

Below is the update from the Office of the Registrar for February 9, 2015. If you have questions, please contact the person associated with the update. Thank you!

Contents:

- Student Name Display Error on Student Services Center Admin View – RESOLVED
- Spring 2015 Enrollment and Records Services (ERS) Training Series – Save the Dates!
- ERS Training Session #2: Certificates and Concurrent Registration

Student Name Display Error on Student Services Center Admin View – RESOLVED ([Sarah Layton](#))

We have fixed the error that was causing either no name or an administrator's name to display instead of the student's when accessing the FERPA directory information via Student Services Center Admin View. Now the student's name always displays.

Spring 2015 Enrollment and Records Services Training Series – Save the Dates! ([Becky Jones](#))

This semester, the Enrollment and Records Services (ERS) group is piloting an exciting training series ([see attached poster](#)). The second session, "Certificates and Concurrent Registration," will be held on Feb. 19 (see below).

Full information about upcoming sessions will be posted in the next few weeks. Be sure to RSVP for sessions you're interested in and submit questions for the presenter(s) in advance.

ERS Training Session #2: Certificates and Concurrent Registration ([Liz Blaser](#))

Thursday, February 19, 10 a.m. to 11:30 a.m., UMC 247

Liz Blaser will review policies and practices governing [certificates](#) and [concurrent registration](#). This session is of particular value to admins in academic departments that offer certificates or that have students who use concurrent registration.

Participants should RSVP to [Liz Blaser](#). ISIS access is not required for this class, but would be useful.
