

Spring 2021 Final Exam Schedule

Main Campus 16-week classes are assigned a final exam location, date and time in early October (fall) and mid-March (spring). The assignments appear on your [finals schedule card](#) in Buff Portal.

For special session classes, final exams are typically administered on the last meeting day of the class and no common exams may be scheduled. Check with your department for class meeting times that do not fall within the standard meeting patterns listed below.

If you have three or more final exams scheduled on the same day, you're entitled to arrange an alternate exam time for the last exam on that day. If you have two exams scheduled to meet at the same time, you're entitled to arrange an alternate exam time that day or week for the later class. Make arrangements with the instructor of the affected class by the published deadline. You're expected to provide evidence of the scheduling situation to justify the exception.
