Limited Services, 5/19 (Office of the Registrar)

The Office of the Registrar will offer limited services on Tuesday, May 19, from noon to 4:30 p.m. Notary services and rush transcript processing will not be available (see <u>Order an Official Transcript</u> for more information). Please conduct such business before or after this window. Our regular services will resume on May 20 during regular business hours (9 a.m.–4:30 p.m., Monday–Friday).

Concurrent Registration Reminder (Liz Blaser)

Students who seek to enroll concurrently at CU-Boulder and at one of our sister campuses (Denver/Colorado Springs) must have their home campus academic advisor's or dean's signature on their Concurrent Registration Form. This signature authorizes the Office of the Registrar to override enrollment restrictions so the student can be enrolled without delay on the first day of classes at the sister campus.

Grade Liaison Email List (Lindsay Jackson)

Each department should have a designated grade liaison who partners with the Office of the Registrar to help faculty post grades on time. If you are a new grade liaison, please contact <u>Lindsay Jackson</u> to be added to the grade liaison email list. Our office uses this list to post upcoming deadlines, share e-memos that your faculty receive and provide updates about missing grades during grading season. If you aren't sure whether your department has a grade liaison, just ask.

Change of Record Forms (Lindsay Jackson)

Please remember that Change of Record Forms always require ALL signatures listed (Department/Instructor and Dean) in order to be processed, including during web grading season. Recently, we have received many forms missing signatures, which delays processing time.
