Ethics & Compliance Monthly Brown Bag: Student Data Privacy ([Office of the Registrar](#)) **Monday, Nov. 28, noon–1 p.m., Rec Center’s Ice Rink Overlook Large Meeting Room**

November’s Ethics & Compliance Monthly Brown Bag Series will feature a discussion by Kristi Wold-McCormick and Susan Dorsey from the Office of the Registrar that focuses on student data privacy.

In their session, Kristi and Susan will provide a greater understanding about CU employee roles and responsibilities related to student data privacy, current initiatives related to FERPA and ethical issues around topics such as systems use and preferred name/gender identity.

During the hour-long session, ample time will be provided for audience Q&A. A staff member from University Counsel will be present to answer questions related to legal aspects on this topic. You may submit questions in advance by emailing [Susan Dorsey](#).

For more information, please see the [Ethics & Compliance event flyer](#).

Web Grading Training ([Hannah Zdanowitz](#)) **Wednesday, Dec. 7, 2:30 to 4 p.m., UMC 247**

Are you a grade liaison or grading faculty in need of first-time training or a thorough refresher?

Susan Dorsey, Associate Registrar for Enrollment and Record Services, will provide an overview of the web grading cycle, address frequently asked questions and demonstrate how to:

- export grades from D2L and import them into Campus Solutions,
- enter grades in Campus Solutions and
- post a roster.

Please RSVP to [Hannah Zdanowitz](#). Feel free to forward this information to others in your department.

For Advisors: Summer Session Classes ([Summer Session](#))

Summer Session classes, including core, major, minor and online options, are now available for students to search in [MyCUInfo](#).

Summer registration doesn't open until March 8, 2017, but students are already making decisions that will affect their availability, so we're encouraging them to think now about how summer classes could complement or bolster their spring class schedule.

As you know, CU Boulder students use Summer Session to:

- Maintain or advance their degree progress
- Focus on a difficult or prerequisite course
- Work toward a second major or minor
- Allow time for an internship or study abroad experience during the fall or spring semesters

In addition to searching for classes in MyCUInfo, students can find useful information about course options, how to apply and how to enroll in summer courses at summer.colorado.edu. The full 2017 Summer Session website will launch in January 2017.
