UNIVERSITY OF COLORADO BOULDER

Below is the update from the Office of the Registrar for September 8, 2015. If you have questions, please contact the person or unit associated with the update. Thank you!

Contents:

- New Assistant Registrar for Eligibility and Degree Services
- Questions About In-State Tuition
- ISIS Access Email Address Change
- UIS Production Systems Maintenance, 9/13

New Assistant Registrar for Eligibility and Degree Services ([Office of the Registrar](#))

The Office of the Registrar welcomes the new Assistant Registrar for Eligibility and Degree Services, **Rodney Floyd**.

Rodney comes to us from the University of Virginia, where he served as the athletics academic eligibility coordinator. He also has experience in athletics academics from the University of Wyoming and Northern Illinois University, and has been a teacher and a coach.

"I'm more than just athletics," he said. "I really like the business of higher education. I like change, and I appreciate how the Office of the Registrar has committed to technology and new ideas."

Outside the office, Rodney enjoys cooking, hiking, trail running and cycling. He also hopes to get out to a Rockies game soon.

Please join us in welcoming Rodney to the Office of the Registrar!

Questions About In-State Tuition ([Susan Dorsey](#))

If someone asks you about the process to get classified as a Colorado resident for tuition purposes, please refer them to the Office of the Registrar (tuitclass@colorado.edu, 303-492-0907).

Getting changed from nonresident to resident is a process with specific deadlines and requirements that must be met, and approval is not guaranteed. Please err on the side of caution rather than risk giving out information that could very negatively impact the student and/or their parents!

Please share this information with all of your office staff who may interact with students or parents.

ISIS Access Email Address Change ([Lisa Forman](#))

In keeping with the rebranding of CU-SIS (formerly ISIS), the Office of the Registrar's ISISAccess@colorado.edu email address (for security and access-related requests) is now CUSISAccess@colorado.edu. But if you forget and send an email to the old address, it will still reach us.

UIS Production Systems Maintenance, 9/13 ([Sally Page](#))
