Class Roster Revised: Student Name Column ([Sarah Layton](#))

Effective Friday, Nov. 7, the administrative and faculty center class roster have only one column for a student's name. Previously, there were two columns: one for the student's primary name, and one for their preferred first name (if entered). Now, the "Name" column displays the student's preferred name if one exists; otherwise, it shows their primary name. For consistency, we will also make this change to grade rosters prior to their creation for the fall term.

The screenshot shows a web interface for 'Enrolled Students'. At the top, there are navigation options: 'Personalize | Find | [icon] | [icon] | First 1-34 of 34 Last'. Below this are tabs for 'Student Details', 'Program/Plan Details', and 'Contact Details'. The main table has columns: 'Notify', 'Photo', 'FERPA', 'ID', 'Name', and 'Level'. The 'Name' column is highlighted in yellow. A red arrow points from a callout box to the name 'Ben' in the 'Name' column of the 8th row. The callout box contains the text: 'Ben, student's preferred name, displays instead of Benjamin'. The 'Level' column shows 'Senior' for rows 1-4, 'Junior' for row 5, 'Senior' for row 6, and 'Junior' for row 9.
