ISSUING CAMPUS FOR TRANSCRIPTS

Each campus has the authority to produce and issue a complete transcript that contains all courses attempted at all University of Colorado campuses and Continuing Education divisions. Questions concerning the issuance or authenticity of this transcript should be directed to the issuing campus. Questions concerning courses, grades, degrees, or other educational information on the transcript should be directed to the campus the student attended.

ACCREDITATION

Each campus of the University of Colorado is accredited by the Higher Learning Commission (HLC), 230 South LaSalle Street, Suite 7-500, Chicago, IL 60604; telephone 1-800-621-7440; hlcommission.org.

TRANSCRIPT AUTHENTICITY

A paper transcript is official when each page bears a preprinted University seal. The transcript incorporates a background design of the University seal. The face of the transcript is printed on a maroon background with the name of the University appearing in white type across the entire document.

RELEASE OF INFORMATION

In accordance with the Family Education Rights and Privacy Act of 1974, this transcript cannot be released to any third party without written consent of the student.

ACADEMIC CALENDAR

Beginning Fall 1951, all campuses operate on a fall and spring semester system unless otherwise noted. Summer terms, Study Abroad Programs, and Independent Learning vary in length but are reported in semester hours. As of Fall 2010, all prior coursework taken on a quarter system calendar at the Health Sciences Center (now Anschutz Medical Campus) has been retroactively converted to a semester system calendar.

CONTINUING EDUCATION UNIT (CEU)

One (1) Continuing Education Unit (CEU) equals ten (10) contact hours of learner interaction with the content of the learning activity, which includes classroom, self-paced instruction, pre/post assignments, and/or homework in support of a learning outcome. A contact hour is one clock hour of interaction between a learner and instructor, or between a learner and materials, which have been prepared to promote learning.
