RESIDENCY INFORMATION FOR TUITION CLASSIFICATION
For Use by Parent or Legal Guardian Petitioners Only

Tuition classification is governed by state law (Title 23, Article 7, of the Colorado Revised Statutes of 1973, as amended) and by judicial decisions that apply to all public institutions of higher education in Colorado and is subject to change at any time. The university is not free to make exceptions to the rules except as specifically permitted by state law. A copy of Article 7 is available online at http://highered.colorado.gov/Finance/Residency/student.html.

Residency Petition
The Office of Admissions makes the initial residency determination based on the residency information included on a student’s Application for Admission. Students or parents must complete the Petition for Colorado Residency for Tuition Purposes only if seeking to change the determination made by the Office of Admissions. For more information, review the Regulations Summary (www.colorado.edu/registrar/students/state-residency) and the Criteria to Establish Residency (www.colorado.edu/registrar/students/state-residency/guidelines).

The requested information in this petition is necessary to determine qualification as a Colorado resident for tuition classification purposes in accordance with Colorado tuition law. Under the law, the petitioner bears the burden of proof to show, by clear and convincing evidence, that the statutory requirements to qualify for in-state status are met.

Failure to present complete, clear and convincing evidence and comprehensive supporting documentation may RESULT IN A DENIAL. Careful review of the shaded areas of the petition will provide information about required documentation.

Submission Dates and Deadlines
- Residency petitions submitted after the deadline date will not be processed.
- Residency petitions and submission dates and deadlines are subject to change without notice. Check www.colorado.edu/registrar/students/state-residency for the most current information.

Petitioning Process and Timeframe
- Important communications are sent to the student’s @colorado.edu email address, and checklist items may display in the student’s MyCUInfo portal.
- The student may receive emails with requests for additional information. Failure to respond appropriately by the stated deadline may result in a denial.
- Once the petition review is complete, the student will be notified of the decision by email.
- Petitions are reviewed in the order received. Those who prefer an early decision should not wait until the final deadline.
- Petition review may not be completed prior to the bill due date. Thus, students classified as nonresident must make enrollment decisions based on nonresident status unless notified otherwise. If a student’s status is changed to resident, the Bursar’s Office will be notified.

Part 5 – Acknowledge & Sign

Check each box to acknowledge that you have read and understand the following:

☐ Include all required documentation and fill out all applicable sections. Incomplete petitions may be closed with no option for appeal.

☐ Petitions must be scanned. Therefore, do not use staples, plastic sleeves or notebooks.

☐ Submit copies of documents on standard letter-sized paper. Original documents will not be returned nor copies made for petitioners. Odd-sized pages slow down processing of your petition.

☐ Hand-deliver your petition to the Office of the Registrar or send by means of delivery that provides tracking services (e.g. certified mail, registered mail, FedEx, UPS, etc.). No exceptions will be made for petitions that are not received by established deadlines due to lost or late mail or failure to use a trackable delivery service. Use the following address for mailing/shipping:

    Office of the Registrar
    University of Colorado Boulder
    Regent Administrative Center 101, 20 UCB
    Boulder, Colorado   80309-0020

☐ Emailed petitions will not be accepted. Email is not a secure way to deliver sensitive personal data.

☐ Submit your fully completed petition before close of business on the published final deadline. Petitions received after the deadline date will not be accepted nor evaluated, and the student will be assessed tuition as a nonresident for the applicable term.

☐ Important communications are sent to the student’s @colorado.edu email address, and checklist items will display in the student’s MyCUInfo. The student may receive emails requesting additional information by a stated deadline; failure to do so may result in a petition closure with no option for appeal. Final petition decisions are sent to the student’s email.

☐ Evaluations may not be complete prior to the bill due date. Thus, students classified as nonresident must make enrollment and financial decisions based on nonresident status unless notified otherwise. Petitions are evaluated in the order received. If you prefer an early decision, you are advised to submit your petition as early as possible before the deadline.

☐ If a student is granted Colorado residency, their tuition and financial aid will be adjusted, and they are not be eligible for scholarships based on nonresident tuition.

☐ ANY FALSE INFORMATION OR FALSIFIED SUPPORTING DOCUMENTATION INCLUDED IN THIS PETITION MAY SUBJECT YOU TO BOTH CRIMINAL CHARGES AND UNIVERSITY DISCIPLINARY PROCEEDINGS. IN-STATE STATUS MAY BE RESCINDED AND OUT-OF-STATE TUITION MAY BE RETROACTIVELY ASSESSED.

☐ Under Colorado tuition law, a person may not establish domicile in Colorado solely for the purpose of changing tuition classification to in-state. In the absence of clear and convincing evidence to the contrary, any student classified as out-of-state who seeks to establish Colorado domicile while registered is presumed under the tuition law to do so solely for tuition purposes.

I hereby swear/affirm that the answers given in this petition for in-state tuition classification are accurate and complete, and that all documents included are true and unaltered copies of the original documents requested. If my circumstances change, affecting the tuition status requested by this petition, I agree to notify the Tuition Classification Office in writing within fifteen days of such change.

I understand it is my obligation to have in my possession a copy of this petition and all of its supporting documents, as reproductions will not be provided by the university at any future date.

I also understand that I am financially and academically responsible for all classes for which I have registered or will register in the future, regardless of the outcome of this petition process.
