Fall Training Session: FERPA for Faculty and Staff (Hannah Zdanowitz)
Thursday, Oct. 27, 1 to 3 p.m., UMC 245

The Office of the Registrar is hosting an informational session about FERPA, the federal law that protects student education records. To help faculty and staff at CU Boulder understand how university personnel can and cannot store, use and share student information, this training will provide a short overview of FERPA followed by Q&A. Kristi Wold-McCormick, the campus registrar, and Susan Dorsey, associate registrar, will apply their knowledge of FERPA to address your specific situations.

Please submit your questions about unusual student data requests or situations; your presenters will bring researched, definitive answers (questions during the session are also welcome, but may require further research outside the session).

Please RSVP to Hannah Zdanowitz. CU-SIS access is not required.
