies only to course wait lists on SIS, not wait lists that may be kept manually by a department.

If you are on a course wait list as of 4:00 p.m. on January 26, you should plan to come into the registrar's office, Regent 105, 9:00 a.m. to 4:00 p.m., between March 18 and 28 to register for the course for fall 1996. **Note:** You will *not* receive any notification or reminder about those dates. Registrations will *not* be honored through the Course Reservation Program after March 28. In addition, all restrictions are honored, and you must clear up any "stops" before registering. You will register for all other fall 1996 courses during your regular registration time-assignment.

### Credit-Hour Limits and Course-Load Definitions

During the registration period, undergraduate students can register for a maximum of 19 credit hours (15 credit hours for graduate students and 16 credit hours for law students), *including wait-listed courses*.

During the final drop/add period, undergraduates are allowed to register for up to 21 credit hours, *including wait-listed courses*. **Note:** A tuition surcharge is assessed for every credit hour added over 18.

Once you complete registration, check with your college or school to determine the maximum number of credit hours that can be counted toward your degree each semester. Remember that 12 credit hours is considered a full-time undergraduate student load for financial-aid purposes. It is considered normal progress towards graduating in four years in most undergraduate programs if you carry 15 credit hours per semester (the normal course load for most undergraduate students).

### Credit and Grading Options

- You can select or change credit and grading options through 4:00 p.m. on January 26.
- Courses taken for no credit or pass/fail cannot apply towards a graduate degree.
- When you register by telephone for a course and select a credit or grading option (see page 121 for instructions), CU Connect verifies the grading option chosen.

**No Credit.** To register for a course on a no-credit basis, call CU Connect and select the no-credit option. (Press \*1 after the course call number, then #.) You still pay full tuition for a no-credit course. You do not receive a grade for a no-credit course. An *NC* will appear on your transcript in place of a grade.

## Wardenburg Student Health Center

### *Hours and Services*

As a student, you may use Wardenburg for your medical, psychiatric, and dental care.

# GENERAL REGISTRATION INFORMATION

Check with your college or school for policies on no-credit status and how it may be used.

**Pass/Fail.** Check with your college or school for the restrictions on the number and types of courses that can be taken pass/fail. To register for a course pass/fail, call CU Connect and select the pass/fail option. (Press \*2 after the course call number, then #.)

Once you have signed up for a course on a pass/fail basis, it is not noted on class rosters or final-grade lists, nor should your instructor be notified that you are taking the course pass/fail. You are assigned a grade for the course. A grade of *D-* or above is converted to a *P*; an *F* remains an *F*. Only the *F* is calculated as part of your GPA; a grade of *P* is not counted.

**Note:** To change the status of a course from or to *P/F* or *NC*, make the change at the registrar's office in Regent 105 (through January 11), at the Coors Events/Conference Center (January 12, 14, and 16-17), or in Regent 1B60 (January 18-26). By filling out a credit-option form at one of these locations, you do not jeopardize your enrollment in the course. If you attempt to make this change by telephone, you will not be able to re-enroll in the course if it is closed or a wait list exists for the course.

You can select or change credit and grading options throughout the registration and drop/add periods through 4:00 p.m. on January 26 (the drop/add deadline).

**Variable Credit.** All independent study courses and some regular courses are offered on a variable-credit basis (courses with a range of minimum and maximum credits). When you call CU Connect to register, enter the number of credit hours you want to receive for the course when prompted. The number of credits can be changed throughout the registration and drop/add periods through 4:00 p.m., Friday, January 26 (the drop/add deadline).

## CULine

CULine, the campus electronic information system, provides important information regarding registration, a listing of available courses, the final exam schedule, tuition, and more.

More than 50 CULine terminals are located in buildings and residence halls throughout the campus. Computing labs in Business, Duane Physics, Economics, Education, Engineering, Environmental Design, Fleming Law, Ketchum, Macky, Muenzinger, and Norlin also have CULine access.

### LOOKING FOR AVAILABLE COURSES ON CULINE

At any time during the registration and drop/add periods, you can determine which courses are available by accessing CULine from a dedicated CULine computer terminal. CULine lists courses that are open, and entries are updated regularly.

From the main CULine menu, move the cursor down with the arrow key and choose STUDENT ADMIN INFO; then, press RETURN.

At this menu, select COURSE AVAILABILITY and press RETURN.

Available courses offered for spring, all available arts and sciences core courses, or all available courses in order of time offered may be displayed.

# GENERAL REGISTRATION INFORMATION

- *registration status (advising requirements and registration time-assignment)*
- *class schedule for the current term, the two most recent terms, and all future terms for which you have registered*
- *current semester billing and financial aid information*
- *current addresses*

You have access only to your own records.

Federal privacy laws and University policies guarantee your right to access your own data and protect this data from unauthorized access by others. Unauthorized access can result in student conduct disciplinary actions and/or civil and criminal proceedings. The University will provide reasonable physical and electronic security for this data, but it is up to you not to compromise the security of this information. If you feel that your PIN is not secure, go to the registrar's office in Regent 105 to change your PIN.

## Degree Audits on CULine-PLUS

Degree audits for students in journalism, music, architecture and planning, and business are currently available on CULine-PLUS. In addition, degree audits are available for more than twenty majors in arts and sciences. Arts and sciences core audits are available for those students who started attending CU-Boulder in spring 1993 or thereafter.

## Directory Information

- *Go to the registrar's office by January 31 to have directory information about you withheld.*

The Family Education Rights and Privacy Act (FERPA) of 1974 protects the privacy of your education records. However, certain information is considered public or "directory" information. Such information may be released to anyone, unless you direct the Office of the Registrar, in writing, to not disclose your directory information.

Directory information is your name, address, phone number, date and place of birth, major field of study, participation in University activities or sports, dates of attendance at the University, enrollment status (full-time or part-time), degrees and awards received, educational institutions attended, and, if you are an athlete, your weight and height.

To prevent release of your directory information, go to the Office of the Registrar by January 31 to request that it be withheld. Once requested, nondisclosure of directory information continues until you are no longer enrolled at the University or until you request removal of the privacy status. This prevents information from being released to anyone (including you) over the telephone. However, you can still access your grades and other information available to you via CU Connect and CULine.

A complete summary of University policy on the release of student information is available in the *University of Colorado at Boulder Catalog*, *Ralphie's Guide to Student Life*, and at the Office of the Registrar, Regent 105. For further information, call (303) 492-6907 and ask for the records supervisor.

## Confidentiality of Student Records

**Annual Notice to Students:** The University of Colorado complies fully with the provisions of the Family Educational Rights and Privacy Act (FERPA) of 1974. The act was designed to protect the privacy of education records, to establish the right of students to inspect and review their education records in all offices, and to provide guidelines for the correction of inaccurate or misleading data through informal and formal hearings. Students also have the right to file complaints with the FERPA office concerning alleged failures by the institution to comply with the act.

Local policy explains in detail the procedures to be used by the institution for compliance with the provisions of the act. Copies of the policy can be found in the government publications office in Norlin Library, the Law Library, and the Office of the Registrar.

The Registrar has been designated by the institution to coordinate the inspection and review of student education records located in various University offices. *Students wishing to review their education records must come to the Academic Records Section of the Office of the Registrar and present proper identification. All other records inquiries must be directed to the proper office, i.e., Financial Aid, Bursar's Office, etc.*

Students *may not* inspect the following, as outlined by the act: Financial information submitted by their parents, confidential letters that they have waived their rights to review, or education records containing information about more than one student, in which case the institution will permit access *only* to that part of the record that pertains to the inquiring student. Records that may be inspected include admissions, academic, and financial files and cooperative education and placement records.

The following items of student information have been designated by the University of Colorado as public or "directory" information: Name, address, telephone number, dates of attendance, registration status, class, major field of study, awards, honors, degree(s) conferred, past and present participation in officially recognized sports and activities, physical factors (height, weight) of athletes, and date and place of birth. Such information may be disclosed by the institution at its discretion.

No other information regarding a student's education records may be disclosed to anyone without the written consent of the student, *except* for personnel within the institution,

## GENERAL REGISTRATION INFORMATION

officials of other institutions in which the student seeks to enroll, persons or organizations providing the student with financial aid (this includes the parents upon whom the student is financially dependent), accrediting agencies carrying out their accreditation functions, and to persons in an emergency to protect the health or safety of the student or other persons.

Currently enrolled students may withhold disclosure of directory information under the Family Educational Rights and Privacy Act of 1974. To withhold disclosure, students should inquire at the registrar's office by the twelfth day of classes in a term. Once requested, nondisclosure remains in effect until the student is no longer enrolled or requests that the nondisclosure request be discontinued. The University of Colorado assumes that failure on the part of any student to specifically request the withholding of directory information indicates individual approval for disclosure.

### Double-Degree Programs

• *If you are working in a double-degree program (for example, obtaining one degree from arts and sciences and one from business), verify that the registrar's office has this information.*

Check to see that both degree programs are on your invitation to register. (For a sample invitation to register, see page 19.) If both colleges are not on the invitation, you may not be able to register for required courses in both colleges. If you have questions concerning your double-degree program, check with your deans' offices.

### E-Mail the Registrar

Have you ever had an academic records- or registration-related question but didn't know who to ask? Or have you ever had a comment you wanted to share with us about one of our programs or processes?

You can now e-mail the registrar's office

at [registrar@colorado.edu](mailto:registrar@colorado.edu) to get some answers or make your comments. Your e-mails will be read by a staff member in the registrar's office and then forwarded to the most appropriate person for a response.

We encourage you to use this new student service: E-mail the Registrar!

## Graduation

If you plan to graduate within the next year, you must check with your dean's

office for graduation application deadlines and notification procedures. Some colleges and schools require you to come in for a consultation the semester before the semester you plan to graduate. To determine the graduation policy of your college or school, check with your dean's office.

Arts and sciences students getting ready to graduate must meet specific deadlines to allow sufficient time for University processing. Follow the deadlines on this page to help you graduate on time. (When the deadlines fall on a weekend or holiday, use the next working day.)

Graduating students with Federal Perkins/NDSL loans must complete a loan exit interview before leaving the University. Failure to do so will result in a stop on your record. This stop will prevent you from receiving a diploma or an academic transcript of work completed at the University and from registering for any future terms. In order to complete a loan exit interview,

contact the University Student Loans department in the Bursar's Office at (303) 492-5571. If deaf or hard of hearing, call (303) 492-3528 (TTY).

## BICYCLE REGISTRATION

Registering your bike is mandatory if you want to park it on campus. If stolen, registered bikes are more easily recovered. The fee is \$5 for up to four years. To register your bike, take it to the Bike Kiosk, located north of the Wardenburg Student Health Center, from 9:30 a.m. to 2:30 p.m., Monday through Friday. For further information, call 492-2322.

## Photo ID Cards

• *To have a CU-Boulder photo ID made, go to the Photo ID Office between 11:00 a.m. and 4:00 p.m., Monday through Friday. The office is located in the basement of the UMC, room 25, across from the CU Book Store.*

Your validated CU-Boulder photo ID card signifies you are a currently registered student and allows you to use University services and facilities.

On January 9-12, the Photo ID Office is open from 8:30 a.m. to 4:00 p.m. On January 16, regular office hours of 11:00 a.m. to 4:00 p.m. resume.

You must have a picture ID with you to have your student ID made. Your initial ID is free, but there is a \$10 charge for replacement IDs. (Continuing education and SAVE students do not receive an initial free ID; they are charged \$10 for an ID. However, SAVE students who choose to pay student fees receive an initial CU-Boulder photo ID free.)

CU-Boulder photo ID cards and ID validation stickers are not transferable. Any person who uses the CU-Boulder photo ID or ID validation sticker of another student or allows his or her validated ID to be used by another

student may be subject to disciplinary action.

When getting a replacement ID (\$10) at the Photo ID Office, the replacement ID validation sticker is free. If you only need a replacement ID validation sticker, you can get one *free* of charge at the Coors Events/Conference Center (January 12, 14, 16-17). Replacement ID validation stickers (\$2) are available at the Photo ID Office (beginning January 18), in Regent 1B60 (January 18-26), or in Regent 105 (beginning January 29).

**Note:** You must show your CU-Boulder photo ID in order to get a replacement ID validation sticker.

## Professor Performance Guide

Professor and course evaluations published in the *Professor Performance Guide* are available during registration and can help you decide which courses and instructors to choose. The guide is the result of the Faculty Course Questionnaire that is completed by students in classes during the last two weeks of the fall and spring semesters. Results for the last six terms are available on CUline and the World Wide Web.

For more information, call the UCSU Academic Affairs Director, 492-7473. If the questionnaire is not distributed in your class, contact the Student Affairs Research Services, 492-7069.

## Registrar's Office Extended Hours

For your convenience, the registrar's office is open late for limited service on Monday nights. Two lobby windows outside of Regent 105 are open between 4:00 p.m. and 5:30 p.m. every Monday night (except holidays) to provide the following services:

- *unofficial transcripts*
- *enrollment verification*

# GENERAL REGISTRATION INFORMATION

- *transcript pick-up*
- *limited registration services (including address changes, commencement information, PIN inquires and changes, ID validation, Time Out Program applications, dropping and adding courses, and pass/fail and no-credit requests).*

## Special Assistance Available

The Office of the Registrar offers personal registration assistance to Spanish-speaking students, students with a disability, and students not familiar with the telephone registration system.

If you have a special need regarding registration or if you require accommodations because of a disability, notify the Office of the Registrar, Campus Box 20, CU-Boulder, Boulder, CO 80309-0020, or call (303) 492-4822. If deaf or hard of hearing, call 492-5841 (TTY).

## Special Services Form

The special services form allows you to choose special services such as tickets for the Artist Series, Club Sports, and Career Services programs. You do not have to choose any of the services, but completion of the form is a required part of the registration process.

If you are a continuing student, you must fill out the special services form and turn it in to the registrar's office before you can pick up a copy of the *Registration Handbook and Schedule of Courses* and register. The special services form is available during the handbook distribution period.

If you are a new or readmitted student, you receive the special services form in the mail or at orientation (for those students required to attend orientation) as part of your registration materials.

If you have not yet completed the form, follow the instructions for filling it out, sign your name, and mail it via U.S. mail or campus mail to the address indicated on the form. You may also

drop it off at the Office of the Registrar, Regent 105.

## Stops on Your Registration

- *Check your invitation to register for stops!*

When you call CU Connect, you may get a message that you have a "stop" on your record. Stops are holds that the University puts on student records for various reasons. Stops originate from delinquent financial obligations, academic concerns, or even disciplinary matters. You are not allowed to register until you have cleared all your stops. Most often, a message is printed on your invitation to register indicating a stop. (See page 19 for a sample invitation.) However, stops can occur at any time in the registration process, so you should always know the status of your student record.

If you have a financial stop, which indicates unpaid University debts, you may be withdrawn from all future terms if you fail to pay your bills. Check with the Bursar's Office in Regent 150, (303) 492-5381.

## Time Out Program

For those of you who would like to take a planned leave from CU-Boulder for a semester or a year, the Time Out Program (TOP) provides an opportunity to leave the University without losing your place in your college or school. You must be in good academic standing and have your dean's approval. Readmission to the University is guaranteed when you return, providing you meet registration and deposit deadlines. A nonrefundable \$40 application fee is charged. More information is available from the Office of the Registrar, Regent 105, (303) 492-8673.

**Note:** If you are registered for the semester you plan to begin TOP, you must formally withdraw. See the withdrawal procedures and the "Withdrawal Dates/Refund or Assessment Schedule" on page 38.

## Transcripts

- *Order transcripts by phone, mail, or in person in the Office of the Registrar.*

An **internal transcript**, which includes all of your courses, credits, grades, transfer courses accepted, and grade point average (GPA), is mailed to your permanent address approximately two weeks after the end of the semester.

Your **unofficial transcript** is a copy of your CU academic record that is used for advising purposes. You may call 492-6907 or fill out a form in the lobby of Regent to request that an unofficial transcript be sent to any department on campus at no charge. A personal copy can also be ordered for \$1 and is available the next working day at the unofficial transcript/enrollment verification window in the foyer of Regent. Same-day processing is available for an additional fee.

Your **official transcript** is the complete record of all courses you have taken at the University of Colorado, both at the undergraduate and graduate level. It contains the signature of the Registrar and is printed on official security paper. Official transcripts are primarily used to support applications for transfer to other academic institutions and for employment purposes.

Official transcripts that include end-of-term grades are available approximately 10 days after final examinations; degrees are recorded approximately six weeks after graduation.

There is no charge for official transcripts, which are prepared only at a student's request. Typically, official transcripts require a minimum of four working days to process. However, a rush-transcript service is available for a processing fee. Official transcripts may be ordered by telephone at (303) 492-8987 or by filling out an order form in the foyer of Regent. A written request may also be sent by FAX at (303) 492-4884 or mailed to: Office of the Registrar, Transcript Section, Campus Box 68, CU-Boulder, Boulder, CO 80309-0068.

This is your mailing address used during the fall and spring semesters.

All students participate in confirmed registration for spring 1996. You can call CU Connect to register for courses, list your schedule, drop and add courses, and sign up for course wait lists. When you register via CU Connect, you receive immediate confirmation or denial of your enrollment in courses.

If you require accommodations because of a disability, notify the Office of the Registrar, Campus Box 20, CU-Boulder, Boulder, CO 80309-0020, or call (303) 492-4822. If you are deaf or hard of hearing, call 492-5841 (TTY).

### 1 Receiving Your Invitation to Register

- Your invitation to register is mailed to your mailing address and includes your registration time-assignment, Personal Identification Number (PIN), your addresses, and any stops on your registration.

Your personalized invitation to register (see page 19 for a sample invitation) that is mailed to you indicates the date and time you can call CU Connect to register for courses. You can call any time after your time assignment begins, through 8:00 p.m. on January 11. However, confirmed registration is conducted on a first-come, first-served basis, and it's to your advantage to call as soon as possible after your registration time-assignment begins. Classes fill up quickly throughout the registration period. *You must clear all stops before registering.*

**Note:** If you are a new or readmitted student for spring semester who is not required to register at an orientation session (see page 10), and you have *not* received your invitation to register by January 8, go to the registrar's office, Regent 105, to pick up registration materials. The registration deadline is 8:00 p.m. on January 11.

### FINDING YOUR PERSONAL IDENTIFICATION NUMBER (PIN)

Your invitation to register includes your PIN. Your PIN, in combination with your student number, allows you access to CU Connect, Culine-PLUS, and the financial aid telephone system. Your PIN is a randomly set number, must be kept confidential, and remains the same throughout your career at CU-Boulder.

Certain data specific to you are available on these systems. Your PIN controls access to this information. If you feel that your PIN is not secure and you wish to change it, go to the registrar's office in Regent 105.

### 2 Your Registration Time-Assignment

Registration time-assignments for continuing students are based on class standing, including the number of hours you have completed at CU (any campus), any transfer credit, and any courses you are currently enrolled in (as of September 29). Graduating seniors receive the earliest assignments. All other seniors register next, then graduate and law students, first-semester freshmen (those with 12 or fewer hours), juniors, sophomores, and then second-semester freshmen. Within these groups, time assignments are random. Any changes made after September 29 (courses dropped, added, or additional transfer credit) will not change your time assignment.

**Note:** Registration time assignments for new and readmitted students who are not required to register at an orientation session (see page 10) will begin on December 6, the first day new students may register.

### 3 Filling Out Your Confirmed-Registration Form

- The confirmed-registration form is located on page 122.

Use the schedule-planning worksheet on

page 118 to fill out a preliminary schedule for spring 1996. Then, fill out the confirmed-registration form before calling CU Connect. It is a good idea to include alternate course choices on your confirmed-registration form in case courses you request are full.

### 4 Getting Academic Advising

If you are required to see an academic advisor (indicated on your invitation to register), call or visit your major department as soon as possible. Students with an undeclared or open-option major should make an appointment with the Advising Resource Center, 492-8811. You are not allowed to register until you have met with your advisor and had your advising requirement cleared. Bring your completed confirmed-registration form to your appointment. (See page 11 for more information on advising.)

### 5 Calling CU Connect and Registering

Call CU Connect, (303) 938-8110, from any touch-tone phone to register. Use the function codes listed on the confirmed-registration form, as well as on page 120. You may call any time after your time assignment begins. Follow the instructions on the confirmed-registration form. After registering via CU Connect, list your classes by pressing 5# to verify your spring schedule.

CU Connect is normally available Monday through Friday, 7:00 a.m. to midnight. It is also available on Sundays from 11:00 a.m. to midnight. (Exceptions: Sunday, December 31, 1995, 11:00 a.m. to 9:00 p.m.; Thursday, January 11, 1996, 7:00 a.m. to 8:00 p.m.; Sunday, January 14, 1996, 10:00 a.m. to midnight; and Friday, January 26, 7:00 a.m. to 4:00 p.m.)

CU Connect is *not* available on November 23 and December 24-25, 1995, and January 1, 1996.

## 6 Adjusting Your Schedule

- *The registration deadline is 8:00 p.m. on January 11.*
- *Make your changes before you return for classes in the spring!*

Once you have registered, you can make adjustments to your schedule by calling CU Connect through the registration deadline, 8:00 p.m. on January 11. Follow the CU Connect function codes described and illustrated on the confirmed-registration form (page 121) to add or to drop courses from your schedule. After January 11, see pages 25 and 26 for instructions on making final schedule-adjustments during the drop/add period.

### SEARCHING FOR OPEN COURSE SECTIONS

If you request a course section that has been canceled or is full, the computer voice asks you if you want to conduct a search for open sections of that course. If you do, press 7#. CU Connect will search for another section of the course that is available during the same time period. If one is available, you can register for that section. If one is not available, CU Connect will search for the first section of the course that is open and fits your schedule, until it is determined that no section of that course is currently open and available.

### COURSE TIME CHANGES

- *Original course sections may be canceled and a new section added.*

Sometimes academic departments must change the time a course is offered after the *Registration Handbook and Schedule of Courses* has been published. When this happens, the department cancels the original section and adds a new section that reflects the time change.

If you register for a course and CU Connect tells you the course has been canceled, try the search option (7#) when prompted. CU Connect lets you know if the new section of the course

with the time change is available and fits your schedule.

### Listing Your Schedule

To list your schedule, call CU Connect and press 5# after you enter your PIN and when the computer asks for your first request. If you put your name on a course wait list, list your schedule frequently or look up the status of your wait-listed courses on CULine-PLUS to find out if you have been enrolled in the course. If you are enrolled in a course you no longer want, drop it by the deadline. (See page 26.)

### Registering for Linked (Lecture/Recitation/Lab) Courses

#### WHICH COURSES ARE LINKED

Linked courses are lecture courses that have required recitations and/or labs. In the course listings, you can identify a linked course because *the call numbers for linked lectures are not listed*. Only the

call numbers for the linked recitation or lab is listed. (For courses that have a required lecture, recitation, *and* a lab, the call numbers *are not listed* for the lecture and recitation; they are *only listed* for the lab.) See the bottom of page 22 for an example of how the linked sections appear.

**Note:** This does not apply to courses that have a required lab with a different course number, e.g., EPOB 1210, General Biology 1 and EPOB 1230, General Biology Lab 1.

#### REGISTERING FOR LINKED COURSES

To register for linked courses, enter the call number for the lab or recitation only. When you enter the call number, the system automatically "links" all other sections of the course and either enrolls you in all sections of the course or gives you the option of placing your name on a wait list, if available, for all required sections of the course.

# CONFIRMED REGISTRATION/WAIT LISTS

## ENROLLMENT

If all sections of the linked course are open (lecture, recitation and/or lab), you will automatically be enrolled in all parts of the course. CU Connect will verify your enrollment.

## WAIT LISTS

If one section of a linked course is closed, you have the option of searching for another section of the course (if another section is open or exists) or placing your name on the wait list, if a wait list exists for the course. If you are wait-listed for the recitation or a lab, then you are automatically wait-listed for all parts of the course (lecture, recitation, and/or lab). You *cannot* be enrolled in the lecture and wait-listed for the recitation or lab.

Linked courses with wait lists have resequenced wait lists (that is, wait lists are based on a priority system to determine who enrolls in the course as spaces open up). Open spaces are determined by the recitation or lab you have selected. When an opening occurs in a recitation or lab, the student at the top of the wait list will automatically be enrolled in all parts of the course, but not until the end of that day's registration activity.

*Placing your name on a wait list does not guarantee that you will be enrolled in the course!* It is your responsibility to find out if you have been enrolled in a course from the wait list. No verification of enrollment is sent.

## DENIED ENROLLMENT

If you try to register for a linked course that is closed and has no wait list for the recitation or lab, or one part of the course conflicts in time with another course you are already enrolled in or wait-listed for, you will be denied enrollment in *all* parts of the course, even if there is an opening in the lecture.

## DROPPING OR CHANGING A SECTION

To drop your lecture-recitation or lecture-lab or lecture-recitation-lab course, enter the recitation or lab course call number (whichever appears with a call number in the course listings). You will then be dropped from all parts of the linked course. *Wait for CU Connect to confirm that you have been dropped from the course.* If you need to drop one part of a linked course and add another, we advise you to make changes in an academic department or at the central drop/add site to ensure that you do not lose your space in a course.

## ALL ABOUT WAIT LISTS

Throughout the confirmed registration and schedule-adjustment periods, if you are eligible to take a course but find it has been closed, you may put your name on a computerized wait list. The course may have openings later in the registration process. Each department determines if a wait list will be offered for a course and what type of wait list will be used.

*Automatic wait lists* are set up on a first-come, first-served basis. As a vacancy occurs in a class, the person at the top of the list is automatically enrolled.

*Resequenced wait lists* use a priority system to determine who enrolls in a course as spaces open up. Priorities are established by the department and are usually based on class standing and/or major.

CU Connect informs you if a class you have requested has a wait list and gives you the option of adding your name to the list. Press 9# when prompted and listen for verification.

## Wait-Listed Courses

Placing your name on a wait list does not guarantee that you will be enrolled in that course. Enrollment is determined by the total number of spaces and the demand for each particular course. Spaces may or may not become available at a future time.

It helps to have a list of alternate course choices if you are not enrolled in a course from the wait list. You may go to the registrar's office in Regent 105, the Coors Events/Conference Center (January 12, 14, and 16-17), to Regent 1B60 (January 18-26), or use CUline (see page 13) to check lists of all available courses, open courses that meet core-curriculum requirements, and open courses by meeting time.

**Note:** Wait-listed hours are included in your credit load limit. (See page 12.) You cannot be enrolled and wait listed for courses offered at the same time, and you cannot be wait listed for two courses offered at the same time.

### Example of a Linked Lecture/Recitation Call Number Course:

ECON 2010	4	PRIN OF MICROECONOMICS	100	1100AM-1150AM MWF	MATH 100	JR ALM	425

### Example of a Linked Lecture/Lab Course:

## WAIT LISTS

### Wait-List Positions and Enrollment

When you place your name on a wait list, the total number of students already on the list is announced. As wait-list positions change during the registration and schedule-adjustment periods, it's a good idea to call CU Connect and list your schedule often to find out your position on the wait list. (See the instructions on page 21.) If you are wait listed for any courses, your wait-list position (normally current within the last 24 hours) is announced when you list your schedule. Beginning January 12, you can also find out your wait-list position at any drop/add site. (See page 26.) CU Connect does *not* tell you what "type" (automatic or resequenced) of wait list you are on.

**Note:** If you are wait listed for a linked course (lecture, recitation, and/or lab), wait-list positions are only announced for the lowest level of the course (the recitation or lab). See page 22 for more information on wait lists for labs and recitations.

It is your responsibility to find out if you have been enrolled in a course from the wait list.

When a space opens up for you from a wait list, you are automatically enrolled in the class. *No verification is sent.* If you choose not to remain on a wait list or if you find that you have been enrolled in a course that you no longer want, drop the course as soon as possible by entering 3\* on CU Connect, followed by the course call number and the # sign. Other students will be waiting to enroll in the course from the wait list. If you are enrolled in a course you no longer want and if you fail to drop the course by January 31 (4:00 p.m.), you are charged tuition for the

course based on your number of credit hours. (**Note:** You need the instructor's approval to drop a course *after* January 26. See page 26 for more information.) Also, if you do not attend a course you have been enrolled in, you will receive an *F* for that course.

### Deadlines for Wait Lists

You may place your name on course wait lists through **midnight, Tuesday, January 23**. At that time, all wait lists are frozen.

If you are on a wait list as of January 24 and are still interested in taking that course, check with the department offering the course. You must let the department know you are still interested in the course, should an opening occur. *There is no automatic enrollment from wait lists after January 23.* All department wait lists are canceled at 4:00 p.m.

on Friday, January 26, the drop/add deadline. (**Note:** If you're still on the wait list as of 4:00 p.m. on January 26, you'll be eligible to reserve the course the next time it is offered. See the "Course Reservation Program" information on page 12.)

### Wait Lists for Labs and Recitations

If a course with a required recitation and/or lab is closed, and a wait list is available, you can add your name to the wait list for the lower level of the course, and you will automatically be wait-listed for all parts of the course. If a space becomes available in the lowest level of the course, you will be automatically enrolled in all parts of the course. (See page 21 for more information on registering for linked courses.)

In addition, representatives from the Bursar's Office will be available to answer questions about tuition and fee bills. Academic advisors from many of the colleges and schools will also be available.

## Understanding Your Schedule

Your class schedule lists the courses for which you are registered. If a message instead of a course title is listed, or if a course you requested does not appear, you are not registered for that course.

Some reasons you may not have been enrolled in a course are listed below.

### "STUDENT INELIGIBLE FOR COURSE"

- **Class Restriction.** Class enrollment may be limited by class level or to students who have earned a certain number of hours by the end of the previously completed semester. Class restrictions are not likely to change during the schedule-adjustment period.

- **Controlled Enrollment.** Special authorization is required from the department before requesting the course. See the department for more information.

- **Major Restriction.** Enrollment is limited to students in specific majors, colleges, or schools. These restrictions are not likely to change during the schedule-adjustment period.

- **Course Canceled.** Either the course or section you requested was canceled. Contact the department for additional information or try adding a different section or course.

## ADJUSTING YOUR SCHEDULE

**Y**ou may use CU Connect to list your schedule and to make changes during the drop/add period (the first two weeks of the spring semester, January 12-26).

**Note:** If you require accommodations because of a disability, notify the Office of the Registrar, Campus Box 20, CU-Boulder, Boulder, CO 80309-0020, or call (303) 492-4822. If you are deaf or hard of hearing, call 492-5841 (TTY).

### Drop/Add Time Assignments

Time assignments during the drop/add period are based on the last two digits of your student number. **You are not able to drop or add courses either through CU Connect or at a computer terminal until your time assignment begins.**

Time assignments ensure that there is not too large a volume of students calling CU Connect or going to computer terminals all at once. Time assignments are changed each semester to ensure fairness.

Drop/add time assignments are as follows:

#### DROP/ADD TIME ASSIGNMENTS

### Adjusting Your Schedule

• Use the schedule-adjustment form on page 123.

Complete the form on page 123 of this handbook, filling out call numbers, department abbreviations, course numbers, and section numbers of courses that you want to drop and/or add to your schedule. Because there may be many closed courses, have several alternate courses listed. Lists of available courses can be found at the Coors Events/Conference Center (January 12, 14, and 16-17), in Regent 1B60 (January 18-26), Regent 105, and on CULine.

See pages 11-12 to add an independent study or controlled enrollment course.

### Adjusting Your Schedule at a Computer Terminal

• Computer terminals for dropping and adding courses are available in academic departments (January 12 and 16-26), at the Coors Events/Conference Center (January 12, 14, and 16-17), and in Regent 1B60 (January 18-26).

To change your schedule at a computer terminal (during the drop/add period of January 12-26), go to any of the drop/add sites (see page 26). You may adjust your schedule any time after your drop/add time assignment begins through the drop/add deadline. Your photo ID is required to change your schedule at a drop/add site.

Take your schedule-adjustment form (filled out), this handbook, and your photo ID with you to a drop/add site.

# ADJUSTING YOUR SCHEDULE

When adjusting your schedule at a computer terminal, (drop/add site) you must have the course department, the course number, and the section number. (Refer to your completed schedule-adjustment form on page 123.)

When you go to an academic department, you can do all of your drop/add activity for any department or college at any location. (See pages 39-40.)

## DROP/ADD SITES

### Academic Departments

January 22 (Mon.)-January 26 (Fri.),

### Regent, Room 1B60 (basement)

January 18 (Thurs.)-January 26 (Fri.),  
8:30 a.m. - 4:00 p.m.

## Changing Credit and Grading Status

In order to make any section change or a change of pass/fail, no credit, or variable-credit status over the phone or at an academic department, a course must be dropped and then immediately

added. If you make these changes by phone or at an academic department, there is the possibility that you will not be able to add the course back once you have dropped it. It is best, therefore, to make these changes at the Coors Events/Conference Center (January 12, 14, and 16-17) or in Regent 1B60 (January 18-26).

## Adjusting Your Schedule by Phone

You may drop and add courses via CU Connect any time after your schedule-adjustment time assignment begins. To adjust your schedule by phone, follow the confirmed-registration instructions on pages 20-21.

### CU CONNECT HOURS

## Deadlines for Making Schedule Adjustments

### DROP/ADD DEADLINE

The deadline to add courses and the deadline to drop courses without approval signatures for spring semester 1996 is 4:00 p.m., Friday, January 26.

January 26 is also the deadline to change variable-credit hours and pass/fail and no-credit status on course.

To add a course after January 26, you must contact your dean's office and have both your instructor's and your dean's approval on a special action form. No adds are permitted after January 26 unless there are extenuating circumstances.

To drop a course between January 26 and 31, you must get your instructor's signature on a special action form and turn it in to the registrar's office. Note: See below for information about dropping courses and the tuition-adjustment deadline.

### TUITION-ADJUSTMENT DEADLINE

The deadline to drop a course without being assessed tuition and fees for that course and without a W grade showing on your transcript is 4:00 p.m., Wednesday, January 31. Note: You must have the approval of your instructor on a special action form to drop a course after January 26.

No tuition adjustments are made for courses dropped after Wednesday, January 31 (4:00 p.m.). In addition, you will receive a W grade on your transcript for courses dropped after January 31.

To drop a course between January 31 and February 28, you must be passing the course and a special action form must be signed by your instructor and turned into the registrar's office.

### DEADLINE TO DROP WITHOUT PETITIONING YOUR DEAN

Wednesday, February 28, (4:00 p.m.) is the deadline to drop a course without petitioning your dean. After February 28, you cannot drop a course unless there are circumstances clearly beyond your control (accident, illness, etc.). To drop a course after this date, you must have your instructor's approval, as well as the approval of your dean. Their signatures must be on a special action form, or your request will not be processed.

### Administrative Drops

Administrative drops are initiated by departments. If you have not met all the course requirements or do not attend your courses regularly during the first few weeks, you may be administratively dropped from any course. Check with departments for policies concerning administrative drops.

### List Your Schedule Often!

List your schedule often via CU Connect to verify your enrollment and to find out your position on wait lists.

#### FINDING OUT YOUR POSITION ON A WAIT LIST

If you are on a wait list and you list your schedule via CU Connect, CU Connect tells you your specific position on the list. Wait-list positions are normally updated nightly.

Check your schedule often, using the list option (see page 21) to find out if you have been enrolled in a course from the wait list. If you forget that you are on a wait list and are placed in a course and fail to drop it by January 31, you are charged for the course, and you will receive an *F*, even if you do not attend the class. **Note:** You may only drop a course via CU Connect through 4:00 p.m. on January 26 (the drop/add deadline). After January 26, instructor's approval is required on a special action form to drop a course. See page 26 for more information.

### Verifying Your Schedule

List your schedule often to verify your courses and make any appropriate adjustments before the drop/add deadline (4:00 p.m. on January 26).

Other fees also exist in the College of Architecture and Planning. An MBA Career Services Fee of \$250 (\$150 for part-time) per semester is assessed to all MBA students. In addition, lab courses not linked to a lecture course may require payment of a course fee.

Comments concerning course fees are welcome and should be addressed in writing to the Office of the Chancellor, Campus Box 17.

### Matriculation Fee

There is a one-time, nonrefundable matriculation fee of \$35, which is assessed at the time of initial registration, for students entering a program and for new degree students. Nondegree students who are admitted to degree status are assessed the matriculation fee at the time of their first registration after they have become degree-seeking students.

## TUITION AND FEES

### Enrollment Deposit

Your \$200 enrollment deposit is held for you by the University until you graduate or officially withdraw from the University within established dates and guidelines (see page 38 for the "Withdrawal Refund or Assessment Schedule"). Update your permanent address at the Bursar's Office before you graduate or withdraw to be sure you receive your refund. At that time, the deposit is credited toward any outstanding financial obligations you may have, and a refund check is mailed to you within approximately eight weeks. Interest earned from enrollment deposits is used for student financial aid.

If you enroll at the University the semester following your graduation, your enrollment deposit remains on your account. It is then refunded to you, in accordance with established University policy, when you are no longer enrolled.

### Residency

Students classified as out-of-state residents who are seeking in-state tuition classification for spring 1996 should turn in residency petitions by 4:00 p.m., December 28, 1995, to the Tuition Classification Office in Regent 1B54, Campus Box 68, CU-Boulder, Boulder, CO 80309-0068.

Petitions are accepted through January 12, 1996, but students who submit petitions after December 28 may not receive a decision by the tuition-payment deadline. Adjustments and reimbursements are made if a student's application is approved.

Students submitting a completed petition by November 1, 1995, receive a decision by the enrollment-deposit refund deadline of December 29, 1995. Financial-aid recipients seeking in-state

classification should submit their petitions by November 1, 1995, to make sure their financial-aid award is processed in time for spring semester.

Complete information regarding the requirements for in-state residency status is available from the Tuition Classification Office, Regent 1B54, or by calling (303) 492-6868.

### Student Health Insurance for Spring 1996

If you are a new or readmitted student and you do not receive an insurance packet in the mail in the month of December, call (303) 492-5107. All students enrolled for 6 credit hours or more are automatically assessed \$499 for Plan A of the student health insurance.

Plan A insurance provides up to 100-percent coverage for eligible medical costs incurred at Wardenburg Student Health Center (WSHC). It also provides 75- to 100-percent coverage at other medical facilities, after a deductible is satisfied. (This is dependent upon the type of service rendered and the provider.) The plan provides up to \$250,000 in coverage per illness or injury on a world-wide basis. Benefits are provided all year round when both fall and spring semester coverage are purchased. There are also other insurance options from which to select.

If you are taking 5 or fewer credit hours, or you are enrolled in SAVE, Continuing Education, or the Time Out Program, the University-sponsored health plan is available at the same price that full-time students pay. To become eligible to purchase the insurance, you must first pay full UCSU student fees. Exception: Approved doctoral candidates requesting student insurance are charged full price for the insurance, and UCSU student fees may be reduced. If you are taking 5 or fewer semester hours

or you are in one of the programs listed above and you wish to enroll in the student health plan, you must sign up at WSHC within the enrollment period.

If you hold at least a 20% appointment as a teaching, research, or graduate assistant, or as a graduate part-time instructor, you are eligible for a contribution toward student insurance. The University will contribute a portion of the cost toward either Option A or B.

If you do not wish to purchase University health insurance, complete a waiver to remove this charge from your bill. To be honored, waivers must be turned in to WSHC by January 24, 1996. A selection/waiver form need not be submitted in the spring semester if you submitted one in the fall 1995 semester, unless you wish to change the insurance option.

For more details on other insurance options or if you have questions, call the Student Insurance Office at (303) 492-5107.

## PAYING YOUR BILL

**Y**ou may pay your bill by a personal check, certified check, or cashier's check made payable to the University of Colorado. If you decide to pay in cash, make your payment at the cashier windows in the lobby of Regent. If you pay by check, make sure your name and student number are on the check. Mail the check and the top portion of your bill to the Denver post office box noted on the bill, or use one of the tuition drop boxes in the lobby and at the north and south entrances of Regent. *Do not use campus mail.*

**The payment deadline is 4:00 p.m. on Wednesday, January 24, 1996.**

**Note:** All checks containing restrictive endorsements are null and void and nonbinding on the University.

Permanent drop boxes are located outside Regent Administrative Center at the north and south entrances. The boxes are available 24 hours a day, seven days a week, to make a payment on any bills owed to the Bursar's Office. Refer to information included with your schedule/bill for additional drop box locations.

If you must send payments via express mail, send them to the Bursar's Office, Regent, Room 175, CU-Boulder, Boulder, CO 80309-0041.

If you are using the U.S. Postal Service, mail your payment early. **The University must receive your payment by January 24. Postmark dates are not honored.** If you do not receive a tuition and fee bill, you are still responsible for knowing the amount of your bill and for paying it on time.

The Bursar's Office hours from January 16 through 26 are Monday through Friday, 8:30 a.m. to 5:00 p.m. Refer to information included with your schedule/bill for extended hours of service.

For your convenience, the Bursar's Office has evening hours on Monday, January 22, and is open 8:30 a.m. to 6:00 p.m. for billing questions, tuition payment, refund-check distribution, deferred tuition, and short-term loans.

### **Tuition Payment Option: Deferred Tuition**

If you foresee any problems in paying your bill in full by the January 24th deadline, you can elect to defer up to one-half of your balance due. By completing and returning the deferred tuition agreement located on the reverse side of your schedule/bill, you are allowed to pay one-half of the amount due on January 24. The minimum balance due, indicated on the reverse side of your bill, is reduced automatically by any credits (financial aid, insurance, RA/TA tuition waivers, and scholarships) applied after your bill is produced. If there are changes, you can access CULine-PLUS for your current bill information, or call (303) 492-5091 for your current balance.

On February 28, you must pay the balance of your bill, plus a one-percent finance charge and any charges added to your bill after your bill is produced. A second bill reflecting this balance is mailed to your local mailing address the first week of February. Make sure your address is current.

If you do not receive a schedule/bill in the mail, or if the deferred tuition agreement is not part of your schedule/bill, you may also defer your tuition at the student billing windows in Regent.

### **Failure to Pay in Full by the Deadline**

University policy requires that a financial stop be placed on your record if you fail to pay your full tuition and fee bill by the published deadline.

All past due accounts are referred to the Student Debt Management department for collection, where you must pay any assessed collection charges.

Colorado law requires the University to place all delinquent accounts with the state's Central Collection Services Office (CCS). If your account is referred to CCS, you must pay any collection costs allowed by the Uniform Consumer Credit Code.

A late-payment charge, in addition to a service charge on the unpaid balance (one-percent per month), is assessed according to the following schedule:

BALANCE DUE	LATE CHARGE
\$99.99 or less .....	\$5
100-299.99 .....	\$10
300-499.99 .....	\$20
500-699.99 .....	\$30
700-899.99 .....	\$40
\$900 and over .....	\$50

### **Personal Check Policy**

If you write a bad check (regardless of the amount) to the University, you may be subject to late charges and service charges, and a stop will be placed on your record. A \$17 returned-check charge is assessed, in addition to the amount due to the University. You may also be liable for collection costs and prosecution under the Colorado Criminal Statutes. Specific inquiries concerning reporting of bad checks should be directed to the Student Debt Management department in the Bursar's Office at (303) 492-5571. If deaf or hard of hearing, call (303) 492-3528 (TTY).

### **Failure to Complete Financial Transactions/ Financial Stops**

If you fail to pay your bill, miss payment deadlines, or write delinquent checks to the University, you are subject to late fees, finance charges, and financial stops.

## PAYING YOUR BILL

Financial stops prevent you from registering for any future terms, receiving a diploma, dropping or adding courses, or receiving an academic transcript of work at the University; you may also be withdrawn from the University for future terms.

### Direct Lending

*All Federal Stafford and PLUS loan proceeds are applied directly to your tuition and fee bill.* If your financial aid pays your bill in full, and there is money remaining, you are entitled to a refund (see below).

If you are not eligible for a refund or the amount of the refund does not cover additional expenses, *i.e.*, books, food, rent, you must plan accordingly.

### Getting Your Refund Check

Refund checks resulting from financial aid credits on tuition bills are mailed as stated below.

If your tuition account reflects a credit balance, or if financial aid is applied to your account by January 8 that results in a credit balance, a refund check is mailed to your local mailing address on January 11. Make sure your address is current. This refund **CANNOT** be picked up.

If your tuition account reflects a credit balance after January 8, a refund check is available at the cashiers window in Regent beginning January 12. (Locations may change. Refer to information included with your schedule/bill for updated information.) You must have your photo ID with you to pick up your check. Checks not picked up are mailed on a monthly basis.

### New for spring 1996!

Students may have their refunds directly deposited into their bank account. Watch your mail in November for an application form.

### Tuition and Fee Information on CULine-PLUS

Do you need to know how much you owe on your tuition and fee bill? Has your financial aid (including loan proceeds) been applied to your bill and is a refund check available to pick up? What is the due date of the next tuition and fee bill?

All these questions can be answered by accessing CULine-PLUS anytime, including nights and weekends, at various terminals located around the campus. (See page 13 for CULine terminal locations.) If you have any questions regarding tuition information on CULine-PLUS, call the Bursar's Office at (303) 492-5381. If deaf or hard of hearing, call (303) 492-3528 (TTY).

You may also call the Office of Financial Aid's automated phone system at (303) 492-5091 to obtain this information. Refer to the "Automated Phone System" section on page 36.

## FINANCIAL AID

If you meet all of the qualifications to receive financial aid funds, your scholarship, grant, or loan proceeds are automatically applied to your bill. (Look up your bill on CULine-PLUS.)

All loans borrowed under the Federal Direct Student Loan Program are credited to your University bill, provided you meet all the eligibility criteria to receive your financial aid.

### First-Time Federal Direct Student Loan Borrowers

All students borrowing a federal loan for the first time are required to participate in an entrance interview that outlines the responsibilities of borrowing federal funds. Entrance interviews are held between 9:00 a.m. and 4:00 p.m. at the Office of Financial Aid. You do not need an appointment.

If you accepted a fall/spring loan (including PLUS), the total amount of

the loan is divided evenly between the fall and spring semesters.

### Refund Checks

Refund checks for any financial aid (including direct-loan proceeds) in excess of your tuition and fee bill are mailed to your local mailing address. (See "Getting Your Refund Check" on page 35.)

### Federal Perkins Loans

If you are awarded and accept your spring Federal Perkins loan and sign your promissory note, the loan is applied to your bill. If you did not sign the promissory note, please come to the Office of Financial Aid to sign a duplicate.

### Short-Term Loans

Short-term loans for students are available through the Office of Financial Aid during periods of enrollment and between fall and spring semesters. You

must be at least 18 years of age and enrolled at least half-time on the Boulder campus to qualify (SAVE and Continuing Education students are not eligible), and you must present your photo ID. All loans must be backed by financial aid or have a co-signer who is either a faculty or staff member or a student at CU-Boulder. The maximum amount that you can borrow is \$500, and the loan must be paid back to the University within 30 days.

You may also seek a short-term loan from the University of Colorado Federal Credit Union. Criteria for that loan can be obtained directly from the Credit Union at (303) 443-4672.

### Reasonable Academic Progress

In order to receive financial aid, you must maintain reasonable academic progress toward a degree. This policy is published in a fact sheet and is available at the Office of Financial Aid, Environmental Design, room 2.

### Automated Phone System

You may call the Financial Aid Office's automated phone system from a touch-tone phone to request services or receive financial aid or bill information (day or night). Have your student ID number and PIN ready. Call 492-5091, and press 1 and 1 again to access your financial aid file, or press 5 for Student Employment. To speak with a financial aid advisor, call between 9:00 a.m. and 4:00 p.m., Monday through Friday, and press 2.

### Veterans' Benefits

If you are entitled to veterans' benefits, write Veterans' Services, Office of Financial Aid, Campus Box 106, CU-Boulder, Boulder, CO 80309-0106, or call (303) 492-7322 for further information.

# Are you picking me up?

If not, you should be. The Colorado Daily has more CU coverage than any other newspaper. Thousands depend on us for fair and honest reporting, what's hot, what's not, not to mention the best deals in town. We're free and we're all over Boulder. There's no reason not to pick one up every morning.

**Colorado Daily**

## OTHER REGISTRATIONS

**A** number of different registrations are held each semester for specific categories of students. If you have questions about any of these registrations, call the number listed in that section or see the *University of Colorado at Boulder Catalog*.

**Note:** If you require accommodations because of a disability, notify the Office of the Registrar, Campus Box 20, CU-Boulder, Boulder, CO 80309-0020, or call (303) 492-4822. If you are deaf or hard of hearing, call 492-5841 (TTY).

### Concurrent Registration

- Obtain forms in Regent 105 beginning January 2.

If you plan to take at least one course at CU-Boulder in the spring and cannot register for all courses required for your degree program, you may be able to register concurrently on another CU campus. The course(s) must be required for your degree program, you must have your dean's permission, and enrollment levels must not have been reached on the other campus. Graduate students must have their advisor's approval. If all these conditions are met, you may register on another CU campus for up to two courses or 6 credit hours, whichever is greater.

You cannot register concurrently until the final schedule-adjustment period has begun on the other campus. Boulder students pay Boulder tuition rates for all courses.

Concurrent registration forms and instructions are available at the registrar's office in Regent 105 beginning January 2. For information, call (303) 492-6581.

**Note to Graduate Students:** Check with the Office of the Registrar for exceptions to the home-campus registration requirement and limitation on credit hours at the host campus.

### High School Nondegree Registration

The high school nondegree program is coordinated by the Division of Continuing Education. Registration is held through the SAVE program. Please contact Continuing Education at (303) 492-5148.

### Intercampus Registration

If you want to take course work on another University of Colorado campus, you may be able to register directly on that campus. However, you must apply for admission to that campus and follow its registration procedures. Check with your dean's office for approval. (Students in the College of Arts and Sciences may not register at the Denver or Colorado Springs campuses except in the summer.)

### Late Registration

To be guaranteed enrollment for spring 1996, you must complete registration by 8:00 p.m. on January 11. If you do not register by this deadline (this includes graduate students), you are subject to late registration. Only students in open categories are eligible for late registration, and lower registration priority and a \$50 late fee are applied. Remember that many courses are full by this time.

If you are a continuing student, call (303) 492-4822 beginning at 8:30 a.m. on January 12 to see if you are eligible for late registration. If you are a new student, go to Admissions Operations (492-2451) in Regent 1B65. Students who are eligible for late registration must go to the Coors Events/Conference Center (January 12, 14, and 16-17), or to Regent 1B60 (January 18-26) to be set up for late registration.

### On-Campus Registration

- *Deadline to register is January 11 (8:00 p.m.).*

If by January 8 you have not received registration materials for spring, you may pick up registration materials in Regent 105 between 9:00 a.m. and 4:00 p.m., January 8-11. (**Exception:** New freshmen and transfer students in arts and sciences, business, and engineering receive registration materials at orientation on January 11.)

You must complete telephone registration by 8:00 p.m. on January 11. For more information, call the registrar's office at (303) 492-6970.

### Registration for Faculty and Staff

All permanent faculty and staff members at CU-Boulder may take 1 to 6 free credit hours each year. The academic year begins with the summer session, and the number of free credit hours is determined on a prorated basis from full-time employment status. Beginning January 14, enrollment is held on a space-available basis in conjunction with late registration. If you wish to register early, register via CU Connect by January 11 (8:00 p.m.), but full tuition and fees are charged if you register before January 14. (Follow all instructions and deadlines that apply to continuing students.)

If you take a course(s) as a nondegree student, you must take a copy of your current Personnel Action Form (PAF) and a nondegree-student application to the Bursar's Office, Regent 150, by December 1, 1995. If you were enrolled as a nondegree student on the Boulder campus during fall semester 1995, you are set up automatically for spring 1996, but you must apply for free credit hours each semester. A current Personal Action Form (PAF) is required each semester for which a waiver is needed.

## OTHER REGISTRATIONS/WITHDRAWING

You are assessed the student computing fee, the Student Information System fee of \$6.00, the \$3.25 arts fee, and the \$13.20 RTD bus pass fee, and all applicable course fees are mandatory. Refer to the "Course Fees" section on page 31 for additional information.

You must take course work outside of scheduled working hours or an adjusted work schedule must be established that is acceptable to your employing department. For more information, call (303) 492-4369 or 492-3563.

### Senior Citizens Auditors Program Registration

All Colorado residents age 55 and older can register in this tuition-free, non-credit program to audit classes on a space-available basis. This program is sponsored by the CU-Boulder Alumni Association. Registration for senior auditors is at Koenig Alumni Center, January 22, 1996, 9:00 a.m. to 3:00 p.m., and January 23, 1996, 9:00 a.m. to noon. Call 492-8484 for information.

### Space-Available (SAVE) Registration

Nondegree students may take Boulder campus courses on a space-available basis. Register at the Coors Events/Conference Center, January 17, 8:30 a.m. to 4:00 p.m. After January 17, registration will be at the Continuing Education Office (1221 University). Tuition charges are identical to CU-Boulder rates, and payment is due in full upon enrollment.

**Note:** Out-of-state students who want to register for 3 credit hours or less through SAVE are assessed a rate less than the regular out-of-state tuition rate. (Degree students must obtain approval from their dean, and out-of-state students registered for 4 hours or more through SAVE are assessed at the regular out-of-state tuition rate.)

When you register for the Boulder campus SAVE program, you pay Continuing Education for those courses. If you are a newly admitted degree student who has not completed a semester on the Boulder main campus, you must register as a nondegree student through SAVE and reapply through the Office of Admissions when you want to return to the University. Be aware of the number of hours you can take as a nondegree student that will transfer to a degree program. For eligibility information, call Continuing Education at (303) 492-5148.

### Withdrawal Procedures

If you need to withdraw from spring semester 1996 *before* January 31, fill out a withdrawal form in the registrar's office or write a letter to the Withdrawal Coordinator, Office of the Registrar, CU-Boulder, Campus Box 7, Boulder, CO 80309-0007. You do not need to drop your courses; this is done for you.

If you withdraw *after* January 31, you must complete a withdrawal interview to discuss procedures for withdrawing and your reasons for leaving.

If you do not officially withdraw from the University, failing grades are recorded for all of your courses. Remember: Deadlines and rules for withdrawing may vary within each college and school. Check with your dean's office concerning withdrawal rules.

**Note:** If you withdraw from CU-Boulder but plan to return to the Boulder main campus in the future, you must either go on the Time Out Program (see page 18) or reapply through the Office of Admissions.

Tuition assessments for first-time students with financial aid may differ from those listed on this page, due to enactment of the Higher Education Amendments of 1992, Part G, Section 484B. Please check with the Bursar's Office at (303) 492-5381. If deaf or hard of hearing, call (303) 492-3528

(TTY).

Withdrawing students (including students applying for the Time Out Program) with Federal Perkins/NDSL loans must complete a loan exit interview before leaving the University. Failure to do so will result in a "stop" on your record. This stop will prevent you from receiving a diploma or an academic transcript of work at the University and from registering for any future terms. In order to complete a loan exit interview, contact the University Student Loans department in the Bursar's Office at (303) 492-5571. If deaf or hard of hearing, call (303) 492-3528 (TTY).

## ABOUT THE COURSE LISTINGS

The course listings beginning on page 44 run the entire length of the two-page left column and continue on the entire length of the two-page right column.

### Understanding Course Numbers

Courses are numbered according to the following guidelines:

- 1000-2999 Lower-division courses (generally appropriate for freshmen and sophomores)
- 3000-4999 Upper-division courses (primarily for juniors and seniors)
- 5000-5999 Courses intended for graduate students, but may be open to qualified undergraduates under some circumstances (see individual faculty)
- 6000-8999 Courses open to graduate students only (see individual department offices for special provisions)

### Understanding Course Listings

The headers at the top of each column of course listings, in order from left to right, include:

**Core Diamonds**—A diamond (◆) appears to the left of courses that fulfill a College of Arts and Sciences core-curriculum requirement. (Refer to the College of Business Degree Requirements brochure for information on courses that fulfill the College of Business core-curriculum requirements.)

**Department**—The department name, abbreviated to four letters.

**Course Number**—The four-digit number used to identify the course.

**Credits**—The number of credit hours offered for the course.

**Course Title**—Often abbreviated; refer to the *University of Colorado at Boulder Catalog* for the complete title and course description.

**Section Number**—This three-digit number refers to the specific meeting pattern of the course. The three-digit number alone is the lecture number. When an R, L, or P precedes the section number, it indicates that the section is a recitation (R), or a laboratory (L), or a practicum (P), which must be taken in addition to the lecture. Some courses may have all three: lecture, lab, and recitation. See page 21 for instructions on registering for linked courses.

**Call Number**—The five-digit number, specific to a particular term, that is used for requesting a specific section of a course via CU Connect.

**Time/Days**—Meeting time and days of the class (M—Monday; T—Tuesday; W—Wednesday; R—Thursday; F—Friday; S—Saturday; and U—Sunday).

**Building/Room**—The building name and room number where the class meets; this is subject to change. (See the campus map for the building abbreviations.)

**Instructor**—The instructor's name, when available.

**Maximum Enrollment**—The maximum number of students allowed to enroll in the course.

When a course has a prerequisite and/or a corequisite, a note (*in italics*) appears just after the course title. Additional course notes are inserted into each course listing, as needed.

*Remember:* Some courses may not be available to you due to college or school restrictions or class size limitations. In this case, CU Connect will inform you with an appropriate message.

This description of the core curriculum contains a number of changes approved by the faculty of the college in spring 1994. This version applies to all students first enrolling in the college in summer 1994 and later.

The specific changes include credit-hour requirement updates, as follows:

1. Written Communication requires 3 hours of approved lower-division course work and 3 hours of approved upper-division course work.
2. Historical Context requires 3 hours of approved course work.
3. United States Context requires 3 hours of approved course work.
4. Contemporary Societies requires 3 hours of approved course work.

Continuing students who first enrolled in the College of Arts and Sciences before summer 1994 may elect to graduate under the new set of core curriculum requirements. These continuing students may satisfy the written communication requirement by passing 3 hours of approved upper-division course work or by passing the written communication proficiency test.

The core curriculum must be satisfied by all students in the College of Arts and Sciences who began their undergraduate study in the summer of 1988 or later. Those students who finished high school in the spring of 1988 or later must also meet the college's minimum academic preparation standards, or MAPS (see page 110). You may not use courses taken to complete a MAPS deficiency to fulfill any area of the core curriculum, with the exception of foreign language.

There are eleven requirements of the core curriculum—four in skills acquisition and seven in the content areas of study. The requirements are all listed here, with instructions and lists of courses that will fulfill each requirement. For a complete explanation of graduation requirements in the College of Arts and Sciences, see the *University of Colorado Catalog*.

Selected majors are exempt from portions of the core curriculum (see sections 4, 5, and 6 of the content areas of study). Content area exemptions may be used cumulatively if you are graduating with more than one eligible major.

Although a single course may appear in several areas, you may use it to meet only one requirement.

## Skills Acquisition

### 1. FOREIGN LANGUAGE

While in high school, all students are required to demonstrate third-level proficiency in a single modern or classical foreign language. If you have not met this requirement at the time you enter the college, you are required to meet the deficiency by passing an appropriate third-semester college course or by passing a CU-Boulder-approved equivalency examination. Courses offered at CU that satisfy this requirement include the following:

### Minimum Academic Preparation Standards

All new students entering the University of Colorado who finished high school in the spring of 1988 or later must meet the Minimum Academic Preparation Standards (MAPS) specified by their school or college. The purpose of these standards is to assure that all students have some core knowledge in common.

The College of Arts and Sciences has adopted the following standards for admissions. These standards are defined in high school years.

English	4 high school years (including 2 in composition)
Mathematics	3 high school years (2 in algebra and 1 in geometry)
Natural Science	3 high school years (including 2 in lab science, one of which must be chemistry or physics)
Social Science	3 high school years (including one of U.S. or world history and one of geography. A student who has U.S. history may use 1/2 year of world history and 1/2 year of geography instead of one year of geography.)
Foreign Language	completion of a third-year-level course (level III) in a high school foreign language sequence

### POLICIES CONCERNING THE COMPLETION OF MAPS

If you were admitted to the College of Arts and Sciences with missing MAPS courses, you are subject to the following policies:

1. Each year of missing high school work can be made up by one semester of appropriate CU-Boulder course work.
2. All course work taken toward fulfillment of the MAPS must be taken for a letter grade, and you must receive a passing grade.
3. You are required to enroll in and complete at least one MAPS course each term, beginning in your first term of enrollment, until such time as all MAPS requirements are completed. This policy applies to new freshmen, transfer students, and students transferring from other colleges or schools on the Boulder campus and from other campuses of the University. Failure to comply with this requirement may result in suspension at the end of the term in which you cease to complete missing MAPS courses.
4. All students who first enroll in one college or school at CU-Boulder and who subsequently transfer to another college or school are required to meet the MAPS specified for the new college or school, whether or not they have completed their MAPS courses in their previous college or school.
5. Double-degree students must meet MAPS requirements of both degree-granting colleges or schools.
6. During the arts and sciences orientation, students must consult with a CU-Boulder aca-
