262 Stadium Building, Campus Box 384, Boulder, Colorado 80309-0384. Volume LXXXV, No. 14, November 1, 1985. General Series No. 2110. Published 15 times a year: Once in February, once in April, once in May, twice in June, four times in July, three times in August, once in September, once in November, once in December.

One copy of the Schedule of Courses will be available at no cost to each student at Registration. Students who wish to purchase another copy at any other time may do so at the University Book Center.

#### **SPRING SEMESTER 1986 ACADEMIC CALENDAR**

December 4 (Wed.)

Arts and Sciences Advising, UMC Ballroom, 8:30 a.m.-4:30 p.m.

December 4-6 (Wed.-Fri.)

Spring 1986 Registration for Continuing Boulder Campus degree students enrolled for Fall 1985.

Engineering Undergraduates-Engineering Center, individual major offices, 8:00 a.m.-noon, 1:00 p.m.-5:00 p.m.

Law-Fleming Law 259.

All other colleges and schools—UMC Ballroom, Wednesday, December 4, and Friday, December 6, 8:30 a.m.-4:30 p.m.; also Thursday, December 5, 8:30 a.m.-6:30 p.m.

December 13 (Fri.)

Registration deposit due for Continuing Students for Spring Semester 1986 (\$100 in-state, \$300 out-of-state).

January 15-16 (Wed.-Thurs.)

Arts and Sciences Mandatory New Freshman and Transfer Student Orientation and Registration.

January 16 (Thurs.)

Spring 1986 Registration and Advising for New Freshman, New Transfer, New Graduate, and Former Degree status students who have not previously registered, UMC Ballroom, 8:30 a.m.-2:00 p.m. (Arts and Sciences New Freshman and Transfer Students, see above).

January 20 (Mon.)

Schedule and Bill Pickup, eight locations, 8:30 a.m.-4:30 p.m., see page 5. Martin Luther King, Jr., Day.

January 21 (Tues.)

Drop/Add day. No classes. Refer to Arts and Sciences and Business sections of this Schedule for important policies on Drop/Add. CU-Boulder Photo ID or copy of Class Schedule is required to pick up and turn in Drop and Add Forms. Faculty/Staff Registration, Regent 125, 8:30 a.m.-4:00 p.m.

January 22 (Wed.)

Classes begin, 8:00 a.m. Drop/Add continues.

January 23-24 (Thurs.-Fri.)

Registration for Space Available Voluntary Education (SAVE) program, UMC Ballroom, 9:00 a.m.-4:00 p.m.

January 24 (Fri.)

Last day to add College of Business and Administration courses.

Undergraduates who have not picked up their Class Schedules by this date will be withdrawn from the University. This is a change from the information published in the 1985-86 University of Colorado at Boulder Catalog.

January 27-28 (Mon.-Tues.)

Senior Auditors Registration, Koenig Alumni Center, 9:00 a.m.-3:00 p.m., Monday; 9:00 a.m.-noon, Tuesday.

January 31 (Fri.)

Tuition and Fee Bills due (including tuition, fees, room and board, etc.) by 4:00 p.m. No grace

February 7 (Fri.) DEADLINES Last day to add a course including Independent Study and Thesis. This ADD deadline will be in effect unless enrollment levels are reached before this date.

Last day to drop a course without being assessed the tuition and fees for that course and without a W showing on your transcript. All Drop Forms must be deposited at the Office of Registrations, Regent 125, by 4:00 p.m. to be computed for any tuition and fee adjustment. After this date, you must be passing your course to receive approval to drop, and you must have the signature of your instructor on your Drop Form.

Last day to withdraw from school and be assessed only your Registration/Confirmation Deposit (\$100 in-state, \$300 out-of-state). Last day to change Pass/Fail status on courses. Last day to change No Credit status on courses. There will be a \$2 charge for ID validation. stickers obtained after this date.

February 14 (Fri.)

1986 Summer Session Bulletin available in Regent 125.

(Wed.-Fri.)

February 19-21 Class Schedule Verification Forms available for pickup, Regent 125, 9:00 a.m.-4:30 p.m.

Last name begins with: A-H I-P

Q-Z

You may pick up your **Verification Form:** February 19

February 20 February 21

February 21 (Fri.)

Last day to withdraw from school and be assessed amount of Registration/Confirmation Deposit (\$100 in-state, \$300 out-of-state) or 40 percent of full tuition and fees, whichever is greater.

March 3 (Mon.)

Deadline for Intrauniversity Transfer (IUT) applications. Please check with each college or school for any exceptions.

Juniors and seniors in Arts and Sciences who are Open Option (199) must declare a major by this

March 4 (Tues.)

Last day to drop a class without petitioning your dean.

March 7 (Fri.)

Last day to pay any unpaid balance including approved deferred tuition by 4:00 p.m. No grace period.

Last day to withdraw from school and be assessed amount of Registration/Confirmation deposit (\$100 in-state, \$300 out-of-state) or 60 percent of full tuition and fees, whichever is greater. No refund thereafter.

March 24-28 (Mon.-Fri.)

Spring Vacation

April 14-18 (Mon.-Fri.)

Summer Session 1986 Registration for Continuing Boulder Campus degree students encolled for Spring 1986. Regent Administrative Center foyer, 9:00 a.m.-4:00 p.m., Monday through Friday, except on Thursday, April 17, 9:00 a.m.-6:30 p.m. \$100 in-state or \$300 out-ofstate Registration Deposit due at the time of Registration.

April 30 (Wed.)

Arts and Sciences Advising, UMC Ballroom, 8:30 a.m.-4:30 p.m.

April 30-May 2 Fall 1986 Registration for Continuing Boulder (Wed.-Fri.)

Campus degree students enrolled for Spring Engineering Undergraduates—Engineering Center

individual major offices, 8:00 a.m.-noon, 1:00 p.m.-5:00 p.m.

Law—Fleming Law 259.

All other colleges and schools—UMC Ballroom, Wednesday, April 30, and Friday, May 2, 8:30 a.m.-4:30 p.m., also Thursday, May 1, 8:30 a.m.-6:30 p.m.

May 13 (Tues.)

Last day of classes.

May 14 (Wed.)

Reading period.

May 15-21 (Thurs.-Wed.)

Final examination period—6 days.

May 23 (Fri.)

Commencement.

July 11 (Fri.)

Registration Deposit due for Continuing Studfor Fall Semester 1986 (\$100 in-state, \$300 of-state).

This calendar is subject to change without notice.

NOTE: The University Calendar Committee requests make-up be provided to students who may be absent for religious reasc

GRADUATE STUDENTS: Additional deadline information can found in the Graduate School section on page 40 of this publication

# INTRODUCTION

All students should keep a copy of this Schedule of Courses. Besides the course listings, it contains the current academic calendar and Registration information. In addition, much of the information in the Schedule helps answer questions on University policies and procedures.

The **most current** information is announced in the instruction booklet distributed at Registration. **Always** read *Registration Instructions* carefully **before** proceeding through Registration.

The requirements and policies of each college and school of the University are printed in the 1985-86 University of Colorado at Boulder Catalog. Each student should have a copy of this Catalog for course descriptions, as well as for current policies. All students are responsible for knowing and following the provisions set forth in the Catalog. Students should refer to a copy of the Catalog corresponding to their year of entry to find graduation requirements.

Because of the lead time required to publish the *Catalog*, changes in University and/or college or school rules and policies may occur in the interim. It is the student's responsibility to be aware of all such revisions. This can best be accomplished by consulting departmental advisors, checking departmental bulletin boards, and reading the *Schedule of Courses* sections preceding each college and school course listing.

# REGISTRATION PROCEDURES

For further information, call (303) 492-6970.

Be sure to read the *Registration Instructions* available at every Registration. These *Instructions* contain the **most current** information and deadlines concerning Registration at CU-Boulder.

# Registration Materials

# A. Forms and Supplies You Will Need®

- 1. Course Request Form—Request up to six courses on this Form. If you need another, bring your original to the Information Table.
- 2. **Registration Deposit Form**—Continuing Students only—\$100 in-state or \$300 out-of-state is printed on it, and the lower half of the Form must be turned in when you pay your Registration Deposit.
- 3. Optional Fee Form—Optional services are described and may be selected on this Form. Required at Final Check for all students whether or not optional services are selected. NOTE: Health Insurance must be checked with yes or no answer.
- 4. **Major Advising Form**—Required at Final Check for Continuing Students in the following colleges and schools: AS (except major 199), EV, ED, JR, MU, PH. Pick up the Form from your advisor or departmental office.
- 5. Course Request Form Receipt—Complete and have validated by Final Check Clerks. Bring your validated receipt to Schedule and Bill Pickup on Monday, January 20.
- 6. **Pencil** (number 2 or Mark-Sense)—Use this on all forms
- 7. **Schedule of Courses**—Keep this copy and take it with you to Registration.
- 8. **CU Photo ID**—A CU-Boulder Photo ID **is required** of all students. A validation sticker will be provided at Schedule and Bill Pickup each semester.

# B. Understanding the Schedule of Courses

After consulting an academic advisor or picking up a Major Advising Form, or reading the advising instructions and reviewing college and school requirements in this publication, you will be ready to select your courses.

The Schedule of Courses has a table of contents to help you locate the course listings for each college and school. At the top of each page you will find the **abbreviations** for the information supplied:

- **A** = DEPT NO—The department number is essential for filling out your Course Request Form. **Do NOT confuse** this with your major code number.
- **B** = DEPT—The department name abbreviated to a maximum of 4 spaces.
- **C**=CRS NO—The course number. Undergraduate courses are classified as lower-division and upper-division. Courses numbered 100-299 are lower-division courses that are introductory in nature and generally intended for first- and second-year undergraduate students. However, they are open to all undergraduates. Courses numbered 300-499 are upper-division courses, generally intended for third- and fourth-year students. To enroll for some upperdivision courses, you must be a junior or senior. Courses numbered 500-599 are primarily intended for graduate students but may be open to qualified undergraduates under some circumstances (see individual professor). Normally, courses numbered 600, 700, and 800 are open to graduate students only; see college and school sections for special provisions. Courses numbered 900 or above are Independent Study courses.
- **D**=CR—The number of credit hours the course offers: 3 means 3 credit hours, 2-4 indicates that credit is variable and you must indicate on your Course Request Form whether you are registering for 2, 3, or 4 credit hours.
- E=TITLE OF COURSE—This is often abbreviated also.
- **F**=SEC—This is the section number and it means the same as the lecture number. When an **L** precedes the number (L004), it indicates a laboratory (lab) and is taken along with the lecture. When an **R** precedes the number (R010),

INTERNSHIPS

it indicates a recitation (rec) and is taken along with the lecture. Some classes have all three: lecture, lab, and recitation.

**G** = TIME—Meeting time of the class. See the 24-hour time conversion clock on page 46.

**H**=DAYS—Meeting days of the class (**T** is Tuesday and TH is Thursday).

**I**=BLDG—The building abbreviation. See the list on the Campus Map, page 46, of this Schedule of Courses.

**J**=ROOM—The room number.

K=INSTRUCTOR—Instructor's name is printed when available.

**L**=LIMIT—Approximate class size.

#### When selecting your courses and filling out your forms, remember the following:

1. CREDIT HOUR LIMITS—Students are limited to a certain number of credit hours for which they can register. These limits do not necessarily indicate the ideal or recommended credit-hour load, and can be changed once the Drop/Add period begins.

		Credit Hours Registration
Arts and Sciences		17
<b>Business and Administrati</b>	ion and	*
Graduate Business (1	1BA)	17*
Education	,	19
Engineering and Applied	Science	unlimited
Environmental Design		17
Graduate School		15**
Journalism and Mass		
Communication		.17
Law		16
Music		19
Pharmacy		19

<sup>\*</sup>also maximum per semester

Students in all colleges and schools should check the Catalog or with their dean's office for details on maximum number of credit hours allowed each semester.

2. CONTROLLED ENROLLMENT COURSES—For courses designated in the Schedule of Courses with an 800-series section number and the statement "Secure a Controlled Enrollment Form," the student must obtain an Independent Study/Thesis Approval and Controlled Enrollment Form from the department offering the course. Availability of these Forms is determined in each department and will range from a week before Registration to the actual days of Registration.

Students must complete the Independent Study/Thesis Approval and Controlled Enrollment Form AND the Course Request Form. BOTH forms must be submitted at Registration. A request for a Controlled Enrollment course on the Course Request Form will not be honored unless accompanied by the completed Independent Study/Thesis Approval and Controlled Enrollment Form.

3. INDEPENDENT STUDIES—Students registering for courses with sections numbered 900 or above (Independent Study, Thesis, Candidate for Degree, etc.) MUST pick up an Independent Study/Thesis Approval and Controlled Enrollment Form from the department offering the

The student must complete the Independent Study/Thesis Approval and Controlled Enrollment Form AND the Course Request Form. BOTH forms must be submitted at Registration. A request for an Independent Study/Thesis course on the Course Request Form will not be honored unless accompanied by the completed Independent Study/ Thesis Approval and Controlled Enrollment Form.

4. CANDIDATE FOR MASTER'S DEGREE—Students enrolled only as "candidate for master's degree" to take a comprehensive examination for a master's degree, course number 999, will receive 3 hours of credit and a grade of either pass or fail for each semester the course is taken. This course will not fulfill the minimum credithour requirement for the master's degree. Only students who must be registered to take comprehensive examinations or to defend their thesis, but have completed all necessary course work and thesis-hour requirements, should register as "candidate for master's degree." Students must register for this course during regular Registration dates. In-state students will pay for 3 credit hours at the in-state rate. Tuition charges for out-of-state students will equal 60 percent of the total charge for 3 credit hours at the out-of-state rate.

#### C. Filling Out and Submitting the Forms USE A NUMBER 2 OR MARK-SENSE PENCIL

1. Course Request Form is the 8½" x 11" Form printed in orange.

- a. If your student name and number \* are printed on the Course Request Form, verify the information. If they aren't printed, use a number 2 or MARK-SENSE pencil to enter your student number\* in the bubbles and the other information on the lines.
- **b.** Enter one course in each course box. In the boxes and the bubbles, enter the department number, course number, credit hours, and section numbers. A lecture section number is required; lab and recitation numbers are entered in the same course box when applicable. If there is no lab or recitation for a course, leave those areas blank.

Some laboratory classes are set up as separate courses (e.g., EPOB 123, 124). These courses must have a separate box filled in with the department, course, and section number (not lab number)

Be sure to mark the NONCREDIT bubble if you want NC for the course.

c. Be sure to include all zeros when filling in bubbles (as in section 001).

- 2. Registration Deposit Form does not need to be filled out. If you qualify for a waiver (scholarship, etc.), you must submit this Form to the appropriate office for processing, not to Final Check Clerks at Registration. Waivers will not be processed automatically.
- 3. Optional Fee Form is the 8½"x11" Form printed in blue. It must be turned in at Registration with student number\*, name, and signature completed and any optional fees marked that the student wishes to select. The area for health insurance must be checked with a yes or no
- 4. Independent Study/Thesis Approval and Controlled Enrollment Form must be completed accurately. To use the Form for an Independent Study, indicate the appropriate term and year. Fill in your name and student number\*, the department number, the course number, the number of credit hours, and the instructor's name (use first and middle initial and last name). Do not bubble-in the section, lab, or recitation number. Approval is required from the instructor and/or department.

To use the Form as a Controlled Enrollment Form, fill in your name and student number\*. If the course is for variable credit, indicate the credit hours. No signatures are required.

\*For record-keeping and identification of students only.

Priority in classes will be given to those students who complete their Registration correctly and on time. Students must turn in materials, pay their deposits, and pick up their Class Schedules on these designated dates:

#### Continuing Students

# Registration

December 4-6

Registration Deposit due by 4:00 p.m., December 13

Schedule and Bill Pickup Monday, January 20, Martin Luther King, Jr., Schedule and Bill Pickup Monday, January 20, Martin Luther King, Jr.,

**New and Returning** 

**Former Students** 

Registration on or before

january 16

• New Arts and Sciences Freshman and Transfer Students register on January 15 and 16.

Failure to meet these deadlines may result in assessment of late fees or students not being allowed to register for Spring Semester 1986.

The 1986 COLORADAN. The official yearbook of CU. Fill us in now, we'll fill you in for the rest of your life. At spring registration.

<sup>\*</sup>maximum number of credit hours that may count toward a degree each fall and spring semester.

#### D. Faculty/Staff

The following is an outline of procedures for faculty/staff to follow for Registration.

#### I. CATEGORIES

a. Special Students (not degree-seeking students) should pick up a Special Student application for Spring Semester and turn it in to the Bursar's Office, Regent 150, immediately.

b. Continuing degree-seeking students enrolled Fall Semester 1985 will be set up automatically for Spring 1986 Registration.

c. Former and Campus-Change students (students not enrolled Fall Semester 1985 on the Boulder Campus) should apply now.

d. New Graduate degree students should obtain and turn in a Graduate application to their prospective academic department. (Students should call the department for application deadline information.)

#### 2. APPLICATION AND SET-UP PROCEDURES

a. All full-time faculty and staff who wish to enroll for Spring Semester 1986 must take a copy of their current PAF and a signed Supervisor's Approval Form to the Accounts Receivable section of the Bursar's Office, Regent 150, by Friday, January 10, 1986. Office hours are 9:00 a.m. to 4:00 p.m. A copy of your current PAF can be secured from your department secretary or directly from Payroll, extension 8066—ask for a printout of your PAF. The Supervisor's Approval Form can be obtained from your immediate supervisor or from the Bursar's Office.

b. Special Students must secure a Special Student Application and Former/Campus-Change students must secure a Former Student Application for Admission from the Information Window, Regent 125. Complete it and take it with the other materials to the Accounts Receivable section of the Bursar's Office, Regent 150. Please apply as soon as possible in order for Registration materials to be ready by January 16 or January 21, 1986.

#### 3. REGISTRATION PROCEDURES

a. To take advantage of the 6 free credit hours per academic year for full-time faculty and staff, (Summer Session 1985, Fall Semester 1985, and Spring Semester 1986), you must register on Tuesday, January 21, 1986. Come to Regent 125 between 8:30 a.m. and 4:00 p.m. to pick up instructions and your Permit to Register. You must pick up Add Forms from the departments and turn in your Registration materials and Add Forms to the Ac-

counts Receivable section of the Bursar's Office. Any additional Drop and Add Forms must also be submitted directly to the Bursar's Office. You must turn in all materials no later than 4:00 p.m., Friday, February 7.

b. If you are a student in category 2 (see Section A) and will have taken your free credit hours before Spring, you may register December 4-6 at the UMC Ballroom. If you are a student in category 1, 3, or 4 and have taken your free credit hours, you may register on January 16 at the UMC Ballroom if you have applied, been accepted, and confirmed. You will be charged tuition and fees for any courses for which you register before January 21. No fees will be charged for those courses in which a student enrolls during Late Registration (Drop/Add day).

c. All faculty/staff students on campus will be assessed the nonrefundable SIS (Student Information System) fee. The charge for this fee will be \$4.00 for freshmen, sophomores, and juniors and \$2.50 for all others. This fee is **not** covered by the tuition waiver.

# Schedule and Bill Pickup

Student Class Schedules and Tuition and Fee Bills **must** be picked up Monday, January 20, between 8:30 a.m. and 4:30 p.m. CU-Boulder Photo IDs will be validated at this time at the following locations.

. . . . . .

•	College	e or School	Building

#### Lost Class Schedule— ID Validation Sticker Policies

1. Students who request duplicate copies of their student Class Schedules, for any reason, will be charged \$1 per copy and must provide identification.

2. Students will be charged \$2 for an ID validation sticker issued after February 7.

#### **Photo ID Schedule**

Folsom Stadium, Room 129 (between gates 4 and 5), 492-7341.

#### **Continuing Students**

A CU-Boulder Photo ID is required to receive Registration materials. Replacement IDs will be made for a charge of \$6 during the following times:

December 4 and 6 8:30 a.m.-4:30 p.m.
December 5 8:30 a.m.-6:00 p.m.
Any other weekday 11:00 a.m.-4:00 p.m.

# New Freshman, New Transfers, New Graduate, and Returning Former Students New to the Boulder Campus for Spring Semester 1986

You may obtain a Photo ID once you have confirmed your acceptance to CU-Boulder. The initial ID is free of charge; replacement IDs cost \$6. Photo ID office hours are between 11:00 a.m. and 4:00 p.m. any weekday. You must present some type of photo identification to receive your CU-Boulder Photo ID. If you do not receive your Photo ID before the start of classes, you may obtain one, from 11:00 a.m.-4:00 p.m. any weekday beginning Monday, January 20.

#### DROP/ADD PROCEDURES

#### Special Note

The **Add** deadline will be in effect unless enrollment levels are reached before February 7.

1. Students will be allowed to Drop and Add through 4:00 p.m., Friday, February 7, with no signature required on the Drop/Add Form. A current, validated ID or a copy of your Class Schedule is required for students to drop or add. The Add deadline for Business students is 4:00 p.m. January 24.

2. No ADD, including Independent Study and Thesis,

# University Writing Program

The *University Writing Program* (UWP) will train students from all disciplines, schools, and colleges in the techniques of writing description and argument. Most classes will be conducted as workshops; that is, student papers will be discussed at every class meeting.

The Program will promote the principle that ideas do not live independently of language, and thus content cannot be isolated from style. For ideas to flourish, they must be expressed clearly and gracefully so that readers take pleasure while taking instruction.

Freshman Composition will be open to all students. Sophomore Composition will be open to students who have mastered the freshman level skills. Advanced Composition will be open only to students who have demonstrated exceptional competence in writing. Graduate courses will offer professional training to students writing theses, articles, and grant proposals.

For information about specific classes and their instructors, students should consult the Schedule of Courses. UWP courses do *not* fulfill the Humanities requirement for students in the College of Arts and Sciences.

Study around the world, visiting Japan, Korea, Taiwan, Hong Kong, Sri Lanka, India, Egypt, Turkey, Greece, and Spain. Our 100-day voyages sail in January and September offering 12-15 transferable hours of credit from more than 50 voyage-related courses.

The **S.S. UNIVERSE** is a 500-passenger American-built ocean liner, registered in Liberia. **Semester at Sea** admits students without regard to color, race, or creed.

For details call: (303) 492-5351

or write:

Semester at Sea
UMC 41
University of Colorado
Boulder, CO 80309-0208

will be allowed after 4:00 p.m., February 7.

3. After February 7, the instructor must sign DROP Forms. Students must be passing a course at the time it is dropped. A W will remain on the transcript for courses dropped at this time.

4. You will be charged for any courses dropped after

4:00 p.m. February 7.

5. Starting Wednesday, March 5, courses may not be dropped unless there are circumstances clearly beyond the student's control (accident, illness, etc.); in addition to the instructor's approval (as in 3 above), students must obtain approval from their academic dean.

6. Validated receipts are provided for all students who turn in Drop/Add Forms at the Office of Registrations, Regent 125, between 9:00 a.m. and 4:30 p.m. It is the students' responsibility to retain this receipt.

7. It is not necessary to secure Drop Forms if you are withdrawing. Students who are withdrawing should not drop their only or last class, because an administrative withdrawal will be processed with no refund (see Withdrawal Policy and Refund Schedule #1 below).

8. Students who turn in Drop or Add Forms that do not have the proper signatures will not have their Forms processed.

#### PASS/FAIL OPTION

1. Before enrolling in courses on the Pass/Fail option, students should consult their college and school requirements and restrictions concerning Pass/Fail enrollment to ensure an approved Registration. Students may pick up Pass/Fail Forms from either the Registration Final Check Clerks on January 20 or at the Office of Registrations, Regent 125.

Completed Pass/Fail Forms must be turned in at the Office of Registrations before 4:00 p.m. on Friday, February 7. Students will be given a validated receipt upon submission of the Pass/Fail Form. It is the student's responsibility to retain this receipt. After Friday, February 7, it will not be possible for a student to request Pass/Fail or to reverse the request.

2. The record of Pass/Fail Registration is maintained by

the Office of Registrations.

3. Academic deans and faculty will not be aware of specific Pass/Fail Registrations. For example, all students who are registered on a Pass/Fail basis appear on the regular class roster and a letter grade is assigned on the final grade roster by the professor.

When grades are received in the Office of Registrations, those courses requiring a Pass/Fail designation are automatically converted by the grade application system. Grades of D- and above convert to a grade of P. Grades of F would equal a letter grade of F.

4. Grade point average is only affected by an F. A grade of P is not calculated into a student's GPA.

5. Only 6 semester hours or two courses (whichever is greater) may be taken Pass/Fail in a given semester.

#### **GRADING SYSTEM**

A = 4.0	B - = 2.7	D + = 1.3
A = 3.7	C + = 2.3	D = 1.0
B + = 3.3	C = 2.0	D - = 0.7
B = 3.0	$C_{-} = 1.7$	F = 0.0

W = Withdrew/drop

= Passed

IF = Incomplete. Regarded as F if not completed

within one year.

IW = Incomplete. Regarded as W if not completed within one year.

NC= No Credit

IP = In Progress

Undergraduate students may pick up their spring semester grade reports at their dean's office, and graduate students may pick up their grade reports at their major department office approximately three weeks after the end of finals.

#### WITHDRAWAL POLICY AND REFUND SCHEDULE

- 1. Failure to officially withdraw makes students liable for the full amount of tuition and fees assessed for Spring Semester 1986 (in compliance with the Board of Regents ruling of August 18, 1971).
- 2. Failure to withdraw officially will result in a failing grade being recorded for every course students were registered in for Spring Semester 1986.
- 3. Official withdrawal is completed in the Office of Registrations, Regent 125. Before classes start, you may send a letter stating your intent to withdraw to the Withdrawal Coordinator, Office of Registrations, University of Colorado at Boulder, Regent Administrative Center 125, Boulder, Colorado 80309-0007. Refer to refund schedule below
- 4. Undergraduate students who fail to pick up their Class Schedules by 4:00 p.m. Friday, January 24, will be automatically withdrawn from school and assessed their Registration/Confirmation deposit. This is a change from the information published in the 1985-86 University of Colorado at Boulder Catalog.
- 5. It is not necessary to secure Drop Forms if you are withdrawing. Do not drop your only or last class, because an administrative withdrawal will be processed with no refund (see #1 above).
- 6. Students are responsible for having all services selected on the Optional Fee Form at Registration removed at the time of withdrawal. Otherwise, fees for Student Health Insurance, Coloradan, etc., will become a financial obligation.

If a student withdraws from the Boulder Campus, adjustments or refunds of the total tuition and fees are

	made as rollows:	
	Withdrawal Period	Refund or Assessment Schedule
	December 4, 1985	Full refund of Registration (not
	-January 2, 1986,	confirmation) deposit (\$100 in-state,
	4:00 p.m.	\$300 out-of-state) with receipt of
	—Continuing	letter from student to Withdrawal
	Students Only	Coordinator, Office of Registrations,

		marks will not be honored.
	January 3-	Full amount of Registration/Confirma-
	February 7	tion Deposit is retained by the
		University.
	February 8-	Amount of Registration/Confirmation
	February 21	Deposit (\$100 in-state, \$300 out-of-
		state) retained OR 40 percent of full
		Tuition and Fees assessed, whichever is
		greater.
	February 22-	Amount of Registration/Confirmation
	March 7	Deposit (\$100 in-state, \$300 out-of-
		state) retained OR 60 percent of full
		Tuition and Fees assessed, whichever is
		greater.
	March 8 and	No refund. 100 percent of Tuition and
	thereafter	Fees due.

#### TUITION AND FEES

For further information, call (303) 492-5381.

The Board of Regents reserves the right to change Tuition and Fees at any time. Tuition and Fees can be expected to increase every year that the student is in school.

18 and over	293	313	300

\*The fee schedule for students taking only one course (1-5 credit hours) is \$21.95 per semester, and for all other students is \$132.60 per semester, assessed by the University of Colorado Student Union (UCSU). In addition, all students will be assessed a nonrefundable Student Information System fee of \$4.00 for freshmen, sophomores, and juniors, and \$2.50 for all others. Also, students registered for 4 or more credit hours are assessed a \$13.25 fee per semester for intercollegiate athletics (by the Board of Regents).

**EXTRA TUITION SURCHARGE:** For every credit hour of 18 hours and over for which a student registers and retains past February 7, there will be a tuition surcharge.

# Tuition and Fee Regulations

- 1. Student Responsibility for Payment: Failure to receive an official University billing will not relieve the student of responsibility for payment of the Tuition and Fee Bill by the established date.
- 2. Students will be assessed tuition for the number of credit hours for which they are registered on February 7, 1986.
- 3. No tuition adjustment will be made for courses dropped after February 7. However, tuition

for classes **added** will be assessed and billed. Students will be assessed a surcharge for each credit hour they are enrolled for 18 credit hours and over.

- 4. Tuition for a NO CREDIT course is the same as a course taken for credit.
- 5. Tuition for a zero (0) credit hour course is charged at the rate of a one credit hour class.
- 6. ALL STUDENTS taking one course of 5 or fewer hours will be assessed the base fee of \$21.95. These students will receive a NO FEES ID validation sticker and will not be allowed to use UCSU facilities or services without payment. Doctoral students taking thesis only, master's candidates for degree, Approved Doctoral candidates, and fifth-year pharmacy students will pay the base fee of \$21.95.
- 7. Supplemental Health Insurance is available for an additional \$88.00 per semester. Students electing the health insurance will also pay full student fees of \$132.60, regardless of their course load. EXCEPTION: Approved Doctoral candidates requesting only the use of the Wardenburg Student Health Center will pay fees of \$72.17.
- 8. FACULTY/STAFF TUITION RATES—Full-time faculty and staff are entitled to 6 credit hours per academic year (Summer and Fall 1985, and Spring 1986) at no charge and **must** register beginning January 21 if these benefits will be used. FEE REGULATION CHANGE: Student fees will not be charged for those courses in which a faculty/staff student enrolls January 21 or later. If a student registers early and pays tuition for the course(s), student fees will be charged.
- 9. MATRICULATION FEE—There is a one-time non-refundable matriculation fee of \$15 for new degree students. This fee will be assessed at the time of initial Registration. The matriculation fee covers processing charges for adding or dropping courses and for official transcripts. A Special Student who is admitted to degree status will be assessed a \$15 matriculation fee at the time of the student's first Registration after the change has been made.
- 10. Mandatory student fees (\$132.60) may be waived only under the most extraordinary circumstances, such as a physical absence from campus for the semester, living outside a 50-mile radius of Boulder, or an extreme physical handicap that renders it impossible to use these fee-supported services or facilities. If fees are waived, students must still pay the base fee of \$21.95. Students who wish to petition for a fee reimbursement must do so by 4:00 p.m. on March 7. No late petitions will be accepted. Petitions may be picked up at the Bursar's Office, Regent 150, and must be turned in with documentation of the reasons for waiving the fees to the Student Administrator to the Chancellor in the Office of the Vice

والالمامامامامامامامام

Chancellor for Academic Services, Regent Administrative Center 307. In addition, any student who elects to be covered by the Student Health Insurance must pay full student fees, except Approved Doctoral students who will only pay partial fees.

# **Deferred Tuition**

The option of deferring one-half your total Tuition and Fee Bill until March 7, 1986, is available by completing an application on or before January 31, 1986. The first half of your bill will still be due by 4:00 p.m., January 31. Please be aware that the deferred balance will be subject to a 1 percent per month finance charge. If you have any doubt at all about being able to pay your full Tuition and Fee Bill by January 31, please take advantage of this option. To qualify, your total bill at the time of application for deferred tuition must exceed \$100. The deferred amount will be calculated on the account balance at the time of deferment. Please refer to the Schedule and Bill Pickup Instructions for location of deferred tuition applications.

# Penalty for Failure to Pay Full Tuition and Fee Bill by Deadline

Except for those students who have made prior arrangements for deferred payment, deadlines will be strictly enforced. Students will be penalized if they fail to meet the published deadlines, so it is important to understand at the outset what those penalties may be:

Be assessed a late payment charge, in addition to the I percent monthly interest on the unpaid balance, according to the following schedule:

<b>Balance Due</b>	Late Charge
\$ I—\$99.99	\$ 5
100-299.99	10
300-499.99	20
500-699.99	30
700—899.99	40
900 and over	50

- Be disenrolled from the University and become ineligible for all University services.
- 3. Receive no grades for courses in progress.
- 4. Not be permitted to register for future semesters.
- 5. Receive no transcripts or diplomas.
- 6. Have your account turned over to a collection agency.

# THE STUDY ABROAD? "Sure, I'd love to. How do I go about it?" You need to plan early. First, come to our office and talk about which program might be right for you. Then speak with your college and departmental advisors to see how

study abroad fits into your degree plans. Study abroad on

a CU program is granted credit as if the work were done

on the Boulder campus. Scholarship money is available.

RAILPASSES

#### \* DISENROLLMENT POLICY

Students who fail to meet their entire Tuition and Fee Bill obligations by March 7, 1986, and who have not previously made satisfactory financial arrangements with the University will be subject to IMMEDIATE DISENROLL-MENT from the University and may lose all credit for course work taken during the semester.

In order to be reregistered, students who are disenrolled must pay late and service charges as well as a **Late Registration Fee**, charged according to the following schedule:

March 10-March 21, 1986	\$20
March 24, 1986	\$25
March 25, 1986 and thereafter	\$30

Students who are disenrolled and who fail to be reregistered remain liable for full payment of all unpaid charges, including tuition and fees.

#### **RESIDENCY STATUS**

Completed petitions for changing residency status should be submitted to the Office of Academic Records, Regent 125, by 4:00 p.m. January 2, 1986. Petitions will continue to be accepted through January 24, 1986; however, students submitting petitions after January 2 may be subject to enrollment levels established by the legislature for in-state students.

#### GENERAL INFORMATION

#### **Academic Integrity**

A University's intellectual reputation depends on maintenance of the highest standards of intellectual honesty. Consequently, commitment to those standards is a responsibility of every student and every faculty member at the University of Colorado.

Breaches of academic honesty include plagiarism, cheating, and the unauthorized possession of exams, papers, or other class materials that have not been formally released by the instructor.

**Plagiarism.** In all academic areas, it is imperative that work be original or that explicit acknowledgment be given for the use of other persons' ideas or language. In a term paper, for example, failure to use quotation marks, even if a footnote source is provided, is plagiarism.

Students should consult with their instructors regarding specific standards or procedures appropriate in each given field.

**Cheating.** Cheating takes place in different ways; basically, it involves dishonest behavior, such as copying from another person or obtaining any form of unauthorized help or assistance from any person or source.

**Sanctions.** Breaches of academic honesty will result in disciplinary measures. These can include:

- · A failing grade for a particular assignment
- A failing grade for a particular course
- Suspension for various lengths of time from the college or school in which the student is enrolled
- Permanent expulsion from the college or school in which the student is enrolled
- Suspension or permanent expulsion from the University

Breaches of academic honesty are under the purview of each college and school pursuant to the *Laws of the Regents*, Article V, Section C. For further information, consult your associate dean's office.

#### **Affirmative Action**

The University of Colorado is an affirmative action/equal opportunity institution and does not discriminate on the basis of race, sex, religion, color, age, national origin, individual handicap, or veteran's status in any aspect of employment or treatment of students. The institution's educational programs, activities, or services offered to students and/or employees are administered on a nondiscriminatory basis subject to the provision of Titles VI and VII of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1973, the Vietnam Era Veteran's Readjustment Act of 1974, and Section 504 of the Rehabilitation Act of 1973. For information about these provisions, discrimination, or fairness, consult the Department of Human Resources and Affirmative Action, Armory Building, Room 203, or telephone (303) 492-6706.

# Family Educational Rights and Privacy Act of 1974

Certain information is considered public or "directory information." Such information may be released to anyone unless the students inform the Office of Academic Records they do not wish the information released.

"Directory Information" includes name, address, phone number, date and place of birth, major field of study, participation in university activities or sports, dates of attendance at the University, full- or part-time enrollment status, degrees and awards received, educational institutions attended, and weight and height of athletes.

To prevent release of the above information, students must go to the Office of Academic Records before February 7 to request that directory information about them be withheld. A new request must be made each semester. To prevent names and addresses from appearing in the 1986-87 *Directory*, students must request withholding of directory information between September 1 and September 19, 1986.

A complete summary of the University policy on the release of student information is available in the *University* of Colorado at Boulder Catalog, the Student Handbook, and the Office of Academic Records, Regent 125, (303) 492-6170.

# Final Examination Policy

It is the policy of the University of Colorado, Boulder, to adhere to the final examination schedule as published in the Schedule of Courses each semester. While it may be appropriate not to give a final in some cases, such as laboratory courses, seminars, and colloquia, final examinations should be given in all other undergraduate courses.

Exceptions to this policy should be agreed upon by the faculty member and the chairman of the department no later than the beginning of the semester in which an exception is requested. The resulting decision should be announced in writing to students in the class during the first week of classes.

In addition to the principles stated above, the following guidelines should be followed by all faculty members and administrators to assure fairness and the best possible educational experience for students:

- I. The scheduled final examination period should be considered an important part of the course and used as a final examination period or for additional instruction.
- 2. The final examination in a course should be given as scheduled and not at other times even if the faculty member and all students in a course agree to such a change.
- 3. The week of classes preceding the scheduled final examination period should be used primarily for continued instruction and may include the introduction of new material. No hourly examinations are to be given during the week preceding final examinations.
- 4. **Individual students** may be granted a variance from these policies provided the instructor is satisfied that (a) the exception is based on good and sufficient reasons (such as religious observances), and (b) such an exception for an early or late examination will not prejudice the interests of other students in the course.

# MORE THAN A DAY IN THE LIFE....

1) Professor sends you to Kinko's for reading material

5) Term paper due-use Kinko's typewriters/word processing

9) Final project requires color copies, blueprinting and binding at Kinko's

- 5. When students have three or more examinations on the same day, they will be entitled to arrange an alternative examination time for the last exam or exams scheduled on that day. Such arrangements must be made no later than the end of the sixth week of the semester (i.e., at the end of the drop period). Students will be expected to provide evidence that they have three or more examinations to qualify for exceptions.
- 6. This policy applies to all undergraduate students, including seniors. Graduating seniors should not be exempted from final examinations. Such exceptions are inappropriate on both procedural and academic grounds.

#### **Intercampus Registration Procedures**

Option I—Boulder Campus students who wish to take course work on another campus of the University of Colorado may be able to register on that campus independent of the Boulder Campus Registration. However, students must apply for admission to and follow the Registration procedures established by the other campus. Students should check with their dean's office for approval. Arts and Sciences students may not register at UCD or UCCS except in the summer.

Option 2—Boulder Campus students who are unable to obtain courses required for their degree programs on the Boulder Campus may exercise the Concurrent Registration option. Students enrolled for a minimum of one course on the Boulder Campus may be allowed to register for up to two courses or 6 credit hours, whichever is greater, on another University of Colorado campus. The course work must be required for their degree programs, they must have their dean's permission, and enrollment levels must not have been reached on the host campus.

Option 2—Boulder Campus students who are unable to obtain courses required for their degree programs on the Boulder Campus may exercise the Concurrent Registration option. Students enrolled for a minimum of one course on the Boulder Campus may be allowed to register for up to two courses or 6 credit hours, whichever is greater, on another University of Colorado campus. The

course work must be required for their degree programs, they must have their dean's permission, and enrollment levels must not have been reached on the host campus.

Students enrolled in the College of Business and Administration or the Graduate School of Business and Administration may only exercise the Concurrent Registration option if they are in their graduating semester; students who are two semesters from graduating and cannot obtain a course necessary to complete the prerequisite sequence may also be allowed to use this option. The course must be required for graduation and not offered on the Boulder Campus, or the course must conflict with another required course in which the student is enrolled. Students from other colleges and schools who wish to take Business courses must have the approval of the Boulder Campus College of Business and Administration in addition to the approval of their own college or school before submitting the Concurrent Registration Form.

Boulder students exercising this option will pay tuition for their TOTAL credit hours at Boulder Campus rates. Concurrent Registration Forms and instructions are available at the Information Window of the Office of Registrations, Regent 125, between 9:00 a.m. and 4:30 p.m. after the Drop/Add period has begun at the host campus.

#### **Student Conduct**

The Standards of Conduct and the procedures for implementing them have been developed by a committee composed of students, faculty, and staff. In establishing these Standards, the University has taken into account students' rights as individuals, as well as the general welfare of the University community.

The University would be remiss in its responsibility to students and the community if it ignored behavior that violates the rights of others. It is also essential that everyone shares in the commitment to protect the integrity and personal safety of each member of the University community.

The intent of these Standards is not for use in incidents involving trivial or minor matters. Rather, they are intended for use in incidents threatening the basic functioning

Begins

Phone

of the University or the personal safety of its members.

As members of the University community, students are held accountable not only for civil and criminal laws, but University Standards as well. University sanctions can be imposed when policies are violated; the sanctions include, but are not limited to, suspension and permanent expulsion.

Any time students have questions regarding the application of University Standards or feel that another person has subjected them to behavior that interferes in any manner with their rights, public or private, the University effcourages students to talk with the staff member closest to the situation. Further information is available from the Office of Student Conduct, 492-5550.

# Time Out Program (TOP)

The Time Out Program is a planned leave program for University of Colorado at Boulder students who are currently enrolled in good standing in their college or school and whose dean approves their leave for a minimum of one semester or a maximum of one year to pursue academic or nonacademic interests. (Example: after completing a Fall Semester in December, the student returns the following September or a year later in January.) With prior approval from their dean, students may take courses at another campus of the University of Colorado or at another college or university while in TOP.

TOP will guarantee students a place in their current college or school and in their current major when they return to classes. In addition, Intrauniversity Transfer is available to students in TOP. Certain restrictions do apply, however, for some colleges and schools. TOP participants may register for classes by mail, and reapplication to the University is not necessary. Additional information and TOP applications may be picked up from the Office of Registrations, Regent 125. A nonrefundable \$20 program fee is required at the time of application to TOP. The TOP application must be submitted no later than the six-week drop deadline date for the semester the student begins TOP.

# **General Information**

The Academic policies, rules, and regulations of the College and University are printed in the 1985-86 University of Colorado at Boulder Catalog. All students are responsible for knowing and following the provisions set forth in the Catalog. Any

questions concerning those provisions are to be directed to the College Office, Old Main 1B-85. The College cannot assume responsibility for problems resulting from a student's failure to follow the policies stated in the *Catalog* or from misadvice given by someone other than a staff member of the College.

#### **Administrative Drops**

During the Drop/Add period, students may be administratively dropped for nonattendance in courses in the College of Arts and Sciences. Courses in which this policy is used are listed under department headings or students are advised of its applicability on the course syllabi. In the absence of such statements the policy is not in force in the class.

# Graduation from the College of Arts and Sciences

Any student wishing to graduate from the College of Arts and Sciences at the end of a given semester must notify the dean's office, Old Main 1B-85, in the semester preceding. The College of Arts and Sciences takes no responsibility for graduating a student when the student has not met the above deadline due to the student's own negligence.

# **Area Requirements**

As a liberal arts college, the College of Arts and Sciences has the responsibility of making available to its students a balanced program which will satisfy the legitimate claims of individual interest and aspirations and ensure that those who graduate have pursued a directed, coherent educational experience.

Each student seeking the B.A., the B.F.A., or the B.S. degree in the College of Arts and Sciences must complete two 2-semester course combinations in each of the following areas: Humanities, Natural Science, and Social Science. See the description in the College List following.

In addition to the above, students seeking the B.A. or the B.F.A. degree must demonstrate in one of three ways a third-semester proficiency in a classical or modern foreign language: (a) by completion of a level-III high school foreign language course, (b) by completion of an appropriate third-semester college course, or (c) by a proficiency examination administered by one of our foreign language departments.

# THE COLLEGE LIST

The College of Arts and Sciences College List consists of three divisions. Each division represents one of the area requirements: Humanities, Natural Science, Social Science. Within these divisions the courses are listed by departments in first- and secondyear sequences. Courses joined by a hyphen are considered a sequence. Both courses must be completed in order to fulfill one-half an area requirement.

To fulfill the second half of the requirement, students who have successfully completed a first-year sequence in a given department may choose either to take a secondyear sequence in the same department or to complete another first-year sequence in a different department listed in the same area requirement division. Courses on the College List may not be taken Pass/Fail.

First-Year Courses

**Second-Year Courses** 

# HUMANITIES

#### **ASIAN STUDIES**

101-102 Asian Civilization-S Asia and E Asia

#### **BLACK STUDIES**

# COLLEGE OF BUSINESS AND **ADMINISTRATION AND** GRADUATE SCHOOL OF BUSINESS ADMINISTRATION

Philip Cateora, Acting Dean Undergraduate-Business 204, 492-1257 Graduate-Business 230, 492-1831

#### General Information

Any question concerning college of business policies are to be directed to the college office. The college cannot assume responsibility for problems resulting from a student's failure to follow the policies stated in the Catalog or from misadvice given by someone other than a staff member of the College of Business. College policies are explained on pages 99-114 of the 1985-86 University of Colorado at Boulder Catalog.

Administrative Drops—Business faculty may drop students for nonattendance in class or if all prerequisites have not been met. Students are responsible for checking with their instructors concerning attendance policies.

Course Load—Business students may register for a maximum of 17 semester hours of course work during the fall or spring semesters and a maximum of 6 semester hours during a 5-week summer term.

Drop/Add—Business classes may not be added after Friday, January 24. All class assignments are made on a space available basis. Business students and official combined Business majors may add Monday, January 20 through Friday, January 24. Non-business students may add only on Friday, January 24, providing space is still available. Students may drop Business classes according to University deadlines.

Elective Credit—Elective credits should be selected carefully as not all classes are acceptable. Generally, to be acceptable, electives must be taught by regular University of Colorado faculty, must have a form of assessment such as a term paper and/or examinations, and must be regular classroom type classes. Course coverage must be college-level, not repetitious of other work applied toward the degree, must be academic as opposed to vocational/technical, and must be part of regular University offerings.

# Specifically, the college will accept:

- A. A maximum of 6 semester hours of theory physical education, recreation, or dance and
- A maximum of 12 semester hours of advanced ROTC providing the student is enrolled in the program and completes the total program and
- A maximum of 6 semester hours of approved independent study experimental studies, choir, band, music lessons, and art lessons.

# The College will NOT accept:

Activity physical education, recreation, workshops, orientations, dance, teaching methods, practicums, certain teacher education classes, credit for internships, and certain classes offered at the Center for Interdisciplinary Studies and Arts and

The above examples are not exclusive, but are intended to provide guidelines. The College of Business reserves the right to disallow any credit that is not appropriate academic credit as determined by the College. For further information, consult the Office of Undergraduate Studies.

incomplete Grades-Incomplete grades are given only in documented and extenuating circumstances clearly beyond the student's control. IF is the only incomplete grade given by the College of Business. The student is expected to complete the requirements (e.g., final exam, term paper) within the established deadline and not retake the entire course.

Information for Graduating Seniors—Prospective graduates must file an application to graduate with the dean's office, and request a senior audit before registering for their last semester. Failure to do so will delay graduation. Also, students desiring to change their area of emphasis after the senior audit has been completed must have the change approved by the graduation supervisor no later than the first week of class of their final semester. Changes after that time will delay graduation.

DEPI CRS NJ. JEPT NJ. CR TITLE OF COURSE TIME

Intrauniversity Transfer—Students who wish to transfer to Business from another college or school of the University, or to apply for admission to a combined program, must formally apply at the Undergraduate Advising Office, Room 204, within the March I deadline established by the College of Business. Applicants must be enrolled on the Boulder Campus at the time of application and have completed a minimum of 15 semester hours at the University of Colorado before applying. A limited number of students are admitted to the College each term by IUT and when the quota is filled, applications will not be accepted until the next term. Admitted students must enroll on the Boulder Campus the term admitted or the IUT is void.

LINIT

No Credit—Due to space limitations, Business classes may not be taken on a No Credit or audit basis.

Prerequisites—Students registering for courses without having completed appropriate prerequisites or who do not have the appropriate class standing may be administratively dropped from Business classes. Business majors are defined as students officially enrolled in the College of Business and Administration or an official combined program.

Repeating Courses—Repetition of work either at the University of Colorado and/or elsewhere, or below college level work, is not acceptable toward a B.S. degree in Business. Grades of D earned at this institution count toward graduation and courses need not be repeated. The College of Business and Administration does not remove Fs or change grades if a course is repeated. All work attempted will appear on permanent records.

Summer Work-Business students planning to attend another institution during the summer should have their proposed course work approved by a Business advisor before leaving campus. Students planning to attend another institution during the academic year should be aware that their residency in the College may be affected, and should consult with an advisor. The last 30 hours of CU Business courses must be taken in residence after admission to the College and must include the area of emphasis. Students must be in residence at the campus awarding the degree and registered as a Business degree student during the term of graduation.

Transfer Credit-Transfer work from other institutions is evaluated first by the University of Colorado Admissions Processing, but final degree determination is made by the College of Business. Transfer credits from unaccredited institutions will not apply toward the Business degree. On questions of substitution of required courses, comparison of catalog descriptions will be made. Students are responsible for providing course descriptions. Transfer credit for Business courses taken at a lower-division level is limited to only such courses as the College offers

# Graduate School of Business Administration

510 Business Administration (M.B.A.)

Note: Students enrolled in business classes without proper prerequisites and/or class standing may be administratively dropped. Students enrolled in one section of a business course but attending a different section will receive a grade of F for nonattendance.

Note: Students attending classes for which they are not enrolled will not be added late.

All students should read and adhere to the policies, rules, and regulations as given in the School of Education section of the *University of Colorado at Boulder Catalog* and in the Graduate School section when the latter is applicable.

Certification students are responsible for knowing the information given in the Advising Manual, which should be picked up in Education 247. Additional information for Graduate students is given in the Graduate Student Handbook which should be picked up in Education 130.

For both elementary and secondary certification students, admission to the certification program requires a 2.50 GPA. Students must also meet certain criteria and competencies in reading, writing, mathematics, and speech.

# **Major Code**

097 Teacher Certification (prior degree)

#### **Teacher Education**

800. EDUC 330 2 ORAL COMM FOR TEACHERS

CUNTRULLED ENROLLMENT FORMS ARE REQUIRED FOR EDUC 330, 412, 446, 470, 471, 472, 473 AND 479. SECURE CONTROLLED ENROLL-MENT FORMS IN EDUC, RM 247.

NUTE. THE FOLLOWING COURSES ARE OPEN TO ALL STUDENTS IN THE UNIVERSITY, BUT ARE NOT PART OF THE TEACHER CERTIFICATION PROGRAM. THEY MAY BE COUNTED TOWARD GRADUATION FOR NONCERTIFICATION STUDENTS.

# COLLEGE OF ENGINEERING AND APPLIED SCIENCE

A. Richard Seebass, Dean

#### **General Information**

2°0 2°0

 The requirements and policies of the College and the University are printed in the 1985-86 University of Colorado at Boulder Catalog and the College of Engineering Student Survival Guide. All students should become familiar with these requirements as well as with the specific requirements of their major department. Students should also refer to the front of this Schedule of Courses, which outlines the Standard Grading System, Pass/Fail, Drop/Add, and withdrawal procedures. These instructions provide important information relative to the rules of the University of Colorado, Boulder.

Because of the required lead time to publish the *University of Colorado Catalog*, changes in University and/or college rules and policies may occur in the interim. It is the student's responsibility to be aware of revisions. This can best be accomplished by consulting with departmental advisors, checking departmental bulletin boards, and reading the latest *Student Survival Guide* and the narrative preceding each semester's College of Engineering *Schedule of Courses* listing.

#### **FACULTY ADVISORS**

Advising is available through departmental offices of the College of Engineering and Applied Science. Each student is assigned a departmental advisor and should check with the department office to verify the advisor's name. Departmental approval is required to assure that courses will apply toward the degree. Transfer students should check with their major department at the time of their first Registration for evaluation and acceptance of transfer credits.

# General College Policies

- Students who have been on probation or suspension at any time in the past will automatically be suspended if their cumulative GPA again falls below a 2.00. All courses taken at any campus of the University of Colorado are included in the compilation of the cumulative average.
- 2. Students must enroll for a minimum of 12 semester hours during the regular academic year, or petition for approval to take fewer hours. Students must petition to drop courses that will reduce the total semester credit hour load below 12 semester hours.
- 3. Students are expected to fulfill all prerequisites. It is important to study the Catalog carefully because many courses must be taken in specific sequence. Students who receive a grade of D in a prerequisite course and wish to register for the succeeding course must petition to obtain approval of their major department, the instructor of the succeeding course, and the dean's office before enrolling for that course.
- 4. The College of Engineering and Applied Science will not remove a grade of F or any other grade for any courses repeated. A student's cumulative grade point average shall include all academic courses attempted for grades at the University of Colorado.
- 5. Students should note the restrictions on the Pass/Fail option given in the Student Survival Guide and check with their department office for specific departmental restrictions. Pass/Fail Forms require the signature of a designated faculty member of a student's major department plus dean's approval.
- 6. No course required for graduation can be taken NC (No Credit). Students must petition if they wish to take a course NC.
- 7. Students should carefully read the current Drop/Add Standard procedures policy in the front of this Schedule of Courses. Students should also keep all Drop/Add receipts until graduation.
- 8. Students are encouraged to check with their instructors to make certain that they are officially listed on the class roster before the add deadline. Students will not be allowed to add classes after the add deadline.
- **9.** Final examination dates and times are printed in the applicable semester Schedule of Courses. Students should be careful not to sign up for courses that would require three or more finals on the same day.
- Engineering students are subject to disenrollment if they do not comply with the College of Engineering and Applied Science rules and policies.
- I. CATECS (Center for Advanced Training in Engineering and Computer Science) offers University of Colorado graduate education and professional development courses delivered from the Boulder campus to professionals at the workplace by live instructional television with two-way audio. CATECS also provides the same instruction, from the College of Engineering, via videocassette to those outside the TV signal range.

Students may obtain the master of engineering degree in computer science, electrical and computer engineering, and mechanical and civil engineering. Graduate level BUSINESS COURSES offered through CATECS to those with technical, non-business backgrounds may be applied to the MBA degree as well as to the Master of Engineering.

SPECIAL OFF-CAMPUS STUDENTS not enrolled in graduate school but interested in CATECS courses must register through CATECS, Engineering Center, Room ADI-1, 492-6331.

Almost all CATECS students are sponsored by their employers who pay \$750 tuition and cost of textbooks for each 3 credit hour course. Students without employer sponsorship may petition CATECS for a 50% discount. FACULTY AND STAFF of the Boulder campus are eligible for CATECS courses, for one half the \$750 tuition, as in the Boulder Evening credit course program, if seating remains in the classroom.

# **Information for Graduating Seniors**

- I. Students planning to graduate in December or May should complete a Diploma Application Form by March 1, 1986. Forms are available at Schedule and Bill Pickup or in the dean's office, EC AD 1-1.
- 2. All graduating seniors should notify their major departments before their last semester or session on campus and carefully plan their schedules with their advisor's approval so as to assure fulfillment of all requirements for the degree. Tentative commencement lists will be posted on a bulletin board outside the dean's office. The name of each graduating senior should appear on this list. Each senior should verify that the name is spelled correctly and is given as it should appear on the diploma. Each individual's major should also be shown correctly. Please notify the dean's office of any errors on this list.
- 3. Final grades for the removal of IFs and/or the completion of correspondence courses must be in the dean's office before final exams begin during the student's last semester or term.

4. Minimum requirements for a B.S. degree:

- a. 128 to 136 semester hours passed in a curriculum prescribed by the student's academic department.
- b. A GPA of 2.00 for all courses attempted, for all courses that count toward graduation requirements, and all courses taught by the major department. Excluded from grade averaging is the letter grade P in Pass/Fail courses; these courses may, however, count toward graduation.
- c. The last 30 semester hours must be taken as a degree student in the College of Engineering and Applied Science.
- d. Recommendation by the faculty of the student's major department and the faculty of the College of Engineering and Applied Science.

Students may check with the dean's office to verify that they will have the total number of hours and grade point average required for graduation. It is the student's responsibility to check with the departmental advisor on fulfillment of the specific requirements of the major department.

NOTE: Registration for CATECS courses for the Special Student, Faculty, and Staff will be accepted through the College of Engineering, Center for Advanced Training in Engineering and Computer Science, University of Colorado, Boulder, CO 80309, (303) 492-6331.

001 0900-1150 M W 002 0900-1150 M W ECCR 1-14 ECCR 1-20 Spenser Havlick, Acting Dean Environmental Design 158, 492-7711

## **General Information**

Statements concerning general policies, rules and regulations, and specific information relative to course sequence and requirements are contained in the 1985-86 University of Colorado at Boulder Catalog available in libraries, the College Dean's Office, or the University Bookstore. All students are responsible for familiarizing themselves with this information and should retain a copy in their personal files.

Environmental Design students must specify major code EV 852 or 853. Students select advisors from the faculty in Environmental Design. Faculty offices for advisors are in the Environmental Design Building. All students enrolled in the College of Design and Planning are required to see an advisor before Registration for each semester.

Transfer Students—Before admittance to this program, transfer students from the Boulder Campus or from other universities should have completed a college physical or life science course with lab (see Breadth Electives listing). English composition or equivalent, mathematics (calculus for prearchitecture and statistics for planning and other design students), and basic drawing skills, plus an overall 2.75 minimum grade point average.

Minimum Scholastic Standards—Students will be subject to suspension if they do not maintain a cumulative grade point average of 2.00 for the Environmental Design undergraduate division. A D in a required course other than general electives is grounds for repeating the course.

Normal Schedule—The normal semester credit hour load in the College of Design and Planning is 16 semester hours. Advanced approval by the dean is essential for loads less than 12 semester hours or more than 17 semester hours. No incomplete marks (IW or IF) are given in the College of Design and Planning except in the case of a demonstrated medical crisis.

Attendance Regulations-Students are expected to comply with the attendance regulations specified by the instructor at the beginning of the semester.

#### Requirements for Bachelor of Environmental Design Degree

ENVD curriculum for students admitted Fall 1983 and after: 24 credits Design-4 studios 6 credits Societal—2 courses Natural Science Technology-2 courses 8 credits 6 credits Media—2 courses History/Theory—3 courses 9 credits Total minimum required ENVD course credits = 53

#### In the new curriculum, these are the courses that you must complete in ENVD:

Design

100/200/300/400 (in emphasis area)

Media 220/320 or 420 235/335 or Natural

330, 331, 350, 351 Science

**Technology** 

215/315 or 316 Societal

105/275 and one year upper division History/ Theory history/theory elective, such as ARCH 470

or 471. Other Requirements:

Breadth Electives **ENVD** Emphasis Area 20 credits minimum

Courses

Variable

Emphasis Area Electives

15 credits minimum (9 in

Upper Division)

#### Credits required for graduation = 128

**Breadth Electives** (one approved course from each area):

Math\*—MATH 130, Statistics (any)

Physical and Life Sciences (with lab)\*-PHYS 301

(recommended for architects); EPOB 121 with 123; CHEM 104; NASC 123,

Social Science—ANTH 103, 104, 210, 220, 301; BLST 203, 204; CHST 101; ECON 201, 202; GEOG 198, 199, 370; PSC 100, 110, 201, 210, 353; PSY 100, 370; SOC 191, 210, 211, 220, 246, 263, 384; WMST 200.

Language Arts\*-A S 100.

Visual Communications\*—F A 100, 120.

Humanities-CHST 103; ENGL 260, 261; FA H 270, 271, 280, 281, 282, 284; HIST 101, 102, 103, 104, 105, 106, 141, 142, 151, 152, 181, 182,-201, 202, 207, 208, 215, 216, 258, 261, 262, 270, 271, 298; HUM 101, 102; PHIL 100, 102, 103, 104, 105, 107, 110, 114; P SC 240.

\*These courses must be completed before starting upper division ENVD courses that is, course number 300 or above.

Emphasis Area—These are preprofessional design specialization in architecture, urban design, landscape, interior, or planning. Your upper division ENVD courses should be taken to support your chosen emphasis area. An emphasis area consists of a set of ENVD courses and related support electives from other departments. The Division provides listings of approved courses for each emphasis area. The semester before you enter the upper division, you should consult these listings.

Support Electives—You must take at least 15 semester credits of approved course work outside the department that supports your emphasis area. This course work is listed with emphasis area requirements available from the Division. Nine of the 15 semester credits must be in the upper division (300 and 400 level).

#### Requirements for students admitted before Fall 1983 who are continuing under the old ENVD curriculum:

A. Environmental Design Studio 36 hours

(6 semesters, 6 hours each)

Must include at least one 200-level, one 300-level, and two 400-levels.

**B.** Collateral Courses

**ENVD** Graphics 2 semesters, 3 hour each (ENVD 220, 221) ENVD Natural Science/ 3 semesters, 3 hours each (ENVD 130, 230, Tech

ENVD Societal Science ENVD History/Theory

3 semesters, 3 hours each (ENVD 110, 210, 211) 1 semester, 3 hours (ENVD 170)

C. Required courses in other colleges and schools of the University: Mathematics (calculus-MATH 130-for prearchitecture students, or

One semester of PHYS 301 with lab and a course in English composition or expository writing.

D. Elective Courses—Students should include upper division courses in .. arts, humanities, physical sciences, business, engineering, or other appropriate units in their curriculum. Elective courses may be selected from any department on campus in consultation with faculty advisors. These courses include a broad spectrum of offerings from other colleges and schools as well as the College of Design and Planning, but should support declared emphasis or specialization declared in the second year of the program.

#### Total Hours Required for Graduation = 128

Students intending to pursue graduate studies in architecture should plan o take the following courses:

ENVD 401/402-6 Architecture Studio | & 2 ENVD 420/421-3 Architectural Graphics | & 2 ENVD 450/451-3 Environmental Systems | & 2 ENVD 452/453-2 Architectural Structures | & 2 ARCH 470/471-3 **History of Architecture** 

#### **Major Codes**

852 Environmental Design 853 Environmental Design and Business

# **Environmental Design**

# **GRADUATE SCHOOL**

Bruce R. Ekstrand, Dean Regent 306, 492-7401

#### **General Information**

Consult the University of Colorado at Boulder Catalog and your major department for additional information concerning requirements for advanced degrees. All regular degree and provisional degree graduate students must have the approval of their authorized departmental representatives concerning their proposed program of courses for each semester and must plan their degree programs with their designated advisors. Admission to Graduate School is not equivalent to approval of candidacy for an advanced degree. A student who wishes to become a candidate for a degree must make application in the manner prescribed under the requirements for the degree sought.

#### **Graduate Deadlines and Exam Dates**

NOTE: Departments or program committees may have additional deadlines which must be met by graduate students in that department or program. It is the student's responsibility to ascertain such requirements and to meet them as designated by the department or program chairman.

#### Deadlines for master's degree candidates for Spring 1986

Qualifying Examination

Request for Transfer of Credit

Must be received in Graduate School by the beginning of the semester before the semester of graduation.

Students should check with department.

Application for Candidacy Form Must be received in Graduate School at least 10 weeks before comprehensive-final examination or thesis defense is attempted. It is recommended that application be submitted the semester previous to graduation.

Diploma Card

Must be submitted to the Graduate School at the beginning of the semester of graduation.

Comprehensive-Final Examination or Thesis Defense Examination defense must be scheduled by April 25 and completed by May 2 for May conferring of degrees. Students must be registered at the time the examination is attempted and must register during the regular Registration period.

Thesis Filed in Graduate School, Complete in all Respects

May 9 (two copies), for May conferring of degrees.

#### Deadlines for doctoral degree candidates for Spring 1986

Preliminary Examination Must precede the comprehensive examination by at least two semesters.

Completion of Language Requirement Before scheduling comprehensive examination.

Earned at Least Three Semesters of Credit Before admittance to candidacy.

Application for Candidacy Filed in Graduate

At least 14 days before comprehensive examination is attempted.

School Dissertation Approved

Student should check with department.

by Department Diploma Card

Must be submitted to the Graduate School in the

Final Examination

beginning of the semester of graduation. Examination must be scheduled by April 21 and completed by May 5 for May conferring of degrees. Students must be registered for at least 7 semester hours of doctoral thesis at the time the examination is taken.

Dissertation Filed in Graduate School, Complete in All Respects.

May 5 for May conferring of degrees.

# **SCHOOL OF PHARMACY**

Robert W. Piepho, Acting Dean Ekeley West 181, 492-6278

#### **General Information**

Academic advising will be available at the School of Pharmacy Office, Ekeley West 181, during Registration. The Registration Course Request Form must be stamped in the Pharmacy office and a Major Advising Form obtained before submitting the completed Registration materials.

Academic policies for Pharmacy students are printed in the 1985-86 University of Colorado at Boulder Catalog. Students should refer to pages 226-228 of the Catalog for pertinent information.

To remain in good standing, a student must maintain a professional, cumulative, and semester 2.00 GPA.

#### **Major Code**
