### How to Withdraw

#### To withdraw from the current term in progress:

1. Review the current term's withdrawal calendars and the [Withdraw from the Semester](#) webpage to understand the potential impacts of withdrawing. We strongly recommend that students check with their advisor to determine degree requirements that may be unfulfilled if they withdraw.
2. Submit a [withdrawal form](#) to Office of the Registrar.
3. Use the [withdrawal checklist](#) to complete your withdrawal (e.g., if you live in a residence hall, complete the checkout procedures; if you receive financial aid, contact the Office of Financial Aid).
4. Review the [Take a Leave of Absence](#) webpage and submit an application, if needed.
